**as so referred to in the order dated 15/11/2017, of the Hon'ble Supreme Court**  
**passed in civil appeal no. 13301/2015 titled Subrata Bhattacharya vs SEBI and**  
**duly notified in SEBI Press release no. 66 dated 08/12/2017.**

**File no. 303**

**MR NO. 25271 & 25272-16**

**Objector** : Lakewood Infra Projects Pvt Ltd

**Present** : Mr. Varun Singh and Pranati Bhatnagar, Advocates

1. It may be noticed at the outset that vide order dated 02/02/2016, passed in civil appeal no. 13301/2015 bearing the title Subarata Bhattacharaya Versus Securities & Exchange Board Of India, the Hon'ble supreme court had directed constitution of a committee by SEBI to be headed by Hon'ble Mr. Justice R.M. Lodha. former Chief Justice of India as its Chairman for disposing of the land purchased by PACL so that the sale proceeds recovered there from can be paid to the investors who have invested their funds in the company for purchase of the land. The said committee was asked to collect relevant record including title sale deeds from the CBI (Central Bureau of Investigation) if it is in possession of any documents.
2. The committee on its part has put up various properties including the property forming the subject matter of the present objection petition for auction sale on its website [www.auctionpacl.com](http://www.auctionpacl.com).
3. The objector herein seeks removal from attachment 3.885 acres (survey no. 24/2) and land measuring 0.25 acres, survey nos. 19 (3B/2), situated at village Thanehavi, Tehsil Khalapur (Maharashtra) out of which the land measuring 3.885 acres was statedly purchased vide registered sale deed no. 2072/2012 dated 11/05/2012 for Rs. 97,00,00,000/- (ninety seven lakhs ) from Vishwanath Ram Mahashilkar and thirteen others whereas the land measuring 0.25 acres was purchased vide registered sale deed no 2370/2012 dated 27/05/2012 for an amount of Rs. 6,25,000/- (six lakh and twenty five thousand) from Khandu Baban Kadam and three others.

4. Payment of the aforesaid sale consideration was admittedly made out of fund invested by the holding company viz M/S Synergyone Infrastructures and Projects Pvt Ltd. (previously known as NSB Infrastructure and Projects Pvt Ltd) though it is claimed that it had vide notice dated 19/03/2015, terminated its development agreement earlier entered into with PACL.
5. It may be noticed at the outset that the property under attachment in this case has been given **MR NO. 25271 & 25272-16** by the CBI during the course of investigation and the entry in the column of ownership therein describes M/s Concept Infraestates Pvt Ltd to have purchased these two separate parcels of land from Vishwanath R Mahashilkar & others and Khandu B Kadam & others etc., but the objector herein viz Lakewood Infra Projects Pvt Ltd. claims itself to have purchased the said property from above name Vishwanath R Mahashilkar & others and Khandu B Kadam & others etc. as its own and not in the name of M/S Concept Infraestates Pvt. Ltd.
6. It may also be mentioned here that the objector herein has claimed in its objection petition dated 23/09/2016 to be a party in arbitration petition no. 363/2015 dated 27/02/2015 wherein the Hon'ble High Court of Bombay has passed an order dated 22/12/2014 restraining the present objector as well as the other respondents therein not to create third party rights with regards to properties and investments of PACL company including the property forming the subject matter of the present petition.
7. It may be pointed out at this stage that an objection petition no.309 filed by Synergyone Infrastructer and Projects Pvt Ltd has been decided by me vide my order dated 15/02/2018. In the title of parties of arbitration and petition filed before the Hon'ble High court of Bombay as well as before the Hon'ble Sole Arbitrator, the objector herein stands impleaded at S. No. 24 which is one of the companies which Prateek Kumar therein claims to have been under his exclusive control.
8. The contents of my common order dated 15/02/2018 in file nos. 309, 307 and 372 of Synergyone Infrastructer and Projects Pvt Ltd, Exquisite Infrastructure Pvt. Ltd and Green Fortune Promoters & Developers Pvt Ltd are therefore being referred to and reproduced herein as common questions of fact and law arise.
9. The learned counsel for the objector has today while adopting the arguments raised in file no. 309 of Synergyone Infrastructer and Projects Pvt Ltd, in support of the objection petition, raised two fold argument viz:-
  - a) PACL had filed arbitration petition no. 1937 of 2014 in the High Court of Judicature at Bombay against Prateek Kumar and 41 others including Synergyone Infrastructure and Projects Pvt. Ltd as also several other companies listed at Sr.nos. 2 to 36 thereof (which including the objector

RA/mb  
27/2/18

Lakewood Infra Projects Pvt Ltd herein are statedly under exclusive control of Prateek Kumar) wherein the Bombay High Court vide order dated 22 December 2014 while restraining Prateek Kumar above named and his group of companies (respondents 2 to 36 therein including the objectors Green Fortune Promoters & Developers Pvt Ltd and Exquisite Infrastructure Pvt Ltd as respondents 15 and 25 respectively therein) from disposing off, alienating or creating any encumbrance on the properties forming the subject matter of the said arbitration petition (and which are also involved in the objection petition in hand) had appointed Justice Mohit S. Shah (Retd. Chief Justice of Bombay High Court as Sole Arbitrator and who vide his email dated 08/01/2017 addressed to Justice (Retd.) R. M. Lodha Committee ( In the Matter of PACL Ltd.) had sought its comments in the matter whereto the nodal officer cum secretary of the said committee vide letter no. JRMLC/PACL/2930/2017 had responded as hereunder:-

*“The committee notes that PACL Ltd is neither in liquidation nor has the committee taken over its assets and liabilities. Further, the committee is also not representing the said company in the captioned arbitration proceedings. In light of the same, the committee has no comments to offer in respect of the captioned arbitration proceeding.”*

- b) In the light of the above correspondence, the learned counsel for the objector had submitted that the committee should either get itself impleaded as a party in the said arbitration proceedings, or else stay its hands till final disposal of the said arbitration proceedings specially because PACL as claimant in the said arbitration proceedings has abandoned its claim by not pursuing the same leading to Prateek Kumar above named being transposed as a claimant and PACL Ltd being transposed as respondent no. 1 therein.
- c) It was next argued that the various agreements between PACL and PK Group of companies led by Prateek Kumar above named clearly suggest that the properties of PK Group to the extent of 20% are its own accretions, independent of PACL, and the committee cannot pass any orders for auction of the same. The agreements referred to in the above context are detailed hereunder:-
- i) Principal Memorandum of Understanding “MOU” dated 21/09/2012,
  - ii) Master Arrangement Agreement “Agreement” dated 28/03/2013,
  - iii) Definitive Agreement for Settlement “Agreement” dated 02/10/2013,
  - iv) Supplemental Agreement to

Definitive Agreement for Settlement  
and  
v) Compromise deed

dated 30/11/2013,  
dated 07/01/2014.

10. As mentioned in para 1 of this order above, the objector Lakewood Infra Projects Pvt. Ltd. is mentioned at Sr. Nos. 24 of schedule 1 (secondly) which is a part of the definitive agreement for settlement dated 02/10/2013 entered into between PACL on the one hand and Mr. Prateek Kumar and his group of companies set out in the said schedule referred to above and described therein as "P K Group".

11. While elaborating on the above referred agreements, it is firstly pointed out that clause "C" at page 2 of the above referred agreement dated 21/09/2012 contains a recital to the effect that PK (Prateek Kumar objector herein) is the promoter / founding partner / person in control (directly or indirectly) of the second party therein viz Synergyone Infrastructure & Projects Pvt Ltd and the other companies referred to therein as "PK" group of companies which is indicative of the fact that even PACL acknowledges the objector Prateek Kumar to be the owner to the extent of 20% of the properties detailed in the said agreement dated 21/09/2012. Elaborating on this aspect, the learned counsel has drawn my attention to the under mentioned acknowledgments between PACL on the one hand and Prateek Kumar and his group of companies on the other hand in respect of monetary transactions detailed hereunder:-

a) **Principal Memorandum of Understanding "MOU" dated 21/09/2012** which mentions that PACL has already paid to the second party and or its associate concerns till then a total sum of Rs 1,722,81,76,928/- (Rs. d) **Supplemental Agreement to Definitive Agreement for Settlement dated 30/11/2013** which contain provision regarding modification of clauses 2.10.1, 2.10.2, 2.10.3, 2.13 and clause three of settlement / definitive agreement dated 02/10/2013 referred to above; and,

RCU  
27/2/18

i) Prateek Kumar shall transfer and convey all the shareholdings of the said Company to PACL or its nominees and/ or assigns as may be suggested or instructed by PACL;

ii) PACL shall withdraw/not pursue the said Criminal Case being FIR no.246/13 registered with P.S. iii) Prateek Kumar hereby agrees undertakes and confirms that he shall not make any complaint against PACL or its Directors, nominees, employees or anyone associated with it of its sister concern in any manner whatsoever including that of a criminal complaint, counter criminal or lay nay allegations against PACL or its Directors or employees and also shall not make any counter claim or initiate any civil proceedings against PACL on this account;

ix) That second party namely Prateek Kumar also declares and confirms that the land described in the schedule and transferred in favour of Sunshine Infracity Pvt. Ltd. Belongs to PACL and accordingly, the second party has agreed on his behalf and on behalf of Sunshine to transfer the shareholding of Sunshine Infracity Pvt. Ltd. to PACL or its nominee as stated in clause 1 herein above.

12. Now first coming to the argument raised on behalf of the objector as contained in para 9 above, it suffices to mention that the reply dated 08/01/2017 sent on behalf of the committee to Justice Mohit Shah (Retd.), Sole Arbitrator in the matter of arbitration between PACL Ltd and Prateek Kumar above named is conclusive of the fact that the committee has not taken over the assets and liabilities of PACL. In fact, the committee in the discharge of its duty, in compliance with the order of the Supreme Court dated 02/02/2016, is only confining itself to put the properties of PACL to auction / sale as indicated on its website [www.auctionpacl.com](http://www.auctionpacl.com). No question thus arises on the part of the committee to either become a party in the arbitration proceeding referred to above, or to stay its hands till final disposal of the said arbitration proceedings.

13. Next coming to the argument as reproduced in paras 9(c) & 11 above, it needs to be highlighted at the outset that Prateek Kumar above named for himself, or on behalf of any of the forty one companies led by him and known as 'P K' Group has nowhere claimed nor produced any documented proof to show that he, or any of his group of companies, possessed any income / assets whatsoever of their own, except as that derived out of business with PACL and which PACL on its own part also is nowhere shown to have ever had any income / assets independent of its collection from millions of investors spread all over India under "collective investment scheme" within the meaning of section 11AA of Securities and Exchange Board of India Act, 1992 but without obtaining the requisite permission from SEBI as contemplated in the said Act and the rules framed thereunder. The relevant extract of the said section is as under:-

**Collective investment scheme.** 11AA. (1) Any scheme or arrangement which satisfies the conditions referred to in sub-section (2) [or sub-section (2A)] shall be a collective investment scheme: [Provided that any pooling of funds under any scheme or arrangement, which is not registered with the Board or is not covered under sub-section (3), involving a corpus amount of one hundred crore rupees or

A. G. S.  
27/2/18

more shall be deemed to be a collective investment scheme.] (2) Any scheme or arrangement made or offered by any [person] under which,— (i) the contributions, or payments made by the investors, by whatever name called, are pooled and utilized for the purposes of the scheme or arrangement; (ii) the contributions or payments are made to such scheme or arrangement by the investors with a view to receive profits, income, produce or property, whether movable or immovable, from such scheme or arrangement; (iii) the property, contribution or investment forming part of scheme or arrangement, whether identifiable or not, is managed on behalf of the investors; (iv) the investors do not have day-to-day control over the management and operation of the scheme or arrangement.

14. Thus the entire money collected from millions of investors but sought to be divided amongst themselves by PACL and PK Group in the ratio of 80:20 as indicated in the above referred agreements etc as detailed in para 6 (a to e above) and as so argued on behalf of the three objectors herein (which as per the own claim of the objector Prateek Kumar above named are controlled by him and his group of companies / associates) cannot be permitted to be misappropriated either by PACL or the objectors amongst themselves by division of illgotten spoils, because the core funding is of the millions of investors who are not parties herein. It may borne in mind here that no revenue document such as mutation or Jamabandi etc exist on record to show as to how the various properties numbering '242' in the case of Synergyone, '3' in the case of Equisite Infrastructure and '100' in the case of Green Fortune Promoters, forming the subject matter of the present objection petition came to be aggregated / acquired by Prateek Kumar above named and subsequently transferred in the name of Synergyone Infrastructure and Project Pvt Ltd. No legal sanction can therefore be extended to such like situations where the money collected from millions of investors on false pretexts of multiplied returns is misappropriated for buying property in personal names or companies setup for personal gains, to the exclusion of the gullible investors. Reference may in this context be made to the observations of the Hon'ble Supreme Court in the case bearing the title S. P. Chengal Varaya Naidu (Dead) By Lrs. Versus Jagannath (Dead) By Lrs. and others reported in (1994) 1 Supreme Court cases 1 wherein it was held that "a fraud is an act of deliberate deception with the design of securing something by taking unfair advantage of another. It is a deception in order to gain by another's loss. It is 'cheating' intended to get an advantage". It was further held therein that:-

Alm  
27/2/18

*“Fraud avoids all judicial acts, ecclesiastical or temporal observed Chief Justice Edward Coke of England about three centuries ago. It is the settled proposition of law that a judgment or decree obtained by playing fraud on the court is a nullity and nonest in the eyes of law. Such a judgment / decree by the first court or by the highest court has to be treated as a nullity by every court, whether superior or inferior. It can be challenged in any court even in collateral proceedings.”*

15. In view of the foregoing discussion, I do not find any merit in this objection petition which is hereby dismissed.
