Appeal No. 6890 of 2026

Sanjay Kumar Gupta : Appellant

Vs

CPIO, SEBI, Mumbai : Respondent

ORDER

1. The appellant had filed an application dated April 24, 2026 (received by SEBI through RTI MIS portal) under the Right to Information Act, 2005 (“**RTI Act**”). The respondent, by a letter dated May 19, 2026 responded to the application filed by the appellant. The appellant filed an appeal dated May 20, 2026 (Reg. No. SEBIH/A/E/26/00187). I have perused the application, the response of the respondent and the appeal and find that the matter can be decided based on the material available on record.
2. **Queries in the application** - The appellant, in his application dated April 24, 2026, sought the following information:

“1. Please provide me the information whether trading of shares of Mahanivesh (India) Limited having ISIN INE641D01017 suspended before 31.03.2013?

2. If the trading of shares mentioned in point no. 1 was suspended, please provide me the reason for the same.”
3. **Reply of the Respondent** – The respondent, in response to the application, informed that the information sought is in the nature of seeking clarification/opinion. Accordingly, the same cannot be construed as “information” as defined under section 2(f) of RTI Act.
4. **Ground of appeal** – The appellant has filed the appeal on the ground that he was refused access to the information requested.

5. I have perused the application and the response provided thereto. On consideration, I find that the appellant's queries are in the nature of seeking clarification/confirmation from the respondent. I find that the said queries cannot be construed as seeking 'information' as defined under section 2(f) of the RTI Act. Consequently, the respondent did not have an obligation to provide such clarification or confirmation under the RTI Act. In this context, reliance is placed on matter of *Azad Singh vs. CPIO, Oriental Insurance Company Limited* (order dated March 23, 2021) wherein Hon'ble Central Information Commission(CIC) observed that "7. *The Commission, after hearing the submissions of both the parties and after perusal of records, observed that some queries of the appellant are in the nature of seeking explanation/ opinion/ advice/ confirmation/ clarification from the CPIO and he has expected that the CPIO firstly should analyze the documents and then provide information to the appellant. But the CPIO is not supposed to create information; or to interpret information; or to compile information as per the desire of the appellant under the ambit of the RTI Act. As per Section 2(f) of the RTI Act, the reasons/ opinions/ advices can only be provided to the applicants if it is available on record of the public authority. The CPIO cannot create information in the manner as sought by the appellant. The CPIO is only a communicator of information based on the records held in the office and hence, he cannot be expected to do research work to deduce anything from the material therein and then supply it to him.*" Accordingly, I do not find any deficiency in the response of the respondent.
6. In view of the above observations, I find that there is no need to interfere with the decision of the respondent. The appeal is accordingly dismissed.
