|       | The company offers its employees Defined Contribution Benefits in the form of Provident Fund. The fund cover substantially all regular employees. Contributions are paid during the period into separate funds under certain statutory /fiduciary type arrangements. Both the employees and the company pay predetermined contributions into the provident fund. The contributions are normally based on a certain proportions of the employee's salary.                                                                                                                              |                                                 |                                                 |                                                 |                                                 |
|       | The company offers its employees Defined Benefit Plans in the form of Gratuity (a lump sum amount). Amount payables under defined benefit plans are typically based on years of service rendered and the employees' eligible compensation (immediately before retirement). The Gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at year end. Actuarial Valuation is based on "Projected Unit Credit" Method. Gains and losses due to changes in actuarial assumptions are charged to the Consolidated Statement of Profit and Loss. |                                                 |                                                 |                                                 |                                                 |

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Ghaziabad Aligarh Expressway Private Limited as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on our audit procedures.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p> <p>The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.</p> |

### **Significant factors affecting our results of operations and financial condition**

Our results of operations and financial conditions have been affected and will continued to be affected by number of significant factors including the following:

#### ***Competitive bidding, terms and timing of projects awarded and stage of completion of our projects***

Our revenues are primarily derived from our BOT Projects and our results of operations and cash flows can fluctuate depending on our ability to successfully bid for projects, the timing of award of projects and the stage of completion of such projects.

After we are pre-qualified to bid for projects, it will still be difficult to predict whether or when we will be awarded (or will be able to acquire) a new project, since most potential projects involve a lengthy and complex bidding and selection process that may be affected by a number of factors, including changes in existing or assumed market conditions, financing arrangements, governmental approvals and environmental matters. While service quality, technical capability and work experience, financial strength, health and safety records as well as reputation and experience are important considerations in decisions made by Concessioning Authorities, price is a major factor in most bid awards. The ability to win projects is also dependent on our ability to partner and collaborate with other partners or co-sponsors and maintain a continuing relationship with Concessioning Authorities such as NHAI and other state government authorities. After a project is awarded, completion of our projects on time or at all is subject to various factors, including, our ability to enter into financing arrangements, acquisition of land by the Concessioning Authorities, performance by our sub-contractors and EPC costs. We typically enter into fixed price contracts with our EPC contractors and cost escalation, if any, is borne by the EPC contractors. Because of the nature of our projects, we sometimes commit resources to projects prior to receiving grants or other payments from the Concessioning Authorities in amounts sufficient to cover expenditures on projects as they are incurred by us to avoid delays in execution of the projects. Any default or delay by Concessioning Authorities in making payments to us, or project delays or cancellation can have an adverse effect on our results of operations and financial condition.

#### ***The terms of the concession agreements and traffic volumes***

BOT project restricts our operational and financial flexibility. Toll fees are typically pre-determined with the relevant government entity and cannot be modified to reflect prevailing circumstances, other than annual adjustments to account for inflation as specified in the concession agreements. Significant costs during the concession period include operating and maintenance expenses such as periodic maintenance which is required to be performed as specified in the concession agreement. Our inability to effectively manage such operating and maintenance expenses during the concession period may have a material adverse effect on our profitability, financial condition and results of operations.

When we prepare our tender for a toll-based BOT Project, we need to forecast the traffic volume for the road in order to forecast our expected revenue over the concession period in order to arrive at the price we are going to bid to pay or be paid for undertaking such BOT Project. Any material difference between the actual traffic volume and our forecast traffic volume for a toll-based BOT Project may have a significant impact on our results of operations.

Our BOT Projects involve agreements that are long-term in nature. All long-term projects have inherent risks

associated with them and involve variables that may not necessarily be within the Project SPVs' control. Accordingly, we may be exposed to a variety of operation and maintenance and other risks, including unanticipated cost increases and overruns, inability to negotiate satisfactory arrangements with third parties, and disagreements with third parties. In addition, the long-term nature of the Project SPVs' contracts may expose them to increased risk of unforeseen business and industry changes and developments which could have a material adverse effect on their business, financial condition and results of operations.

### ***Tax Benefits and Incentives***

Our Project SPVs are eligible for certain tax benefits and incentives that accord favourable treatment to revenues earned from our projects and entitle us to certain deductions under Section 80(IA) of the I.T. Act. For details of the tax benefits available to us, refer to chapter titled "*Statement of Tax Benefits*" beginning on page 102. While most of the concession agreements entered into by our Project SPVs contain provisions to compensate us or adjust the terms of the concession for changes in tax and other laws that affect our profitability from the relevant project, in the future, changes in the existing tax benefits and incentives may affect our results of operations and cash flows.

### ***Competition***

We face significant competition for the award of projects from a large number of infrastructure and road development companies who also operate in the same regional markets as us. Further, some of our competitors are larger than us; have stronger financial resources or a more experienced management team, or have stronger engineering capabilities in executing technically complex projects. Competition from other infrastructure and road development companies may adversely affect our ability to successfully bid for projects at price levels which would generate desired returns for us.

### ***Government policies, macro-economic environment and performance of the road and highway infrastructure sector***

We, currently and in the future, expect to derive a large portion of our revenue from road focused infrastructure projects in India. These are significantly dependent on budgetary allocations made by GoI and State Governments, public bodies as well as access to private sector funding. We believe that sustained increase in budgetary allocation for and the participation of public bodies, multilateral agencies in and the development of comprehensive infrastructure policies that encourage greater private sector participation and funding will result in several road and other infrastructure projects being launched in India.

Demand for toll roads is primarily dependent on sustained development in the regions that we operate in and macroeconomic factors in India. Overall economic growth in manufacturing, services and logistics sectors will lead to demand of better transportation facilities, which would include demand for construction, upgradation and maintenance of highways. Other macro-economic factors like global growth, attractiveness of India in attracting capital, oil prices, financial stability may impact the economic environment of India and the policies of the government with regards to the infrastructure and the highways sector. Any future change in policy resulting from a new government may also impact our business.

### ***Interest rates***

As our business is capital intensive, we are exposed to interest rate risks. Our projects are funded to large extent by debt with floating interest rates and any increase in interest expense will have an adverse impact on our results of operation and financial condition. As on March 31, 2017, our long term borrowings were ₹ 5,149.66 million, current maturity for long term borrowing were ₹ 4.15 million and our short borrowings were ₹ 530.00 million on consolidated basis. In addition, our Associates also have significant borrowings. Our finance cost for Fiscal year ended March 31, 2017 was ₹ 435.35 million on consolidated basis. In view of high debt equity ratio in our projects, any change in the interest rates would have significant adverse impact on our results of operation and financial condition.

### ***Basis of Presentation, Investments, Disinvestments and Acquisitions***

On November 12, 2016, our Company acquired an additional stake of 14.78% in Orissa Steel Expressway Private Limited ("**OSEPL**") pursuant to which our total stake in OSEPL increased from 44.60% as on March 31, 2016 to 59.38% as on March 31, 2017. Subsequent to acquisition of such additional stake, OSEPL, which was our

‘associate’ for Fiscals 2016, 2015, 2014 and 2013 has become a subsidiary of our Company.

On October 28, 2016 and November 12, 2016, we acquired 27.08% and 20.91% stake, respectively, in Mahakaleshwar Tollways Private Limited (“**MTPL**”) pursuant to which MTPL became an ‘associate’ of our Company.

### Principles of Consolidation:

The consolidated financial statements relate to our Company and our Subsidiaries and Associates. Our Company, Subsidiaries and Associates are collectively referred to as 'the Group'. The consolidated financial statements of the Group have been prepared in accordance with Accounting Standard 21 (AS-21) "Consolidated Financial Statements" and Accounting Standard 23 (AS-23) "Accounting for Investments in Associates in Consolidated Financial Statements" notified by the Central Government under the Companies (Accounting Standards) Rules, 2006. The consolidated financial statements have been prepared on the following basis:

The financial statements of the Company and Subsidiaries have been combined on line by line basis by adding together the book value of like items of assets, liabilities, income and expenses after eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses.

In case of investments in Subsidiaries, where the shareholding is less than 100.00%, minority interest in the net assets of consolidated Subsidiaries consist of:

- i) The amount of equity attributable to minorities at the date on which investment in the subsidiary is made.
- ii) The minorities' share of movements in equity since the date the holding-subsidiary relationship came into existence.

Uniform accounting policies for like transactions and other events in similar circumstances have been adopted and presented, to the extent possible, in the same manner as our Company's separate financial statements.

The excess of cost of our Company of its investment in a Subsidiary over our Company's portion of equity of such Subsidiary as at the date of investment is recognised in the consolidated financial statements as goodwill. It is tested for impairment on a periodic basis and written-off, if found impaired.

The excess of the Company's portion of equity of a subsidiary over cost as at the date of investment, is treated as capital reserve. Investment in Associate is accounted using the equity method and disclosed separately in the Consolidated Balance Sheet.

Since the whole amount of interest capitalised has been decapitalised, the difference of the restated cost with sale price has been credited to the statement of profit and loss as profit on sale of long term investment. ### **Financial Condition, Liquidity and Capital Resources**

We operate in a capital-intensive industry and our principal liquidity requirements have been to finance our working capital needs and our capital expenditures. Our business requires high levels of financing to develop, operate and maintain our projects. To fund these costs, we have historically relied on equity contribution, sales of equity and debt securities, short term and long terms borrowings, including working capital financing, loans from related parties and others and cash generated from operating activities.

Our short-term liquidity requirements relate to servicing our debt, operating and maintaining our projects and financing working capital requirements. Our long-term liquidity requirements include construction of projects under development, financing equity contributions in Project SPVs and repayment of long-term debt under our facilities.

Our cash and cash equivalents, on consolidated basis, as of March 31, 2017 were ₹ 279.53 million.

### **Cash Flows**

Such transactions could be for the provision and receiving of services, purchase and sale of materials etc. For details of our related party transactions, please refer to the “*Restated Consolidated Financial Statements – Note 28*”.

### Seasonality

### Quantitative and Qualitative Disclosures About Market Risk

Market risk is the risk of loss related to adverse changes in market prices, including interest rate risk and commodity risk. We are exposed to commodity risk, interest rate risk and credit risk in the normal course of our business.

### **Interest Rate Risk**

As of March 31, 2017, our Company has outstanding secured loans of ₹ 4,495.61 million on a consolidated basis, out of which ₹ 3,795.61 million bore interest at floating rates. Therefore, fluctuations in interest rates could have the effect of increasing the interest due on our Company's outstanding debt and increases in such rates could make it more difficult for our Company to procure new debt on attractive terms. Our Company currently does not, and has no plans to engage in, interest rate derivative or swap activity.

### **Credit Risk**

We are exposed to credit risk on receivables owed to us by such Government Authorities for the services we provide. Further, tolls paid by means of cash are collected by toll collectors at the manual toll booths. If such Authorities do not pay us in a timely manner, or at all, or if the toll payments collected in cash are not made in a timely fashion, we may have to make provisions for or write-off such amounts.

### **Inflation**

India has experienced moderate inflation for the last 12 to 18 months, which has led to a decrease in interest rates. Inflation generally impacts the overall economy and business environment and hence could affect our business and results of operations.

### **Competitive Conditions**

We expect competition in the road and highway infrastructure sector from existing and potential competitors to intensify. For details, please refer to the chapters titled "*Risk Factors*" and "*Business*" on page 18 and 136, respectively.

### **Known Trends or Uncertainties**

Our business has been impacted and we expect will continue to be impacted by the trends identified above under "*Factors Affecting our Results of Operations*" and the uncertainties described in chapters titled "*Risk Factors*" on page 18. To our knowledge, except as we have described in this Red Herring Prospectus, there are no known factors, which are expected to have a material adverse impact on our revenues and results of operation.

### **Future Relationships between Costs and Income**

Other than as described in the chapters titled "*Risk Factors*", "*Business*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 18, 136 and 304, respectively, to our knowledge, no future relationship between expenditure and income is expected to have a material adverse impact on our operations and finances.

### **Significant Developments after March 31, 2017**

Except as otherwise disclosed elsewhere in this Red Herring Prospectus, there are no significant developments after the date of our financial statements contained in this Red Herring Prospectus which materially and adversely affects, or is likely to affect, our operations or profitability, or the value of our assets, or our ability to pay our material liabilities within the next 12 months.

Administrative and Other Expenses as a percentage of its total revenue were 16.57% and 24.56% for the Fiscal 2017 and Fiscal 2016, respectively.

*Finance Cost:* Finance expenses includes interest on term loans, interest on deferred and delayed payment of premium to NHAI, bank charges and interest on delayed payment of independent engineer fees. Finance cost as a percentage of its total revenue was 124.62% and 135.64% for the Fiscal 2017 and Fiscal 2016, respectively.

*Depreciation and amortisation expenses:* Depreciation and amortisation expenses include depreciation on tangible assets and intangible assets. Depreciation and amortisation expenses as a percentage of its total revenue was 18.69% and 19.12% for the Fiscal 2017 and Fiscal 2016, respectively.

**KEPL’s results of Operation****Fiscal 2017 compared to Fiscal 2016**

*Revenue from Operations:* Revenue from operations increased by 5.28% to ₹ 769.24 million for the Fiscal 2017 from ₹ 730.63 million for the Fiscal 2016. Despite decline in the Traffic volume as compared to Fiscal 2016, the Company was able to collect overloading charges amounting to ₹ 31.38 million in Fiscal 2017 which has compensated for traffic de-growth. Toll collection was undertaken for 341.73 days in Fiscal 2017 (due to demonetisation from November 9, 2016 to December 2, 2016) as compared to 359 days in Fiscal 2016 (due to Jat agitation in February 2016). KEPL has made a claim of ₹ 62.28 million for O&M expenses and interest costs for the 23 days in Fiscal 2017 when the toll collection was suspended by NHAI. KEPL had received and recognised an amount of ₹ 37.75 million as partial claim/immediate relief from NHAI against toll suspension due to demonetisation under revenue from operation in Fiscal 2017.

**Other Income:** Other income increased marginally to ₹ 1.51 million for the Fiscal 2017 from ₹ 1.16 million for the Fiscal 2016. This was due to KEPL receiving an amount of ₹ 1.27 million from NHAI in Fiscal 2017 for shifting utilities per the terms of the KEPL Concession Agreement, which is grouped under other income in Fiscal 2017. No such amounts were paid by NHAI in the Fiscal 2016. Additionally, the amount of ₹ 0.25 million earned in Fiscal 2017 was pursuant to interest income, income from sale of scrap and others and insurance claim.

**Total Revenue:** Total revenue increased by 5.33% to ₹ 770.76 million for the Fiscal 2017 from ₹ 731.79 million for the Fiscal 2016 for the reasons mentioned above.

**Employee Benefit Expenses:** Employee benefit expenses increased to ₹ 9.51 million in Fiscal 2017 from ₹ 4.76 million in Fiscal 2016 primarily due to increase in salary expenses due to annual appraisal, arrears on salary and appointment of new employees.

**O&M expenses:** O&M expenses increased by 17.80% to ₹ 105.38 million in Fiscal 2017 from ₹ 89.46 million in Fiscal 2016 primarily due to increase in cost of road repair and maintenance by ₹ 11.42 million, increase in toll operation charges by ₹ 4.62 million and payment of ₹ 3.77 million to NHAI independent engineer fees. No such amounts were paid to NHAI independent engineer in the Fiscal 2016. The increase in O&M expenses were partially offset by reduction in cash/asset/other loss expenses of ₹ 4.60 million incurred last year.

**NHAI Premium:** NHAI premium expenses increased marginally to ₹ 138.92 million for the Fiscal 2017 from ₹ 132.30 million for the Fiscal 2016. This increase was due to an increase in the yearly premium payable to NHAI per the annual escalation clause in the KEPL Concession Agreement. Additionally, pursuant to the KEPL Supplementary Agreement, the amount of premium deferred was duly provided.

**Administrative and Other Expenses:** Administration and other expenses decreased by 28.96% to ₹ 127.69 million for the Fiscal 2017 from ₹ 179.74 million for the Fiscal 2016 primarily due to lower provision for major maintenance expenses amounting to ₹ 109.20 million in Fiscal 2017 compared to provision of ₹ 163.70 million in the Fiscal 2016.

**Finance Cost:** Finance cost decreased by ₹ 32.13 million i.e. 3.24% to ₹ 960.48 million for the Fiscal 2017 from ₹ 992.61 million for the Fiscal 2016 primarily as a result of decrease in total principal amount of indebtedness outstanding during the year due to repayment of loan which was partially offset by interest on delayed payment on independent engineer fees and increase in provision for interest on deferred NHAI premium.

**Depreciation and amortisation expenses:** Depreciation and amortisation expenses increased marginally by 2.95% to ₹ 144.06 million for the Fiscal 2017 from ₹ 139.93 million for the Fiscal 2016. This was due to increase in revenue compared to last year as KEPL is following revenue based amortization as prescribed under Schedule II of the Companies Act.

**Profit/(Loss) after Tax:** Due to above reasons, KEPL's loss after tax decreased by 11.37% to ₹ 715.28 million for the Fiscal 2017 from its loss after tax of ₹ 807.00 million for the Fiscal 2016.

*NHAI Premium:* These expenses comprises of premium paid to NHAI. Further, KEPL had applied for a deferment of premium which was sanctioned by NHAI and a supplementary concession agreement dated January 15, 2016 was entered into between NHAI and KEPL (“**KEPL Supplementary Agreement**”) to record this. As a result, the amount of premium deferred has been duly provided by KEPL and interest at bank rate plus two percent has been included as finance cost. KEPL’s NHAI premium expenditure as a percentage of its total revenue was 19.64% and 20.46% for the Fiscal 2016 and Fiscal 2015 respectively.

*Office Administration and Other Expenses:* Office administration and other expenses primarily include electricity expenses, repairs and maintenance, legal and professional expenses, security agent fees, escrow agent fees, diesel for vehicles, business meeting expenses, advertisement expenses, rent, office expenses, guest house expenses, service tax, communication costs, travelling and conveyance, auditor’s remuneration, provision for major maintenance expenses and other expenses. ### Fiscal 2016 compared to Fiscal 2015.

*Revenue from Operations:* Revenue from operations increased by 12.23% to ₹ 730.63 million for the Fiscal 2016 from ₹ 651.04 million for the Fiscal 2015. KEPL received Provisional COD for an additional 11.64 km on September 30, 2014 (“**Second Provisional COD**”) and the toll rates were increased pursuant to a notification from the NHAI dated September 23, 2014 which was effective from October 1, 2014. Thus toll collection for

Fiscal 2016, at the increased rate and for the full length of the Project Road, was for a full year compared to five months for Fiscal 2015.

*Other Income:* Other income decreased by 91.06% to ₹ 1.16 million for the Fiscal 2016 from ₹ 12.97 million for the Fiscal 2015. This was due to KEPL receiving an amount of ₹ 12.97 million from NHAI in Fiscal 2015 for shifting utilities per the terms of the KEPL Concession Agreement dated July 13, 2010, which is grouped under other income in Fiscal 2016. No such amounts were paid by NHAI in the Fiscal 2016. Additionally, the amount of ₹ 1.16 million earned in Fiscal 2016 was pursuant to interest income, income from sale of scrap and others and insurance claim received.

*Total Revenue:* Total revenue increased by 13.63% to ₹ 731.79 million for the Fiscal 2016 from ₹ 644.01 million for the Fiscal 2015 for the reasons mentioned above.

*Direct Expenses:* Direct expenses increased by 20.87% to ₹ 97.12 million for the Fiscal 2016 from ₹ 80.35 million for the Fiscal 2015 due to an increase in operational and maintenance contract fees, route operational and maintenance fees and other expenses. This was due to an escalation in the price under the terms of the operations and maintenance contract dated January 1, 2016 between Feedback Birsa Highway OMT Private Limited and KEPL and receipt of the Second Provisional COD. In addition to this, in Fiscal 2016, KEPL incurred a cash/ asset/ other losses expense of ₹ 4.60 million due to the Jat quota agitation in Haryana in February, 2016. KEPL's toll plaza at Dighal was set on fire and tolling operations could not be undertaken at Dighal till February 29, 2016 and operations at the toll plaza at Gangayacha could not be operated till February 24, 2016. Also, toll expenses increased due to upgradation of the toll plazas and other expenses increased from ₹ 0.17 million to ₹ 7.82 million. These increases were partially offset by a decrease in diesel expenses pursuant to power lines being established to supply electricity to the toll plazas.

*Utility Shifting Expenses:* Utility shifting expenses of ₹ 12.97 million was incurred only in Fiscal 2015 for shifting utilities per the terms of the KEPL Concession Agreement. This amount was subsequently reimbursed by NHAI in the same year.

*NHAI Premium:* NHAI premium expenses increased by 5.76% to ₹ 143.69 million for the Fiscal 2016 from ₹ 135.86 million for the Fiscal 2015. This increase was due to NHAI charging a premium for the additional stretch which was commissioned pursuant to the Second Provisional COD as well as an increase in the yearly premium payable to NHAI per the annual escalation clause in the KEPL Concession Agreement. Additionally, pursuant to the KEPL Supplementary Agreement, the amount of premium deferred as well as interest on such amount at the bank rate plus two percent was duly provided.

*Office Administration and Other Expenses:* Office administration and other expenses increase by 1,637.03% to ₹ 176.84 million for the Fiscal 2016 from ₹ 10.19 million for the Fiscal 2015 primarily due to provision for major maintenance expenses of ₹ 163.70 million for which provisions have been created in Fiscal 2016 as compared to nil in Fiscal 2015, increase in electricity expenses and legal and professional expenses.

*Financial Expenses:* Finance cost increased by 2.35% to ₹ 981.22 million for the Fiscal 2016 from ₹ 958.74 million for the Fiscal 2015 primarily due to an increase in interest rates on term loans which was partially offset by a marginal decrease in interest rate on delayed payment of premium to NHAI.

*Depreciation & Amortisation of Fixed Assets:* Depreciation and amortisation expenses increased by 13.29% to ₹ 139.93 million for the Fiscal 2016 from ₹ 123.52 million for the Fiscal 2015. Intangible assets of KEPL are amortised in proportion to the revenue for the year to the projected revenue based on the toll revenue for the year to the projected revenue that is expected to be collected over the concession period in the manner prescribed under Schedule II of the Companies Act. As a result, there was an increase in amortisation due to an increase in the total revenues of KEPL.

*Profit/(Loss) for the period:* Due to above reasons, KEPL's loss after tax increased by 22.72% to ₹ 807.00 million for the Fiscal 2016 from its loss after tax of ₹ 657.62 million for the Fiscal 2015.

The scheduled project completion date of GIPL's project was extended pursuant to a supplementary agreement dated November 23, 2009 from March 21, 2009 to December 21, 2010 (i.e. 21 months). As a result of this the concession period was correspondingly increased from September 21, 2026 to September 22, 2028. The Company also requested NHAI for deferment of the second and subsequent instalments of negative grant payable to NHAI. NHAI approved the deferment of the negative grant instalments by 21 months subject to payment of interest on the deferred amount at bank rate plus two percent and signing a supplementary agreement for having no claim on account of deferment. GIPL has not accepted the conditional deferment proposal. The matter is under consideration by NHAI. In the absence of an agreement with NHAI, liability on account of negative grant has been booked, excluding interest thereon. Other expenses as a percentage of total revenue was 46.75%, 46.32% and 56.98% for Fiscals 2017, 2016 and Fiscal 2015, respectively.

#### ***Fiscal 2017 compared to Fiscal 2016.***

**Revenue from Operations:** Revenue from operations decreased marginally by 0.29% to ₹ 1,153.70 million in Fiscal 2017 from ₹ 1,157.00 million for the Fiscal 2016. Due to suspension of toll collection by NHAI from November 9, 2016 to December 2, 2016 due to demonetisation of ₹ 500 and ₹ 1000 notes, toll collection in Fiscal 2017 was undertaken for 341.73 days compared to 366 days in Fiscal 2016. Against the suspension of tolling NHAI has approved reimbursement of ₹ 35.01 million towards interest on debt and O & M expenses incurred by GIPL during the period tolling operations were suspended. However, since this amount was approved by NHAI post finalisation of Fiscal 2017 accounts, no provision for the same has been made.

**Other Income:** Other income increased by 148.74% to ₹ 39.50 million in Fiscal 2017 from ₹ 15.88 million for the Fiscal 2016. This was due to profit earned on redemption of mutual funds and revenue received from contract work undertaken.

**Total Revenue:** For the reasons mentioned above, total revenue increased marginally by 1.73% to ₹ 1,193.20 million in Fiscal 2017 from ₹ 1,172.88 million in Fiscal 2016.

**Employee Benefit Expenses:** Employee benefit expenses increased by 18.44% to ₹ 5.79 million in Fiscal 2017 from ₹ 4.89 million in Fiscal 2016, predominantly due to an increase in salary and allowances, appointment of new employees and increase in staff welfare expenses.

**Finance Costs:** Finance costs decreased by 5.02% to ₹ 470.32 million in Fiscal 2017 from ₹ 495.18 million in Fiscal 2016, primarily due to reduction in interest rates of borrowings from 10.81% to 10.60%.

**Depreciation & Amortisation of Fixed Assets:** Depreciation and amortisation expenses increased by 7.24% to ₹ 268.07 million in Fiscal 2017 from ₹ 249.96 million in Fiscal 2016 primarily on account of depreciation on additional capitalisation of ₹ 91.46 million being charged during the Fiscal 2017 due to GIPL having received COD on April 18, 2016.

**Other Expenses:** Other expenses increased marginally by 2.68% to ₹ 557.83 million in Fiscal 2017 from ₹ 543.30 million in Fiscal 2016, primarily due to an increase in general administrative and miscellaneous expenses by ₹ 2.62 million, contract work for an amount of ₹ 5.00 million, professional and legal fees increased by ₹ 3.20 million and increase in tolling agency fees and collection expenses by ₹ 3.68 million.

**Profit/(Loss) before exceptional and extraordinary items and tax:** Due to above reasons, GIPL's loss for the period decreased by 9.66% to a loss of ₹ 108.81 million in Fiscal 2017 from a loss of ₹ 120.44 million in Fiscal 2016.

#### ***Fiscal 2016 compared to Fiscal 2015.***

**Revenue from Operations:** Revenue from operations increased by 10.08% to ₹ 1,157.00 million for the Fiscal 2016 from ₹ 1,051.07 million for the Fiscal 2015 primarily due to an increase in traffic volumes.

**Other Income:** Other income increased by 52.59% to ₹ 15.88 million for the Fiscal 2016 from ₹ 10.41 million for the Fiscal 2015. This was due to profit earned on redemption of mutual funds.

**Total Revenue:** Total revenue increased by 10.50% to ₹ 1,172.88 million for the Fiscal 2016 from ₹ 1,061.47 million for the Fiscal 2015 for the reasons mentioned above.

**Employee Benefit Expenses:** Employee benefit expenses marginally increased due to an increase in salary and allowances, gratuity and staff welfare.

**Finance Costs:** Finance costs decreased by 3.20% to ₹ 495.17 million for the Fiscal 2016 from ₹ 511.55 million for the Fiscal 2015 primarily due to reduction in interest rates of borrowings.

**Depreciation & Amortisation of Fixed Assets:** Depreciation and amortisation expenses increased by 10.19% to ₹ 249.96 million for the Fiscal 2016 from ₹ 226.84 million for the Fiscal 2015. Intangible assets, representing toll rights of GIPL are amortised in proportion to the revenue for the year to the projected revenue (i.e.) based on the toll revenue for the year to the projected revenue that is expected to be collected over the balance concession period in the manner prescribed under Schedule II of the Companies Act. As a result, there was an increase in amortisation due to an increase in the total revenues of GIPL.

**Other Expenses:** Other expenses decreased by 10.18% to ₹ 543.30 million for the Fiscal 2016 from ₹ 604.86 million for the Fiscal 2015. This decrease was primarily on account of decrease in provision for major maintenance expenses and general administrative and miscellaneous expenses and route operations and maintenance costs which was partially offset by increase in tolling agency fees and collection expenses.

**Profit/(Loss) before exceptional and extraordinary items and tax:** Due to above reasons GIPL's loss before exceptional and extraordinary items and tax decreased by 57.89% to ₹ 120.44 million for the Fiscal 2016 from its loss of ₹ 286.00 million for the Fiscal 2015.

### Significant Developments after March 31, 2017.

NHAI has on May 5, 2017, approved a reimbursement of ₹ 35.01 million towards interest on debt and operations and maintenance expenses incurred by GIPL during the period tolling was suspended due to demonetization. GIPL has received an amount of ₹ 14.83 million in the month of June, 2017 towards part payment of the above approved amount.

*Revenue from Operations:* Revenue from operations decreased by 20.59% to ₹ 178.41 million in Fiscal 2017 from ₹ 224.68 million for the Fiscal 2016, due to:

- (a) As per the Directives of MPRDC, toll collection was suspended for 61 days i.e. from April 1, 2016 to May 31, 2016 due to the “Simhastha” event. MTPL has made a claim of ₹ 101.42 million to MPRDC for loss of revenue during this period. However, the claim amount is yet to be received from MPRDC.
- (b) Due to suspension of toll collection by MPRDC from November 9, 2016 to December 2, 2016 due to demonetisation of ₹ 500 and ₹ 1,000 notes, toll collection in Fiscal 2017 was undertaken for 280.73 days compared to 366 days in Fiscal 2016. MTPL has made a claim of ₹ 26.00 million for loss of revenue during this period however the claim is yet to be received from MPRDC.

*Other Income:* Other income increased to ₹ 7.64 million in Fiscal 2017 from ₹ 0.38 million in Fiscal 2016, primarily due to interest of ₹ 7.44 million accrued on fixed deposits.

*Total Revenue:* For the reasons mentioned above, total revenue decreased by 17.34% to ₹ 186.05 million in Fiscal 2017 from ₹ 225.06 million in Fiscal 2016.

*Employee Benefit Expenses:* Employee benefit expenses decreased by 50.29% to ₹ 9.41 million in Fiscal 2017 from ₹ 18.93 million in Fiscal 2016, primarily due to outsourcing of our operations from June 2016 to March 2017.

*Finance Costs:* Finance costs decreased by 21.10% to ₹ 228.55 million in Fiscal 2017 from ₹ 289.67 million in Fiscal 2016, primarily due to reduction in interest expenses. Such reduction was due to refinancing of our loans. Pursuant to the one-time settlement entered into with its lenders which reduced the outstanding debt to ₹ 1,650 million from ₹ 2,016.40 million and the rate of interest to 11.75% from 13.80%. For further details please refer to “Risk Factors - One of our Project SPVs, MTPL has in the past entered into one-time settlement with its lenders. We cannot assure you that similar situations may not arise in the future or that we will be able to make a settlement or refinance the loan facilities on terms that are acceptable to us” on page 25.

*Depreciation & Amortisation of Fixed Assets:* Depreciation and amortisation expenses decreased by 19.27% to ₹ 48.39 million in Fiscal 2017 from ₹ 59.94 million in Fiscal 2016, due to decrease in total revenues in the Fiscal

2017. MTPL follows revenue based amortization schedule as prescribed under Schedule II of the Companies Act.

*Other Expenses:* Other expenses increased by 87.50% to ₹ 47.27 million in Fiscal 2017 from ₹ 25.21 million in Fiscal 2016. This increase was primarily due to an increase of toll operating expenses on account of outsourcing of our tolling operations from June 2016 onwards.

#### ***Fiscal 2016 compared to Fiscal 2015***

*Revenue from Operations:* Revenue from operations increased by 3.11% to ₹ 224.68 million for the Fiscal 2016 from ₹ 217.91 million for the Fiscal 2015 primarily due to an increase in toll rates and a marginal increase in traffic volumes.

*Other Income:* Other income marginally decreased primarily due to lower volume of scrap sale in Fiscal 2016 vis-à-vis Fiscal 2015.

*Total Revenue:* Total revenue increased by 2.88% to ₹ 225.06 million for the Fiscal 2016 from ₹ 218.77 million for the Fiscal 2015 for the reasons mentioned above.

*Finance Costs:* Finance costs decrease by 11.99% to ₹ 289.67 million for the Fiscal 2016 from ₹ 329.12 million for the Fiscal 2015 primarily due to reduction in secured term loans from banks on account of scheduled repayment of secured loan instalments and reduction in interest rates.

*Depreciation & Amortisation of Fixed Assets:* Depreciation and amortisation expenses increased by 3.28% to ₹ 59.94 million for the Fiscal 2016 from ₹ 58.04 million for the Fiscal 2015. As a result, there was an increase in amortisation due to an increase in the total revenues of MTPL.

*Other Expenses:* Other expenses increased by 27.17% to ₹ 25.21 million for the Fiscal 2016 from ₹ 19.82 million for the Fiscal 2015. This increase was primarily on account of increase in legal and professional fees and maintenance expenses which was partially offset by a reduction in the toll operation expenses.

*Profit/(Loss) for the fiscal:* Due to above reasons MTPL's loss for the fiscal decreased by 18.01% to ₹ 168.69 million for the Fiscal 2016 from its loss of ₹ 205.74 million for the Fiscal 2015.

#### **Notes covered in the emphasis of matter by the Statutory Auditor of MTPL**

The statutory auditor of MTPL, has included an emphasis of matter without qualifying their opinion about non-recognition of the premium amount payable by MTPL to MPRDC for the Fiscal 2017, 2016 and 2015.

As per the MTPL Concession Agreement the available balance in the escrow account needs to be withdrawn every month as per the order specified in the escrow agreement dated February 23, 2010 ("**MTPL Escrow Agreement**"). As provided for in the MTPL Escrow Agreement, the priority of premium to MPRDC is after payments of all taxes due and payable, operation and maintenance expenses, debt servicing etc.

During all these three (3) years, revenue generated by MTPL was insufficient for payment of premium to MPRDC as per the above specified order of withdrawal under MTPL Escrow Agreement. The MTPL Concession Agreement does not provide for accrual of premium if the project revenue is insufficient for its payment. Hence, no provisions has been made in the books of accounts regarding the same.

Our Company has restated its consolidated accounts to give effect to the impact of emphasis of matter included in auditor's report to the audited financial statements of MTPL for the Fiscal 2017, 2016 and 2015 by making provision for premium (negative grant) payable to the MPRDC in the respective year. Consequently, the amount

of share of loss of MTPL is revised as a result of restatement of profits/(losses) of Associates for the respective period after the acquisition date. The amount of share of loss of Associates pertaining to period prior to the acquisition of Associates is adjusted against the goodwill/capital reserve arising on the acquisition of the Associates (wherever applicable). For further details please refer to the paragraph 1 of Annexure V of the Restated Consolidated Financial Statements disclosed on page 255.

#### ***Fiscal 2017 compared to Fiscal 2016***

**Revenue from Operations:** Revenue from operations increased by 46.57% to ₹ 1,480.28 million in Fiscal 2017 from ₹ 1,009.94 million for the Fiscal 2016. GAEPL started collecting toll pursuant to receipt of 1<sup>st</sup> Provisional COD received on June 23, 2015 for 103.89 km in Fiscal 2016. Pursuant to receipt of 2<sup>nd</sup> Provisional COD on November 25, 2016, GAEPL started collecting toll on an additional 19.41 km i.e. for 123.30 km. Also, the toll rates increased with effect from December 22, 2016. Further, due to suspension of toll collection by NHAI from November 9, 2016 to December 2, 2016 due to demonetisation, toll collection in Fiscal 2017 was undertaken for 341.73 days compared to 283 days in Fiscal 2016, GAEPL has made a claim of ₹ 94.74 million for loss of revenue during this period. As on March 31, 2017, GAEPL had received and recognised an amount of ₹ 85.27 million as partial claim/ immediate relief from NHAI against toll suspension due to demonetisation under revenue from operation in Fiscal 2017.

**Other Income:** Other income increased to ₹ 0.18 million in Fiscal 2017 from ₹ 0.13 million in Fiscal 2016, primarily due to interest on income tax refund of ₹ 0.08 million which was partly offset with decrease in other income.

**Total Revenue:** For the reasons mentioned above, total revenue increased by 46.57% to ₹ 1,480.46 million in Fiscal 2017 from ₹ 1,010.07 million in Fiscal 2016.

**Employee Benefit Expenses:** Employee benefit expenses increased by 41.68% to ₹ 41.46 million in Fiscal 2017 from ₹ 29.27 million in Fiscal 2016, primarily due to hiring of additional staff and increase of statutory wage in Fiscal 2017.

**Finance Costs:** Finance costs increased by 49.25% to ₹ 1,739.54 million in Fiscal 2017 from ₹ 1,165.53 million in Fiscal 2016, primarily due to increased borrowing in the Fiscal 2017. Further on achieving 2<sup>nd</sup> Provisional COD, the tollable length increased by 19.41 kms due to which the corresponding interest after December 22, 2016 was charged to profit and loss instead of capitalisation as compared to Fiscal 2016 wherein interest was capitalised from June 23, 2015, i.e. date of receipt of 1<sup>st</sup> Provisional COD.

**Depreciation & Amortisation of Fixed Assets:** Depreciation and amortisation expenses increased by 6.03% to ₹ 123.93 million in Fiscal 2017 from ₹ 116.88 million in Fiscal 2016 due to increase in toll revenue from increased toll road length in Fiscal 2017 as compared to Fiscal 2016. Intangible assets of GAEPL are amortised in proportion to the revenue for the year versus the projected revenue expected to be collected over the concession period in the manner prescribed under Schedule II of the Companies Act. As a result, there was an increase in amortisation due to an increase in the total revenues of GAEPL and also due to increase in the Value of Intangible Assets on 2<sup>nd</sup> Provisional COD.

**Other Expenses:** Other expenses increased by 24.44% to ₹ 89.42 million in Fiscal 2017 from ₹ 71.86 million in Fiscal 2016. This increase was primarily due increase in power and fuel expenses, highway maintenance expense etc. due to increased length of project road in Fiscal 2017 compared with the road length in Fiscal 2016, which was partially offset due to reduction in toll administration expenses. Further part of above expenses which were being capitalised till June 23, 2015 were, on achieving 2<sup>nd</sup> Provisional COD, together with the additional expenses for the additional 19.41 kms, was charged to profit and loss instead of being capitalised post December 22, 2016.

**Profit/(Loss) for the period:** Due to above reasons, GAEPL's loss after tax increased by 37.60% to a loss of ₹ 513.90 million in Fiscal 2017 from a loss of ₹ 373.46 million in Fiscal 2016.

The existence of such an obligation would result in an instrument being classified as a financial liability. Only instruments that allow the issuer to unconditionally avoid making any payment are considered to be equity instruments.<br>Dividends on financial instruments classified as financial liability are recognised as an interest expense in the statement of profit or loss and other comprehensive income. |

(d) Other material pending litigations:

1. Girish Babu G and Krishnan K P (collectively, "**Petitioners**") filed a writ petition against GIPL, NHAI and others (collectively, "**Respondents**") before the High Court of Kerala ("**Court**") ("**Petition**"). The Petitioners have *inter alia* claimed that (a) GIPL has started levying toll from the public before completing the construction of the NH 47 Mannuthy Edappally stretch ("**Highway**") and the service road; (b) GIPL has been arbitrarily charging the toll rates from the public; (c) GIPL has not provided basic facilities, *inter alia* an ambulance, pick-up van, emergency call system at the Highway as stipulated under the Concession Agreement dated March 27, 2006 executed between NHAI and GIPL ("**Concession Agreement**"); and (d) GIPL while operating the Highway, is in violation of the Concession Agreement without completing the list of pending items as stipulated in the Provisional Certificate dated December 5, 2011 issued by an independent consultant ("**Provisional Certificate**"). Through the Petition, the Petitioners has sought a writ of mandamus directing the Respondents not to levy toll before completing the facilities agreed to be provided under (a) the Concession Agreement; and (b) the Provisional Certificate. The matter is currently pending.
2. P.D Jose ("**Petitioner**") filed a writ petition against GIPL, NHAI ("**Respondent 1**"), Joji ("**Respondent 2**"), Joy ("**Respondent 3**") and others before the High Court of Kerala ("**Court**") ("**Petition**"). The Petitioner owns a shopping complex situated at National Highway 47, where GIPL operates as the concessionaire. The Petitioner has *inter alia* claimed that (a) the shops of Respondent 2 and Respondent 3, along with a portion of the shops owned by the Petitioner, were acquired for the construction of a bell mouth at the Koratty Junction of the highway, and a majority of the shops of Respondent 2 and Respondent 3 were demolished and the rest was marked for demolition; (b) despite this, Respondent 2 and Respondent 3 have trespassed into the acquired land and opened their shops again; (c) Respondent 2 and Respondent 3 have also filed a petition before the Munsif Court, Calakuddy requesting a permanent prohibitory injunction to restrain GIPL and NHAI from demolishing the building and a mandatory injunction to restore the portions of the building which were already demolished. However, this petition was dismissed. Despite this order and several requests made by the Petitioner, nothing had been done to remove Respondent 2 and Respondent 3 from the premises and demolish the building; and (d) this affects the Petitioner's right of way, which is required to be provided as per the Concession Agreement dated March 27, 2006 executed between GIPL and NHAI. Through the Petition, the Petitioner has sought a writ of mandamus, against GIPL and NHAI, directing them to take immediate steps to demolish the portion of the building put up by Respondent 2 and Respondent 3. The matter is currently pending.
3. Joy Kaitharath Monody and Suresh V R (collectively, "**Petitioners**") filed a writ petition against GIPL, Union of India ("**Respondent 1**"), NHAI ("**Respondent 2**"), Project Director, NHAI ("**Respondent 3**"), State of Kerala ("**Respondent 4**"), M C Mohan, Project Director, GIPL ("**Respondent 6**"), Central Bureau of Investigation ("**Respondent 7**") and others before the High Court of Kerala ("**Court**") ("**Petition**"). and prior to the receipt of a provisional certificate from an independent consultant; and (d) the method for calculating the toll rate is also erroneous. Through the Petition, the Petitioners have sought (a) to issue a writ of mandamus, directing Respondent 7 to conduct an investigation of (i) the manner in which GIPL was constituted and was permitted to enter into the Concession Agreement; (ii) the method by which GIPL has been given authority to collect the toll pertaining to Angamaly-Edapally Road; and (iii) the manner in which GIPL has executed the work relating to the Highway; (b) to declare that (i) the allotment of work relating the Highway is illegal, ultra vires and unconstitutional; and (ii) the collection of toll is unjust, illegal and unconstitutional; and (c) to issue a writ of mandamus directing (i) Respondent 1 to constitute an independent body/committee to assess the actual expenditure incurred on the Highway, and to reassess the method of calculating toll rates; (ii) Respondent 1 to Respondent 4 to ensure that toll collection in relation to the Highway to be stopped or reassessed; and (iii) Respondent 1 to Respondent 3 to review the agreements entered into between NHAI and GIPL and to reassess the amount incurred as expenditure for the work done and the rate of toll levied. Certain factors need to be taken into consideration while determining the rate of toll, which have been ignored by Respondent 2 and hence Notification 2 is illegal and unsustainable. Through the Petition, the Petitioner has sought (a) to issue a writ of certiorari to call for records leading to the Notification; (b) to declare that Respondent 2, Respondent 3 and GIPL are not entitled to collect fees for the Highway; and (c) to issue a writ of mandamus directing Respondent 2, Respondent 3 and GIPL to not to collect toll fee for the use of portion of Highway. On May 28, 2015, an interim order was passed by this Court stating that status quo ought to be maintained in this matter. Through the Petition, the Petitioner has sought a writ of certiorari against a notice passed by the chief operating officer, NHAI, which stated that the Petitioner was encroaching upon the land where GIPL is operating. 1. SJEPL filed an arbitration proceeding, against NHAI (“**Respondent**”), over claims of violation of the terms of the Concession Agreement dated August 6, 2010 executed between SJEPL and NHAI (“**Concession Agreement**”), before an arbitral tribunal instituted according to the Concession Agreement. The dispute concerns the collection of tolls for the bridge at the Mahanadi river. The Respondent had forwarded a draft fee notification (“**Draft Fee Notification**”) to SJEPL, and sought their comments on the same. SJEPL pointed out that the Draft Fee Notification did not provide for collection of toll at the Mahanadi river, which as per the concession period could be collected if the cost of the

bridge exceeded ₹ 500.00 million. After internal discussions by the Respondent, the Respondent made a decision that toll could be collected for the Mahanadi bridge post the completion of the bridge and the six lane project, despite SJEPL's request that the toll be collected prior to the completion of the bridge and six lane project. Pursuant to this, SJEPL was asked to give an unconditional consent to the Draft Fee Notification, to which it consented after protests. After completing the construction of the Mahanadi bridge, SJEPL vide a letter dated April 24, 2014, requested the Respondent to revise the fee notification, as had been previously agreed by the parties. This request was rejected by the Respondents by a letter dated May 28, 2014. Post this, an attempt to amicably settle the dispute, as required by the Concession Agreement, was made, by approaching a committee consisting of three CGMs. However, pursuant to the view taken by the committee that SJEPL was not entitled to any additional toll, a claim for arbitration was sought. SJEPL has sought damages aggregating to an amount of ₹ 1,041.00 million as damage till June 2016, for losses caused to them due to the denial of tolling, as well as interest towards the amount. The matter is currently pending.

Such Bids that cannot be uploaded on the electronic bidding system will not be considered for allocation under this Issue. Bids will only be accepted on Working Days. Investors may please note that as per letter no. List/smd/sm/2006 dated July 3, 2006 and letter no. **In case of any revision in the Price Band, the Bid/Issue Period shall be extended for at least three Working Days after such revision of the Price Band, subject to the total Bid/Issue Period not exceeding 10 Working Days. Any revision in the Price Band, and the revised Bid/Issue Period, if applicable, shall be widely disseminated by notification to the Stock Exchanges by issuing a press release and also by indicating the change on the websites of the BRLMs and at the terminals of the Syndicate Members, as required under the SEBI ICDR Regulations.**

Instructions to fill each field of the Revision Form can be found on the reverse side of the Revision Form. Other than instructions already highlighted at paragraph 4.1 above, point wise instructions regarding filling up various fields of the Revision Form are provided below:

**4.2.1 FIELDS 1, 2 AND 3: NAME AND CONTACT DETAILS OF SOLE/FIRST BIDDER/APPLICANT, PAN OF SOLE/FIRST BIDDER/APPLICANT AND DEPOSITORY ACCOUNT DETAILS OF THE BIDDER/APPLICANT**

Bidders/Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

**4.2.2 FIELD 4 AND 5: BID OPTIONS REVISION 'FROM' AND 'TO'**

- (a) Apart from mentioning the revised options in the Revision Form, the Bidder/Applicant must also mention the details of all the bid options given in his or her Bid cum Application Form or earlier Revision Form. For example, if a Bidder/Applicant has Bid for three options in the Bid cum Application Form and such Bidder/Applicant is changing only one of the options in the Revision Form, the Bidder/Applicant must still fill the details of the other two options that are not being revised, in the Revision Form. The Designated Intermediaries may not accept incomplete or inaccurate Revision Forms.
- (b) In case of revision, Bid options should be provided by Bidders/Applicants in the same order as provided in the Bid cum Application Form.
- (c) In case of revision of Bids by RIIs, Employees and Retail Individual Shareholders, such Bidders/Applicants should ensure that the Bid Amount, subsequent to revision, does not exceed ₹ 200,000.00. In case the Bid Amount exceeds ₹ 200,000.00 due to revision of the Bid or for any other reason, the Bid may be considered, subject to eligibility, for allocation under the Non-Institutional Category, not being eligible for Discount (if applicable) and such Bid may be rejected if it is at the Cut-off Price. The Cut-off Price option is given only to the RIIs, Employees and Retail Individual Shareholders indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process.
- (d) In case the total amount (i.e., original Bid Amount plus additional payment) exceeds ₹ 200,000.00, the Bid will be considered for allocation under the Non-Institutional Portion in terms of the RHP/Prospectus. If, however, the RII does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the RII and the RII is deemed to have approved such revised Bid at Cut-off Price.
- (e) In case of a downward revision in the Price Band, RIIs who have bid at the Cut-off Price could either revise their Bid or the excess amount paid at the time of bidding may be unblocked after finalisation of the basis of allotment.

**4.2.3 FIELD 6: PAYMENT DETAILS**

- (a) All Bidders/Applicants are required to authorise that the full Bid Amount (less Discount (if applicable) is blocked in the ASBA Accounts. In case of Bidders/Applicants specifying more than one Bid Option in the Bid cum Application Form, the total Bid Amount may be calculated for the highest of three options at net price, i.e. Bid price less discount offered, if any.
- (b) Bidder/Applicant may issue instructions to block the revised amount based on cap of the revised Price Band (adjusted for the Discount (if applicable) in the ASBA Account, to the same Designated Intermediary through whom such Bidder/Applicant had placed the original Bid to enable the relevant SCSB to block the additional Bid Amount, if any.
- (c) In case the total amount (i.e., original Bid Amount less discount (if applicable) plus additional payment) exceeds ₹ 200,000.00, the Bid may be considered for allocation under the Non-Institutional Category in terms of the RHP/Prospectus. If, however, the Bidder/Applicant does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for may be adjusted downwards for the purpose of allotment, such that no additional payment is required from the Bidder/Applicant and the Bidder/Applicant is deemed to have approved such revised Bid at the Cut-off Price.
- (d) In case of a downward revision in the Price Band, RIIs, Employees and Retail Individual Shareholders, who have bid at the Cut-off Price, could either revise their Bid or the excess amount blocked at the time of bidding may be unblocked after finalisation of the basis of allotment.

#### 4.2.4 FIELDS 7: SIGNATURES AND ACKNOWLEDGEMENTS

Bidders/Applicants may refer to instructions contained at paragraphs 4.1.8 and 4.1.9 for this purpose.

### 4.3 INSTRUCTIONS FOR FILING APPLICATION FORM IN ISSUES MADE OTHER THAN THROUGH THE BOOK BUILDING PROCESS (FIXED PRICE ISSUE)

#### 4.3.1 FIELDS 1, 2, 3 NAME AND CONTACT DETAILS OF SOLE/FIRST BIDDER/APPLICANT, PAN OF SOLE/FIRST BIDDER/APPLICANT AND DEPOSITORY ACCOUNT DETAILS OF THE BIDDER/APPLICANT

Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

#### 4.3.2 FIELD 4: PRICE, APPLICATION QUANTITY AND AMOUNT

- (a) The Issuer may mention Issue Price or Price band in the draft Prospectus. However a prospectus registered with RoC contains one price or coupon rate (as applicable).
- (b) **Minimum Application Value and Bid Lot:** The Issuer, in consultation with the Lead Manager to the Issue (LM) may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹ 10,000.00 to ₹ 15,000.00. The minimum Lot size is accordingly determined by an Issuer on basis of such minimum application value.
- (c) Applications by RIIs, Employees and Retail Individual Shareholders, must be for such number of shares so as to ensure that the application amount payable does not exceed ₹ 200,000.00.
- (d) Applications by other investors must be for such minimum number of shares such that the application amount exceeds ₹ 200,000.00 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the application form and the Prospectus, or as advertised by the Issuer, as the case may be.
- (e) An application cannot be submitted for more than the Issue size.
- (f) The maximum application by any Applicant should not exceed the investment limits prescribed for them under the applicable laws.
- (g) **Multiple Applications:** An Applicant should submit only one Application Form. Submission of a second Application Form to either the same or other SCSB and duplicate copies of Application Forms bearing the same application number shall be treated as multiple applications and are liable to be rejected.
- (h) Applicants are requested to note the following procedures may be followed by the Registrar to the Issue to detect multiple applications:
  - (i) All applications may be checked for common PAN as per the records of the Depository. For Applicants other than Mutual Funds and FII sub-accounts, Bids bearing the same PAN may be treated as multiple applications by a Bidder/Applicant and may be rejected.
  - (ii) For applications from Mutual Funds and FII sub-accounts, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Applicants, the Application Forms may be checked for common DP ID and Client ID. In any such applications which have the same DP ID and Client ID, these may be treated as multiple applications and may be rejected.
- (i) The following applications may not be treated as multiple Bids:
  - (i) Separate applications by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Applications clearly indicate the scheme for which the Bid has been made.
  - (ii) Applications by Mutual Funds, and sub-accounts of FIIs (or FIIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.

#### 4.3.3 FIELD NUMBER 5: CATEGORY OF APPLICANTS

- (a) The categories of applicants identified as per the SEBI ICDR Regulations, 2009 for the purpose of Bidding, allocation and allotment in the Issue are RIIs, individual applicants other than RII's and other investors (including corporate bodies or institutions, irrespective of the number of specified securities applied for).

- (c) For allocation in the event of an under-subscription applicable to the Issuer, Bidders/Applicants may refer to the RHP.

#### (d) Illustration of the Book Building and Price Discovery Process

*Bidders should note that this example is solely for illustrative purposes and is not specific to the Issue; it also excludes bidding by Anchor Investors.*

Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹ 20.00 to ₹ 24.00 per share, Issue size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the Issuer at various prices and is collated from Bids received from various investors.

| Bid Quantity | Bid Amount (in ₹) | Cumulative Quantity | Subscription |
|--------------|-------------------|---------------------|--------------|
| 500          | 24.00             | 500                 | 16.67%       |
| 1,000        | 23.00             | 1,500               | 50.00%       |
| 1,500        | 22.00             | 3,000               | 100.00%      |
| 2,000        | 21.00             | 5,000               | 166.67%      |
| 2,500        | 20.00             | 7,500               | 250.00%      |

The price discovery is a function of demand at various prices. The highest price at which the Issuer is able to Issue the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹ 22.00 in the above example. The Issuer, in consultation with the BRLMs (other than SCML) may finalise the Issue Price at or below such Cut-Off Price, i.e., at or below ₹ 22.00. All Bids at or above this Issue Price and cut-off Bids are valid Bids and are considered for allocation in the respective categories.

#### (e) Alternate Method of Book Building

In case of FPOs, Issuer may opt for an alternate method of Book Building in which only the Floor Price is specified for the purposes of bidding ("**Alternate Book Building Process**").

QIBs may Bid at a price higher than the Floor Price and the Allotment to the QIBs is made on a price priority basis. The Bidder with the highest Bid Amount is allotted the number of Equity Shares Bid for and then the second highest Bidder is Allotted Equity Shares and this process continues until all the Equity Shares have been allotted. RIIs, NIIs and Employees are Allotted Equity Shares at the Floor Price and allotment to these categories of Bidders is made proportionately. If the number of Equity Shares Bid for at a price is more than available quantity then the allotment may be done on a proportionate basis. Further, the Issuer may place a cap either in terms of number of specified securities or percentage of issued capital of the Issuer that may be allotted to a single Bidder, decide whether a Bidder be allowed to revise the bid upwards or downwards in terms of price and/or quantity and also decide whether a Bidder be allowed single or multiple bids.

### SECTION 6: ISSUE PROCEDURE IN FIXED PRICE ISSUE

Applicants may note that there is no Bid cum Application Form in a Fixed Price Issue. As the Issue Price is mentioned in the Fixed Price Issue therefore on filing of the Prospectus with the RoC, the Application so submitted is considered as the application form.

Applicants may only use the specified Application Form for the purpose of making an Application in terms of the Prospectus which may be submitted through a Designated Intermediary.

ASBA Applicants may submit an Application Form either in physical form to the Syndicate Members or Registered Brokers or the Designated Branches of the SCSBs or in the electronic form to the SCSB or the Designated Branches of the SCSBs authorising blocking of funds that are available in the bank account specified in the Application Form only ("**ASBA Account**"). The Application Form is also made available on the websites of the Stock Exchanges at least one day prior to the Bid/Issue Opening Date.

In a fixed price Issue, allocation in the Issue to the public category is made as follows: minimum fifty per cent to Retail Individual Investors; and remaining to (i) individual investors other than Retail Individual Investors; and (ii) other Applicants including corporate bodies or institutions, irrespective of the number of specified securities applied for. The unsubscribed portion in either of the categories specified above may be allocated to the Applicants in the other category.

For details of instructions in relation to the Application Form, Bidders/Applicants may refer to the relevant section of the GID.

## **SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT**

The allotment of Equity Shares to Bidders/Applicants other than Retail Individual Investors and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to RHP/Prospectus. No Retail Individual Investor will be allotted less than the minimum Bid Lot subject to availability of shares in Retail Individual Investor Category and the remaining available shares, if any will be allotted on a proportionate basis. The Issuer is required to receive a minimum subscription of 90.00% of the Issue (excluding any Offer for Sale of specified securities). However, in case the Issue is in the nature of Offer for Sale only, then minimum subscription may not be applicable.

### **7.1 ALLOTMENT TO RIIs**

Bids received from the RIIs at or above the Issue Price may be grouped together to determine the total demand under this category. If the aggregate demand in this category is less than or equal to the Retail Category at or above the Issue Price, full Allotment may be made to the RIIs to the extent of the valid Bids. If the aggregate demand in this category is greater than the allocation to in the Retail Category at or above the Issue Price, then the maximum number of RIIs who can be Allotted the minimum Bid Lot will be computed by dividing the total number of Equity Shares available for Allotment to RIIs by the minimum Bid Lot ("**Maximum RII Allottees**"). The Allotment to the RIIs will then be made in the following manner:

(a) In the event the number of RIIs who have submitted valid Bids in the Issue is equal to or less than Maximum RII Allottees, (i) all such RIIs shall be Allotted the minimum Bid Lot; and (ii) the balance available Equity Shares, if any, remaining in the Retail Category shall be Allotted on a proportionate basis to the RIIs who have received Allotment as per (i) above for the balance demand of the Equity Shares Bid by them (i.e. who have Bid for more than the minimum Bid Lot).

(b) In the event the number of RIIs who have submitted valid Bids in the Issue is more than Maximum RII Allottees, the RIIs (in that category) who will then be allotted minimum Bid Lot shall be determined on the basis of draw of lots.

### **7.2 ALLOTMENT TO NIIs**

Bids received from NIIs at or above the Issue Price may be grouped together to determine the total demand under this category. The allotment to all successful NIIs may be made at or above the Issue Price. If the aggregate demand in this category is less than or equal to the Non-Institutional Category at or above the Issue Price, full allotment may be made to NIIs to the extent of their demand. In case the aggregate demand in this category is greater than the Non-Institutional Category at or above the Issue Price, allotment may be made on a proportionate basis up to a minimum of the Non-Institutional Category.

### **7.3 ALLOTMENT TO QIBs**

For the Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to the SEBI ICDR Regulations, 2009 or RHP / Prospectus. Bids received from QIBs bidding in the QIB Category (net of Anchor Portion) at or above the Issue Price may be grouped together to determine the total demand under this category. The QIB Category may be available for allotment to QIBs who have Bid at a price that is equal to or greater than the Issue Price. Allotment may be undertaken in the following manner:

(a) In the first instance allocation to Mutual Funds for up to 5.00% of the QIB Category may be determined as follows: (i) In the event that Bids by Mutual Fund exceeds 5.00% of the QIB Category, allocation to Mutual Funds may be done on a proportionate basis for up to 5.00% of the QIB Category; (ii) In the event that the aggregate demand from Mutual Funds is less than 5.00% of the QIB Category then all Mutual Funds may get full allotment to the extent of valid Bids received above the Issue Price; and (iii) Equity Shares remaining unsubscribed, if any and not allocated to Mutual Funds may be available for allotment to all QIBs as set out at paragraph 7.3(b) below;

(b) In the second instance, allotment to all QIBs may be determined as follows: (i) In the event of oversubscription in the QIB Category, all QIBs who have submitted Bids above the Issue Price may be Allotted Equity Shares on a proportionate basis for up to 95.00% of the QIB Category; (ii) Mutual Funds, who have received allocation as

per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis along with other QIBs; and (iii) Under-subscription below 5.00% of the QIB Category, if any, from Mutual Funds, may be included for allocation to the remaining QIBs on a proportionate basis.

#### **7.4 ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)**

(a) Allocation of Equity Shares to Anchor Investors at the Anchor Investor Issue Price will be at the discretion of the Issuer, in consultation with the BRLMs (other than SCML), subject to compliance with the following requirements:

- (ii) one-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors; and
- (iii) allocation to Anchor Investors shall be on a discretionary basis and subject to:
  - a maximum number of two Anchor Investors for allocation up to ₹ 100.00 million;
  - a minimum number of two Anchor Investors and maximum number of 15 Anchor Investors for allocation of more than ₹ 100.00 million and up to ₹ 2,500.00 million subject to minimum allotment of ₹ 50.00 million per such Anchor Investor; and

(b) A physical book is prepared by the Registrar on the basis of the Anchor Investor Application Forms received from Anchor Investors. Based on the physical book and at the discretion of the Issuer, in consultation with the BRLMs, selected Anchor Investors will be sent a CAN and if required, a revised CAN.

(c) **In the event that the Issue Price is higher than the Anchor Investor Issue Price:** Anchor Investors will be sent a revised CAN within one day of the Pricing Date indicating the number of Equity Shares allocated to such Anchor Investor and the pay-in date for payment of the balance amount. Anchor Investors are then required to pay any additional amounts, being the difference between the Issue Price and the Anchor Investor Issue Price, as indicated in the revised CAN within the pay-in date referred to in the revised CAN. Thereafter, the Allotment Advice will be issued to such Anchor Investors.

(d) **In the event the Issue Price is lower than the Anchor Investor Issue Price:** Anchor Investors who have been Allotted Equity Shares will directly receive Allotment Advice.

#### **7.5 BASIS OF ALLOTMENT FOR QIBs (OTHER THAN ANCHOR INVESTORS) AND NIIs IN CASE OF OVER-SUBSCRIBED ISSUE**

In the event of the Issue being over-subscribed, the Issuer may finalise the Basis of Allotment in consultation with the Designated Stock Exchange in accordance with the SEBI ICDR Regulations, 2009.

The allocation may be made in marketable lots, on a proportionate basis as explained below:

- (a) Bidders may be categorized according to the number of Equity Shares applied for;
- (b) The total number of Equity Shares to be Allotted to each category as a whole may be arrived at on a proportionate basis, which is the total number of Equity Shares applied for in that category (number of Bidders in the category multiplied by the number of Equity Shares applied for) multiplied by the inverse of the over-subscription ratio;
- (c) The number of Equity Shares to be Allotted to the successful Bidders may be arrived at on a proportionate basis, which is total number of Equity Shares applied for by each Bidder in that category multiplied by the inverse of the over-subscription ratio;
- (d) In all Bids where the proportionate allotment is less than the minimum bid lot decided per Bidder, the allotment may be made as follows: the successful Bidders out of the total Bidders for a category may be determined by

a draw of lots in a manner such that the total number of Equity Shares Allotted in that category is equal to the number of Equity Shares calculated in accordance with (b) above; and each successful Bidder may be Allotted a minimum of such Equity Shares equal to the minimum Bid Lot finalised by the Issuer;

- (e) If the proportionate allotment to a Bidder is a number that is more than the minimum Bid lot but is not a multiple of one (which is the marketable lot), the decimal may be rounded off to the higher whole number if that decimal is 0.5 or higher. If that number is lower than 0.5 it may be rounded off to the lower whole number. Allotment to all bidders in such categories may be arrived at after such rounding off; and
- (f) If the Equity Shares allocated on a proportionate basis to any category are more than the Equity Shares Allotted to the Bidders in that category, the remaining Equity Shares available for allotment may be first adjusted against any other category, where the Allotted Equity Shares are not sufficient for proportionate allotment to the successful Bidders in that category. ## RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the GoI, the FDI Policy (as defined below) and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The government bodies responsible for granting foreign investment approvals are the FIPB and the RBI.

The Government has from time to time made policy pronouncements on foreign direct investment (“**FDI**”) through press notes and press releases. The Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, GoI (“**DIPP**”), issued the Consolidated FDI Policy Circular of 2016 by way of circular number D/o IPP F. No. 5(1)/2016-FC-1 dated June 7, 2016 (“**FDI Policy**”), which with effect from June 7, 2016, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DIPP that were in force and effect as on June 7, 2016. The Government proposes to update the consolidated circular on FDI policy once every year and therefore, FDI Policy will be valid until an updated circular is issued by the DIPP.

FPIs and FIIs can invest under the PIS in compliance with the provisions of Schedule 2 and Schedule 2A of the Foreign Exchange Management (Transfer of Issue of Security by a Person Resident Outside India) Regulations, 2000 (“**FEMA Regulations**”).

As per the existing policy of the GoI, OCBs cannot participate in this Issue. The transfer of shares between an Indian resident and a non-resident would be *per* the FDI Policy and amendments thereto.

| <b>Company's Lien</b> | <p>A. ON SHARES:</p> <p>(a) The Company shall have a first and paramount lien:</p> <p>(i) on every share (not being a fully paid share), for all money (whether presently payable or not) called, or payable at a fixed time, in respect of that share;</p> <p>(ii) on all shares (not being fully paid shares) standing registered in the name of a single Person, for all money presently payable by him or his estate to the Company.</p> <p>Provided that, the Board may at any time, declare any shares wholly or in part to be exempt from the provisions of this Article.</p> <p>(b) The Company's lien, if any, on the shares, shall extend to all the Dividends payable and bonuses declared from time to time in respect of such shares.</p> <p>(c) Unless otherwise agreed, the registration of the Transfer of shares shall operate as a waiver of the Company's lien, if any, on such shares. The fully Paid up shares shall be free from all lien and that in case of partly paid shares, the Company's lien shall be restricted to money called or payable at a fixed price in respect of such shares.</p> <p>(d) For the purpose of enforcing such lien, the Board may sell the shares, subject thereto in such manner as they shall think fit, and may authorize one of their Shareholders to execute and register the Transfer thereof on behalf of and in the name of any purchaser. The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.</p> <p>Provided that no sale shall be made:</p> <p>(i) Unless a sum in respect of which the lien exists is presently payable; or</p> <p>(ii) Until the expiration of 14 days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the Person entitled thereto by reason of his death or insolvency.</p> <p>The net proceeds of any such sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable. The residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the shares before the sale) be paid to the Person entitled to the shares at the date of the sale.</p> <p>(e) No Shareholder shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.</p> |

Several Executors or Administrators of a deceased Shareholder in whose name shares stand shall for the purpose of these Articles be deemed joint-holders thereof.</p> <p>(g) Subject to the provision of these Articles, votes may be given personally or by an attorney or by proxy. A body corporate, whether or not a Company within the meaning of the Act, being a Shareholder may vote either by a proxy or by a representative duly authorized in accordance with section 113 of the Act and such representative shall be entitled to exercise the same rights and powers, (including the right to vote by proxy), on behalf of the body corporate which he represents as that body could have exercised if it were an individual Shareholder.</p> <p>(h) Any Person entitled to Transfer any shares of the Company may vote at any General Meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight hours at least before the time of holding the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his right to such shares and give such indemnity (if any) as the Board may require unless the Board shall have previously admitted his right to vote at such meeting in respect thereof.</p> <p>(i) Every proxy, (whether a Shareholder or not), shall be appointed in writing under the hand of the appointer or his attorney, or if such appointer is a corporation under the common seal of such corporation or be signed by an officer or an attorney duly authorized by it, and any committee or guardian may appoint proxy. The proxy so appointed shall not have any right to speak at a meeting.</p> <p>(j) An instrument of proxy may appoint a proxy either for (i) the purposes of a particular meeting (as specified in the instrument); or (ii) for any adjournment thereof; or (iii) it may appoint a proxy for the purposes of every meeting of the Company; or (iv) of every meeting to be held before a date specified in the instrument for every adjournment of any such meeting.</p> <p>(k) A Shareholder present by proxy shall be entitled to vote only on a poll.</p> <p>(l) An instrument appointing a proxy and a power of attorney or other authority (including by way of a Board Resolution, (if any), under which it is signed or a notarially certified copy of that power or authority or resolution as the case may be, shall be deposited at the Office not later than forty-eight hours before the time for holding the meeting at which the Person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. An attorney shall not be entitled to vote unless the power of attorney or other instrument or resolution as the case may be appointing him or a notarially certified copy thereof has either been registered in the records of the Company at any time not less than forty-eight hours before the time for holding the meeting at which the attorney proposes to vote, or is deposited at the Office not less than forty-eight hours before the time fixed for such meeting as aforesaid. Notwithstanding that a power of attorney or other authority has been registered in the records of the Company, the Company may, by notice in writing addressed to the Shareholder or the attorney, given at least 48 (forty eight) hours before the meeting, require him to produce the original power of attorney or authority or resolution as the case may be and unless the same is deposited with the Company not less than forty-eight hours before the time fixed for the meeting, the attorney shall not be entitled to vote at such meeting unless the Board in their absolute discretion excuse such non-production and deposit.</p> <p>(m) Every instrument of proxy whether for a specified meeting or otherwise should, as far as circumstances admit, be in any of the forms set out in the Companies (Management and Administration) Rules, 2014.</p> <p>(n) If any such instrument of appointment be confined to the object of appointing an attorney or proxy for voting at meetings of the Company it shall remain permanently or for such time as the Directors may determine in the custody of the Company; if embracing other objects a copy thereof, examined with the original, shall be delivered to the Company to remain in the custody of the Company.</p> <p>(o) A vote given in accordance with the terms of an instrument of proxy shall be valid</p> |
