## **INDEPENDENT AUDITOR'S REPORT**

### **To the Members of Kurukshetra Expressway Private Limited**

#### **Report on the Financial Statements**

1. We have audited the accompanying financial statements of Kurukshetra Expressway Pvt. Ltd. ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **Management's Responsibility for the Financial Statements**

2. The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

3. Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement

4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Opinion**

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2015, its loss and its cash flows for the year ended on that date

## **Report on Other Legal and Regulatory Requirements**

7. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
8. As required by section 143(3) of the Act, we further report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014
  - e. on the basis of written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act

With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company does not have any pending litigations as at the reporting date that would have a material impact on its financial position;
- ii) Based upon the assessment made by the company, there are no material foreseeable losses on its long term contracts that may require any provisioning.
- iii) In view of there being no amount(s) required to be transferred to the Investor Education and Protection Fund for the year under audit the reporting under this clause is not applicable.

**Annexure to Auditors' report**

Referred to in our report of even date on the accounts of

**Kurukshetra Expressway Private Limited**

for the year ended on 31<sup>st</sup> March 2015

- (i) a) In our opinion and according to the information and explanations given to us, the company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.  
b) There is a phased programme for verification of fixed assets, which in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verifications
- (ii) In our opinion, and according to the information and explanations given to us, the company has sub-contracted the entire work of construction to sub-contractor(s) and therefore does not carry any Inventory. Hence, the reporting requirements under clause (ii) of paragraph 3 of the Order are not applicable to the Company.
- (iii) In our opinion, and according to the information and explanation given to us, the company has not granted any loan, secured or unsecured to companies, firms or other parties covered in the register maintained pursuant to section 189 of the Act. Hence, the reporting requirements under sub-clause (a) and (b) of clause (iii) of paragraph 3 of the order are not applicable.
- (iv) In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the company and the nature of its business, for activities relating to the intangibles under development. The activities of the company during the period under audit did not involve purchase of inventory and sale of goods. During the course of our audit, we have neither observed nor been informed by the management of any continuing failure to correct major weaknesses in internal controls.
- (v) In our opinion, and according to the information and explanations given to us, the company has not accepted any deposits during the period under audit. Consequently, the directives issued by Reserve Bank of India and the provisions of Sections 73 to 76 of the Act and the rules framed there under are not applicable.
- (vi) We have broadly reviewed the cost records maintained by the company as specified by the Central Government under section 148 (1) of the Act and are of the opinion, that prima-facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) According to the information and explanations given to us and based on the records of the company examined by us, there has been delay in payment of statutory dues by the company towards Provident Fund, Income-tax - TDS, Sales-tax – WCT with the respective authorities during the year. However, there are no arrears outstanding as at the reporting date for more than 6 months except in respect of Works Contract Tax amounting to Rs. 1.34 million.  
b) According to the information and explanations given to us, there are no applicable statutory dues which have not been deposited on account of any dispute.  
c) In view of there being no amount(s) required to be transferred to the Investor Education and Protection Fund for the year under audit the reporting under this clause is not applicable.
- (viii) The accumulated losses of the company as at the end of the financial year are less than 50% of its net worth. Further, the company has incurred cash losses of Rs. 534.01 million during the current financial year and Rs. 276.73 million in the immediately preceding financial year.
- (ix) Based upon the audit procedures carried out by us and on the basis of the information and explanations provided by the management we are of the opinion that the company has not been regular in repayment of dues to banks. As at the reporting date the installment for the quarter ended March 2015 due on 31-Mar-2015 amounting to Rs. 29.8 million has not been paid and interest from the month of January 2015 to March 2015 aggregating to Rs. 250.10 million has not been paid. Out of these, interest till February 2015 has been paid subsequently.
- (x) In our opinion, and according to the information and explanations given to us, the company has not

given guarantees for loans taken by others from banks or financial institutions. Therefore, the reporting requirements under clause (x) of paragraph 3 of the order are not applicable to the company.

- (xi) In our opinion, and according to the information and explanations given to us, the term loans have been ultimately applied for the purpose for which they are raised.
- (xii) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the Company has been noticed or reported during the course of our audit.

**KURUKSHETRA EXPRESSWAY PRIVATE LIMITED**  
**Notes to the financial statements for the year ended March 31, 2015**

**1 Nature of Operations**

The Company has been awarded the work to promote, develop, finance, establish, design, construct, equip, operate, maintain, modify and upgrade the four laning of Rohtak Bawal Section of NH 71 from Km 363/300 to 450/800 under NHDP- III in the State of Haryana on Design, Build, Finance, Operate and Transfer (DBFOT) basis and to charge and collect toll fees and to retain and appropriate receivables as per the concession agreement dated July 13, 2010 from the NHAI. The Concession Agreement is for a period of 28 years from appointed date i.e 10th May 2011.

The project was completed partially in August 2013 and toll collection had commenced partially from September 2013. During the year, the full stretch had been completed, except for some minor work. However, COD for the entire stretch (Except 500 Mtr) had been received and toll collection had started accordingly.

**2 Significant Accounting Policies**

**2.1 Basis of Preparation**

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India, Accounting Standards as per section 133 of the Companies Act 2013 read with Rule 7 of Companies (Accounts) Rules 2014 and the other relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company throughout the accounting period.

**2.2 Use of Estimates**

The preparation of financial statements in conformity with Indian GAAP requires that the management of the company makes estimates and assumptions that affect the reported amounts of income and expenses of the year, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of fixed assets and intangible assets, provision for doubtful debts / advances, future obligations in respect of retirement benefit plans etc. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**2.3 Fixed Assets**

Fixed assets are stated at cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

**2.4 Intangible Assets under Development**

All Project related expenditure for acquisition of Toll collection rights viz., civil works, machinery under erection, construction and erection materials, pre-operative expenditure, expenditure indirectly related to the project and incidental to setting up project facilities, borrowing cost incurred prior to the date of commercial operation, and trial run expenditure are shown under Intangible Assets under development. These expenses are net of recoveries, claims and income (net of tax), if any, from surplus funds arising out of project specific borrowings.

**2.5 Depreciation / Amortisation**

**Tangible Assets**

As per notification dated, March 26, 2014 issued by the Ministry of Corporate Affairs, Schedule II of the Companies Act 2013 comes into effect from April 1, 2014 which prescribes the useful life of depreciable assets. The Company has adopted the useful life prescribed under the Schedule II of the Companies Act 2013.

**Intangible Assets**

Amortisation in respect of Toll Collection Rights is provided on the basis of Actual Revenue generated during the toll period divided by Projected Revenue for the entire Concession period as prescribed under Schedule - II Of the Companies Act, 2013.

**2.6 Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other cost that an entity incurs in connection with the borrowing of funds. Interest / Income earned from temporary investment in term deposits / other investments are reduced from borrowing costs.

## **2.7 Revenue Recognition**

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and revenue can be reliably measured. Interest income on fixed deposits is recognized on time proportion basis taking into account the amount outstanding and the rate applicable. Revenue from toll is accounted for on the basis of usage charges recovered from the users of the toll. Toll Revenue in the form of periodic pass(es) are accounted for as income in the period in which the same are received.

## **2.8 Accounting for Taxes on Income**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred tax resulting from “timing differences” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future.

## **2.9 Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in the notes to the financial statement. A contingent asset is neither recognised nor disclosed.

## **2.10 Employee Benefits**

Retirement and employee benefits in the form of Provident Fund are defined contribution plans and the Company’s contributions, paid or payable during the reporting period is transferred to the Pre-operative expenses. Gratuity liability is a defined benefit plan and is determined on the basis of last drawn salary and period of service with the company. Long-Term compensated absences in the form of Leave encashment is accounted for on accrual basis at the Balance Sheet date.

## **2.11 Current/Non-Current Assets and Liabilities:**

Assets are classified as current when it satisfies any of following criteria:

- It is expected to be realized within twelve months after the reporting date,
  - It is held primarily for the purpose of being traded,
  - It is Cash or cash equivalent unless it restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- All other assets are classified as Non-current.

Liabilities are classified as current when it satisfies any of following criteria:

- It is expected to be settled within twelve months after the reporting date,
  - It is held primarily for the purpose of being traded,
  - The company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.
- All other liabilities are classified as Non-current.

## **2.12 Earnings Per Share (EPS)**

Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## **GURUVAYOOR INFRASTRUCTURE PRIVATE LIMITED**

### **INDEPENDENT AUDITOR'S REPORT ON SPECIAL PURPOSE FINANCIAL STATEMENTS**

#### **TO THE MEMBERS OF GURUVAYOOR INFRASTRUCTURE PRIVATE LIMITED**

##### **Report on the Financial Statements**

We have audited the accompanying special purpose financial statements of Guruvayoor Infrastructure Private Limited("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information. These financial statements, audited by us, are prepared as per Accounting Standards specified under the Companies (Accounting Standards) Rules, 2006, which is required for the sole purpose of consolidation in Bharat Road Network Limited. .

##### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors and Management are responsible for the preparation of these special purpose financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with Accounting Standards specified under the Companies (Accounting Standards) Rules, 2006. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

##### **Auditor's Responsibility**

Our responsibility is to express an opinion on these special purpose financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the

reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>th</sup> March, 2017, and its loss and its cash flows for the year ended on that date.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we enclose in the annexure a statement on the matters specified in paragraph 3 and 4 of the said Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Rule 7 of the Companies (Accounts) Rules, 2006.
  - e. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A".
  - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The company has not pending litigation which would impact its financial position;
    - ii. The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses;
    - iii. There were no amounts which were required by the company to be transferred to the Investor Education and Protection Fund.
    - iv. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th

November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with Books of Accounts maintained by the Company - Refer Note 19B.

**Restriction on Distribution and Use**

The financial statements prepared under Companies Accounting Standard Rule, 2006 is intended solely for the Company for the sole purpose of consolidation in the financial statements of Bharat Road Network Limited and should not be used by any other person.

**Annexure referred to in paragraph 2 under the heading “Report on Other Legal and Regulatory Requirements” of our report on even date:-**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Guruvayoor Infrastructure Private Limited** (“the Company”) as of 31<sup>st</sup> March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

| <b>2.1</b>   | <b>Basis of Preparation</b> <p>The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) in accordance with Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p> <p>The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.</p>                             |
| <b>2.2</b>   | <b>Fixed Assets</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|  | 2.3.2 | <p><b>Amortisation</b></p> <p>Toll collection rights in respect of road projects are amortized over the period of concession using the revenue based amortization method in the manner prescribed under Schedule II to the companies Act, 2013. Under the revenue based method, amortization is provided based on the proportion of actual revenue earned till the end of the year to the total projected revenue from the intangible asset expected to be earned over the concession period. Total projected revenue is reviewed at the end of each financial year and is adjusted to reflect the changes in earlier estimate vis-à-vis the actual revenue earned till the end of the year so that the whole of the cost of the intangible assets is amortized over the concession period.</p> <p>Specialized software is amortized over a period of three years on straight line basis from the month in which the addition is made.</p> <p>Amortization on impaired assets is provided by adjusting the amortization charges in the remaining periods so as to allocate the assets revised carrying amount over its remaining useful life.</p> |

| 2.4 | <p><b>Borrowing Costs</b></p> <p>Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other cost that an entity incurs in connection with the borrowing of funds.</p> <p>In compliance of AS-16 “Borrowing Cost”, any income earned on temporary investments till commercial operation date, out of funds borrowed, which is inextricably linked with the project is deducted from the related borrowing costs incurred.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 2.5 | <p><b>Revenue Recognition</b></p> <p>Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.</p> <p>Fee Collection from the Users of the carriageway is accounted for as and when the amount is due and recovery is certain.</p> <p>Revenue from sale of smart card (Local and monthly passes) is recognised as and when the cards are issued to the users.</p> <p>Interest income is accounted for on time proportion basis.</p> <p>Other Income is recognised when right to received is established.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| 2.6 | <p><b>Employee Benefits</b></p> <p><b>(i) Short Term Employee Benefits</b></p> <p>All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.</p> <p><b>(i) Post-Employment Benefits</b></p> <p>a) Defined Contribution Plans: The Company’s obligation to employee’s provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service.</p> <p>b) Defined Benefit Plans: The Company’s obligation towards gratuity is a defined benefit plan</p> <p>The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.</p> <p>The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.</p> <p>Actuarial gains and losses are recognized in the Statement of Profit and loss.</p> <p><b>(i) Long Term Employee Benefits</b></p> <p>The obligation for long term employee benefits such as long term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned in (ii) (b) above.</p> <p>The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.</p> |

| 2.7  | <b>Claims</b><br>Claim against the company are accounted for as and when accepted and claims by the company are accounted for as and when received.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 2.8  | <b>Investments</b><br>Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as Long Term Investments. Current investments are carried at lower of cost or and fair value determined on an individual investment basis. Long Term investments are carried at cost less provisions for permanent diminution, if any, in the value of such investments.                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 2.9  | <b>Earnings Per Share (EPS)</b><br>Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 2.10 | <b>Accounting for Taxes on Income</b><br>Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961, and based on expected outcome of assessments / appeals.<br><br>Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.<br><br>Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.                                                                                                                                                                                                 |
| 2.11 | <b>Impairment of Assets</b><br>As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine:<br><br>a) the provision for impairment loss, if any required, or<br>b) the reversal, if any, required of impairment loss recognized in previous period.<br>Impairment loss is recognized when the carrying amount of an asset exceed its recoverable amount.<br><br>Recoverable amount is determined:<br><br>a) in the case of an individual asset, at the higher of the net selling price and the value in use;<br>b) in the case of a cash generating unit (a group of asset that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.<br><br>(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life.) |
| 2.12 | <b>Provisions, Contingent Liabilities and Contingent Assets</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

- a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
  - (i) the Company has a present obligation as a result of a past event.
  - (ii) a probable outflow of resources is expected to settle the obligation, and
  - (iii) the amount of the obligation can be reliably estimated.
- b) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.
- c) Contingent Liability is disclosed in the case of
  - a. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
  - b. a present obligation when no reliable estimate is possible, and
  - c. a possible obligation arising from past events where the probability of outflow of resources is not remote.
- d) Contingent Assets are neither recognized, nor disclosed.
- e) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

|                             | The company has only one class of equity shares having par value of Rs. 10/- per share. Each holder of equity shares is entitled to one vote per share. In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders. |                                 |                                 |

| <b>Foot Note (A):-</b><br>* The Scheduled Project Completion Date (SPCD) of the Company's project vide Supplementary Agreement dated 23.11.2009 was extended from 21.03.2009 to 21.12.2010 (i.e. for 21 months ) and subsequently Concession period was also correspondingly extended from (22.09.2006 -21.09.2026) to (22.09.2006 - 21.06.2028) i.e. also upto 21 month. Further the company requested NHAI for deferment of 2nd & subsequent installments of Negative Grant payable to NHAI. NHAI approved Deferment of Negative Grant subject to payment of Interest on deferred amount @ Bank Rate + 2% and signing of Supplementary Agreement for having no claim on account of deferment. The Company has not accepted conditional deferment proposal of NHAI and protested against levy of interest and related supplementary agreement. The matter is still under consideration of NHAI. In the absence of agreement with NHAI, Liability for Negative Grant has been accounted for as current liability excluding Interest thereon as NHAI Project Director and Regional Office, NHAI (Chennai) has recommended for deferment of negative grant without levy of any interest to their Headquarters. |                 |               |

## 24 Employee Benefit:

### a. Defined Benefit Plan - Gratuity

All employees who have rendered service for specified period as per the Payment of Gratuity Act, 1972 are entitled for gratuity. The gratuity amount is determined based on the last drawn salary and period of service with the company. The following tables set out the amount recognised in the financial statements in respect of gratuity benefits which is not funded:

|                                                             |             |             |

| 26 | <b>Segment Information</b><br>The Company is engaged in infrastructure business and is a Special Purpose Entity formed for the specific purpose detailed in note No.1 and thus operates in a single business segment. Also it operates in a single geographic segment. In the absence of separate reportable business or geographic segment, the disclosures required under the Accounting Standard (AS) 17 – “Segment Reporting” have not been made.                                                                                                                                          |                                     |                                 |                                    |
| 27 | <b>Taxation</b><br>The company does not have taxable income and hence provision for current tax has not been made. The company is eligible for deduction under section 80IA of Income Tax Act 1956 and the tax holiday period of the company's project falls within the concession period of the company as defined in Section 80IA. Since deferred tax on timing difference between accounting income and taxable income that arise during the year is reversing during such tax holiday period, no deferred tax asset/liability arises and accordingly no provision is made in the accounts. |                                     |                                 |                                    |

## **INDEPENDENT AUDITOR’S REPORT**

### **TO THE MEMBERS OF GURUVAYOOR INFRASTRUCURE PRIVATE LIMITED**

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of **Guruvayoor Infrastructure Private Limited** (“the Company”), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### **Management’s Responsibility for the Financial Statements**

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company’s preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company’s Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its loss and its cash flows for the year ended on that date.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we enclosed in the annexure a statement on the matters specified in paragraph 3 and 4 of the said Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the directors as on 31st March, 2016 taken on record, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A".
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The company has not pending litigation which would impact its financial position;
    - ii. The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses;
    - iii. There were no amounts which were required by the company to be transferred to the Investor Education and Protection Fund.

## **Annexure-A**

**Annexure referred to in paragraph 2 under the heading “Report on Other Legal and Regulatory Requirements” of our report on even date:-**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Guruvayoor Infrastructure Private Limited** (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**GURUVAYOOR INFRASTRUCTURE PRIVATE LIMITED**  
**Notes to the financial statements for the Year Ended 31st March 2016**

**1 Nature of Operations**

The Company has been awarded the Concession for 'design, construction, finance, operation and maintenance' for widening of the existing two lanes to four lanes from Km 270 (Thrissur) to Km 316.7 (Angamali) on NH 47 and improvements, operations and maintenance of Km 316.7 (Angamali) to Km 342 (Edapally) on NH 47 in the state of Kerala on Build, Operate and Transfer (BOT) basis as per the Concession Agreement dated March 27, 2006 read with Supplementary Agreements dated November 23, 2009 and December 03, 2011 signed with National Highways Authority of India (NHAI). The Concession Agreement is for a period of 21 years and 9 months till June 21, 2028. The Company received the provisional completion certificate on December 04, 2011 and final completion certificate on April 18, 2016 from the Independent Consultant appointed by NHAI.

**Significant Accounting Policies**

**2**

**2.1 Basis of Preparation**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

**2.2 Fixed Assets**

**2.2.1 Tangible Assets**

Tangible Fixed Assets are stated at original cost which includes freight, installation cost, duties, taxes and other incidental expenses with respect to their acquisition and installation less accumulated depreciation thereon.

**2.2.2 Intangible Assets**

Intangible assets are recognized as per the criteria specified in Accounting Standard (AS) 26 "Intangible Assets" as specified in the Companies (Accounting Standards) Rule, 2006:

Toll Collection Rights are obtained in consideration for rendering construction, operation and maintenance services in relation to building and maintenance of the project on Build, Operate and Transfer (BOT) basis. The cost of such Toll Collection Rights comprises construction cost of 4 laning of the existing carriageway, preoperative costs, Road Side Furniture, Street Lighting, TMS system, Toll Plaza Building, DG Sets, Electricals, Drainage, Culverts, VUP, Fly Overs Etc incurred during the implementation phase; Such costs, on completion of project are capitalized as Intangible Assets.

**2.2.3 Intangible Assets Under Development**

| <b>2.3</b>   | <b>Depreciation / Amortisation</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>2.3.1</b> | <p><b>Depreciation</b></p> <p>Depreciation on assets has been provided on Straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/ deductions is calculated pro-rata from/ to the month of additions/ deductions.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| <b>2.3.2</b> | <p><b>Amortisation</b></p> <p>Toll collection rights in respect of road projects are amortized over the period of concession using the revenue based amortization method in the manner prescribed under Schedule II to the companies Act, 2013. Under the revenue based method, amortization is provided based on the proportion of actual revenue earned till the end of the year to the total projected revenue from the intangible asset expected to be earned over the concession period. Total projected revenue is reviewed at the end of each financial year and is adjusted to reflect the changes in earlier estimate vis-à-vis the actual revenue earned till the end of the year so that the whole of the cost of the intangible assets is amortized over the concession period.</p> <p>Specialized software is amortized over a period of three years on straight line basis from the month in which the addition is made.</p> <p>Amortization on impaired assets is provided by adjusting the amortization charges in the remaining periods so as to allocate the assets revised carrying amount over its remaining useful life.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| <b>2.4</b>   | <p><b>Borrowing Costs</b></p> <p>Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other cost that an entity incurs in connection with the borrowing of funds.</p> <p>In compliance of AS-16 "Borrowing Cost", any income earned on temporary investments till commercial operation date, out of funds borrowed, which is inextricably linked with the project is deducted from the related borrowing costs incurred.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>2.5</b>   | <p><b>Revenue Recognition</b></p> <p>Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.</p> <p>Fee Collection from the Users of the carriageway is accounted for as and when the amount is due and recovery is certain. Revenue from sale of smart card (Local and monthly passes) is recognised as and when the cards are issued to the users.</p> <p>Interest income is accounted for on time proportion basis.</p> <p>Other Income is recognised when right to received is established.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| <b>2.6</b>   | <p><b>Employee Benefits</b></p> <p><b>(i) Short Term Employee Benefits</b></p> <p>All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.</p> <p><b>(i) Post-Employment Benefits</b></p> <p>a) Defined Contribution Plans: The Company's obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service.</p> <p>b) Defined Benefit Plans: The Company's obligation towards gratuity is a defined benefit plan</p> <p>The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.</p> <p>The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.</p> <p>Actuarial gains and losses are recognized in the Statement of Profit and loss.</p> |

| 2.7  | <b>Claims</b><br>Claim against the company are accounted for as and when accepted and claims by the company are accounted for as and when received.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 2.8  | <b>Investments</b><br>Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as Long Term Investments. Current investments are carried at lower of cost or and fair value determined on an individual investment basis. Long Term investments are carried at cost less provisions for permanent diminution, if any, in the value of such investments.                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 2.9  | <b>Earnings Per Share (EPS)</b><br><br>Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.                                                                                                                                                                                                                                                                                                                                                                                                              |
| 2.10 | <b>Accounting for Taxes on Income</b><br><br>Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961, and based on expected outcome of assessments / appeals.<br><br>Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.<br><br>Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.                                                                                                                                                                                             |
| 2.11 | <b>Impairment of Assets</b><br>As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine:<br><br>a) the provision for impairment loss, if any required, or<br>b) the reversal, if any, required of impairment loss recognized in previous period.<br>Impairment loss is recognized when the carrying amount of an asset exceed its recoverable amount.<br><br>Recoverable amount is determined:<br><br>a) in the case of an individual asset, at the higher of the net selling price and the value in use;<br>b) in the case of a cash generating unit (a group of asset that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.<br><br>(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life.) |
| 2.12 | <b>Provisions, Contingent Liabilities and Contingent Assets</b><br><br>a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if<br>(i) the Company has a present obligation as a result of a past event.<br>(ii) a probable outflow of resources is expected to settle the obligation, and<br>(iii) the amount of the obligation can be reliably estimated.<br><br>b) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.<br><br>c) Contingent Liability is disclosed in the case of<br>a. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.<br>b. a present obligation when no reliable estimate is possible, and                                               |

|  |                                                                                                                                                                                                                                                                                                      |

|    | * The Scheduled Project Completion Date (SPCD) of the Company's project vide Supplementary Agreement dated 23.11.2009 was extended from 21.03.2009 to 21.12.2010 (i.e. for 21 months ) and subsequently Concession period was also correspondingly extended from (22.09.2006 - 21.09.2026) to (22.09.2006 - 21.06.2028) i.e. also upto 21 month. Further the company requested NHAI for deferment of 2nd & subsequent installments of Negative Grant payable to NHAI. NHAI approved Deferment of Negative Grant subject to payment of Interest on deferred amount @ Bank Rate + 2% and signing of Supplementary Agreement for having no claim on account of deferment. The Company has not accepted conditional deferment proposal of NHAI and protested against levy of interest and related supplementary agreement. The matter is still under consideration of NHAI. In the absence of agreement with NHAI, Liability for Negative Grant has been accounted for as current liability excluding Interest thereon as NHAI Project Director and Regional Office, NHAI (Chennai) has recommended for deferment of negative grant without levy of any interest to their Headquarters. |                                              |                                            |                                            |               |

| 25 | <b>Segment Information</b><br>The Company is engaged in infrastructure business and is a Special Purpose Entity formed for the specific purpose detailed in note No.1 and thus operates in a single business segment. Also it operates in a single geographic segment. In the absence of separate reportable business or geographic segment, the disclosures required under the Accounting Standard (AS) 17 – “Segment Reporting” have not been made.                                                                                                                                          |                                                                                                          |                                     |
| 26 | <b>Taxation</b><br>The company does not have taxable income and hence provision for current tax has not been made. The company is eligible for deduction under section 80IA of Income Tax Act 1956 and the tax holiday period of the company's project falls within the concession period of the company as defined in Section 80IA. Since deferred tax on timing difference between accounting income and taxable income that arise during the year is reversing during such tax holiday period, no deferred tax asset/liability arises and accordingly no provision is made in the accounts. |                                                                                                          |                                     |

We have audited the accompanying financial statements of **GURUVAYOOR INFRASTRUCTURE PRIVATE LIMITED** which comprise the Balance Sheet as at 31<sup>st</sup> March 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**OPINION:**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2015,
- b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In case of the Cash flow Statement, of the cash flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report ) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 we enclose in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has no pending litigations so as to effect its financial position.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. The Company is not required to transfer any amounts to the Investor Education and Protection Fund.

**Annexure referred to in paragraph 1 under the heading “Report on Other legal and regulatory requirements” of our report on even date**

**Re: GURUVAYOOR INFRASTRUCTURE PRIVATE LIMITED**

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
  - b) The Fixed assets have been physically verified by the management during the year, which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (ii) The Company is engaged in the business of operation of toll road on BOT basis, hence the Paragraph 3 (ii) (a), (b) & (c) of the Companies (Auditor’s Report) Order 2015 relating to inventory are not applicable.
- (iii) The company has not granted loan to any party covered in the register maintained under section 189 of the Companies Act, 2013 (‘the Act’).
- (iv) In our opinion, and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and nature of its business, for the purchase of fixed assets & collection of Toll. In our opinion, and according to the information and explanations given to us, there is no continuing failure to correct major weaknesses in internal control system.
- (v) According to the information and explanations provided to us, the Company has not accepted any deposits from the public within the meaning of Section 73 or other relevant provisions of the Companies Act 2013 and Companies (Acceptance of Deposit) Rules, 2014.
- (vi) According to the information and explanations given to us, we are of the opinion that prima facie, cost records prescribed, pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148 of the Act, are made and maintained.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has been generally regular in depositing undisputed statutory dues including Income tax, wealth tax, service tax, value added tax, cess and other statutory dues during the year with the appropriate authorities. As at 31st March 2015, there are no undisputed statutory dues payable for a period of more than six months from the date they became payable except Works Contract Tax of Rs.42,51,271/-
  - (b) According to the information and explanations given to us, there were no statutory dues pending in respect of income-tax, sales-tax, VAT, custom duty and cess on account of any dispute.

- (viii) The accumulated losses of the company are not more than fifty percent of its net worth. There were no cash losses during the year as well as during the immediate preceding year.
- (ix) According to the information and explanations given to us the Company has not delayed in repayment of principal amount of borrowing or payment of interest on borrowing to any financial institutions, banks and debenture holders.
- (x) According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (xi) According to the information and explanations given to us, the loans taken by the Company were applied for the purpose for which the loans were obtained.
- (xii) According to the information and explanations given to us which have been relied upon by us, no fraud on or by the Company, noticed or reported during the year.

**GURUVAYOOR INFRASTRUCTURE PRIVATE LIMITED**

**Notes to the financial statements for the year ended March 31, 2015**

**1 Nature of Operations**

The Company has been awarded the Concession for 'design, construction, finance, operation and maintenance' for widening of the existing two lanes to four lanes from Km 270 (Thrissur) to Km 316.7 (Angamali) on NH 47 and improvements, operations and maintenance of Km 316.7 (Angamali) to Km 342 (Edapalli) on NH 47 in the state of Kerala on Build, Operate and Transfer (BOT) basis as per the Concession Agreement dated March 27, 2006 read with Supplementary agreements dated November 23, 2009 and December 03, 2011 signed with National Highways Authority of India (NHAI). The Concession Agreement is for a period of 21 years and 9 months.

**2 Significant Accounting Policies**

**2.1 Basis of Preparation**

The Company maintains its accounts on accrual basis following the historical cost convention, in accordance with Generally Accepted Accounting Principles ["GAAP"] in compliance with the provisions of the Companies Act, 2013 and the Accounting Standards as specified in the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of The Companies (Accounts) Rules, 2014 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013 and relevant provisions of the Companies Act, 1956 read with the Circular No.07/2014 dated April 1, 2014 of the Ministry of Corporate Affairs. Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable, except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

**2.2 Fixed Assets**

**2.2.1 Tangible Assets**

Tangible Fixed Assets are stated at original cost which includes freight, installation cost, duties, taxes and other incidental expenses less accumulated depreciation thereon.

**2.2.2 Intangible Assets**

Intangible assets are recognized as per the criteria specified in Accounting Standard (AS) 26 "Intangible Assets" as specified in the Companies (Accounting Standards) Rule, 2006:

Carriageways representing Toll Collection Rights are obtained in consideration for rendering construction, operation and maintenance services in relation to building and maintenance of the project on Build, Operate and Transfer (BOT) basis. The cost of such Toll Collection Rights comprises construction cost and other preoperative costs incurred during the implementation phase. Such carriage ways, on completion are capitalized as Intangible Assets.

| <b>2.3.1</b> | <p><b>Depreciation</b></p> <p>Depreciation on assets has been provided on Straight line basis at the useful lives specified in the Schedule II Companies Act, 2013. Depreciation on additions/ deductions is calculated pro-rata from/ to the month of additions/ deductions.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>2.3.2</b> | <p><b>Amortisation</b></p> <p>Toll collection rights in respect of road projects are amortized over the period of concession using the revenue amortization method prescribed under Schedule II to the companies Act, 2013. Under the revenue based amortization is provided based on the proportion of actual revenue earned till the end of the year to the total revenue from the intangible asset expected to be earned over the concession period. Total projected revenue is at the end of each financial year and is adjusted to reflect the changes in earlier estimate vis-à-vis the actual revenue</p> <p>Specialized software is amortized over a period of three years on straight line basis from the month in which the is made.</p> <p>Amortization on impaired assets is provided by adjusting the amortization charges in the remaining periods so <u>allocate the assets revised carrying amount over its remaining useful life.</u></p> |
| <b>2.4</b>   | <p><b>Borrowing Costs</b></p> <p>Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other cost that an entity incurs in connection with the borrowing of funds.</p> <p>In compliance of AS-16 "Borrowing Cost", any income earned on temporary investments, out of funds borrowed, which is inextricably linked with the project is deducted from the related borrowing costs incurred.</p>                                                                                                                                                                                                                                             |
| <b>2.5</b>   | <p><b>Revenue Recognition</b></p> <p>Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.</p> <p>Fee Collection from the Users of the facility is accounted for as and when the amount is due and recovery is certain.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| <b>A</b> | <b><u>Interest:</u></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |  |  |
| 1        | The Interest will be paid at monthly rest, on the last day of each calendar month on the Principle amount of the NCD outstanding. The NCD will carry an Interest of 11.60% ( IDFC Base Rate + Spread less 0.5%).                                                                                                                                                                                                                                                                                        |  |  |
| 2        | The rate of Interest shall include applicable interest tax or other statutory levy, if any on the principle amount of the loan remaining outstanding each day.                                                                                                                                                                                                                                                                                                                                          |  |  |
| 3        | The Interest rate would change effective from the day of revision of IDFC Base rate. The Interest shall be paid on monthly rests on last date of each calendar month on the principle amount outstanding                                                                                                                                                                                                                                                                                                |  |  |
| <b>B</b> | <b><u>Tenure, Conversion, Repayment and Redemption:</u></b>                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |  |
|          | The Final Maturity date of NCD shall not exceed 31st March 2025. |                 | <p>* The Scheduled Project Completion Date (SPCD) of the Company's project vide Supplementary Agreement dated 23.11.2009 was extended from 21.03.2009 to 21.12.2010 (i.e. for 21 months ) and subsequently Concession period was also correspondingly extended from (22.09.2006 -21.09.2026) to (22.09.2006 - 21.06.2028) i.e. also upto 21 month. Further the company requested NHAI for deferment of 2nd &amp; subsequent installments of Negative Grant payable to NHAI. NHAI approved Deferment of Negative Grant subject to payment of Interest on deferred amount @ bank rate + 2% and signing of Supplementary Agreement for having no claim on account of deferment. The Company has not accepted conditional deferment proposal of NHAI and protested against levy of interest and related supplementary agreement. The matter is still under consideration of NHAI. In the absence of agreement with NHAI, Liability for Negative Grant has been accounted for as current liability excluding Interest thereon.</p> |                                                  |                                                  |

|           | <b>b)</b>                                                             | The company does not have taxable income and hence provision for current tax has not been made. The company is eligible for deduction under section 80IA of Income Tax Act 1956 and the tax holiday period of the company's project falls within the concession period of the company as defined in Section 80IA. Since deferred tax on timing difference between accounting income and taxable income that arise during the year is reversing during such tax holiday period, no deferred tax asset/liability arises and accordingly no provision is made in the accounts. |             |             |

## **INDEPENDENT AUDITOR'S REPORT**

To  
The Members,  
Mahakaleshwar Tollways Private Limited

1. We have audited the accompanying standalone financial statements of Mahakaleshwar Tollways Private Limited ("the Company") which comprises the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its losses and its cash flows for the year ended on that date.

5. Report on Emphasis of Matter

Without qualifying our opinion, attention is invited to Note No. 20 for non-recognition of Premium amount payable to Madhya Pradesh Road Development Corporation Limited (MPRDC) for the financial year 2013-14, 2014-15, 2015-16 & 2016-17.

6. Report on Other Legal and Regulatory Requirements

- (a) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (b) As required by section 143 (3) of the Act, we report that:
- i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - ii. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - iii. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account.
  - iv. In our opinion, the aforesaid standalone statements comply with the Accounting Standards specified under section 133 of the Act, as applicable.
  - v. On the basis of written representations received from the directors as on March 31, 2017 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
  - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial control over financial reporting.
  - vii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
    - a) The company has disclosed the impact of pending litigations on its financial position in its financial statements.
    - b) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
    - c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2017.

## **“Annexure A” to the Independent Auditors’ Report**

(Referred to in paragraph 6(a) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date.)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets are physically verified during the year by the management in accordance with a regular programme of verification which in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties recorded as fixed assets in the books of account of the company are held in the name of the company.
- (ii) (a) As company does not hold any inventory, so physical verification of inventory is not required. Therefore, the clause is not applicable on the company.
- (iii) The Company has not granted loans, secured or unsecured to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013. Therefore, clause (a) and (b) of para (iii) of the order is not applicable on the company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has not grants loans, making investments and providing guarantees and securities. Therefore provisions of Section 185 and 186 of the Companies Act 2013 not applicable to company.
- (v) According to the information and explanations provided to us, the Company has not accepted any deposits from the public.
- (vi) According to the information and explanations provided to us the maintenance of cost record has not prescribed by the Central Government under section 148(1) of the companies Act, 2013 to the company.
- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues of including, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities *though there has been slight delay in few cases*.
- (b) According to the information and explanations given to us, there is no disputed/ undisputed dues as at 31<sup>st</sup> March, 2017 of income tax & sales tax which have not been deposited.
- (viii) Based on our audit procedure and on the basis of information and explanations given to us by the management, we are of the opinion that the Company has made delayed in repayment of dues and interest to bank during the year.
- (ix) The company has not raised money during the year by way of initial public offer or further public offer (including debt instruments). Based on our audit procedures and as per the information and explanations given to us by the management, the term loans taken by the Company have been applied for the purpose for which they were obtained
- (x) As per the information and explanations given to us by the management, we report that we have neither come across any instances of fraud by the company or on the company by its officers or employees, noticed or reported during the year nor have we been informed of any such case by the management.
- (xi) Based on our audit procedures and as per the information and explanations given to us by the management, no managerial remuneration has been paid or provided in the book of accounts.

- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the order is not applicable.
- (xiii) In our opinion and according to the information and explanation given to us the company is in compliance with section 177 and 188 of the Companies Act, 2013 where applicable for all transaction with the related parties and the details of related party transaction have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) As per the information provided to us, during the year the company has not made preferential allotment.
- (xv) In our opinion and according to the information and explanation given to us, during the year the company has not entered into any non-cash transactions during with the directors or persons connected with them and hence provisions of Section 192 of the companies Act, 2013 are not applicable.
- (xvi) The company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934.

## “Annexure B” to the Independent Auditor’s Report

(Referred to in paragraph 6 (b) (vi) of our report to the members of Mahakaleshwar Tollways Private Limited for the year ended March 31, 2017)

1. Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahakaleshwar Tollways Private Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

2. Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

4. Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## 6. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

|       | c) As per the Schedule III of Companies Act, 2013, "an operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents". For the company, there is generally no clearly identifiable normal operating cycle and hence the normal operating cycle for the company is assumed to have duration of 12 months.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 2.2   | <p><b>Use of Estimates</b></p> <p>The preparation of financial statements requires the management to make estimates and assumptions which are considered to arrive at the reported amounts of assets and liabilities and disclosure of contingent liabilities as on the date of the financial statements and the reported income and expenses during the reporting year. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to the accounting estimates are recognised prospectively in the current and future years.</p>                                                                                                                                                                                                                       |
| 2.3   | <b>Fixed Assets</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 2.3.1 | <b>Tangible Assets</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|       | Fixed assets are stated at cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 2.3.2 | <b>Intangible Assets</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|       | <p>Intangible assets are recognized as per the criteria specified in Accounting Standard (AS) 26 "Intangible Assets" as specified in the Companies (Accounting Standards) Rule, 2006:</p> <p>Toll Collection Rights are obtained in consideration for rendering construction, operation and maintenance services in relation to building and maintenance of the project on Build, Operate and Transfer (BOT) basis. The cost of such Toll Collection Rights comprises construction cost of 4 laning of the existing carriageway, preoperative costs, Road Side Furniture, Street Lighting, TMS system, Toll Plaza Building, DG Sets, Electricals, Drainage, Culverts, VUP, Fly Overs Etc. incurred during the implementation phase; Such costs, on completion on completion of project are capitalized as Intangible Assets.</p>                                   |
| 2.4   | <b>Depreciation / Amortisation</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|       | <p><b>(a) Tangible Assets</b></p> <p><b>Depreciation/Amortisation is provided on Straight Line Method ('SLM'), which reflects the management's estimate of the useful lives of the respective fixed assets and the rates derived from such useful lives thereof are greater than or equal to the corresponding rates prescribed in Schedule XIV of the Act.</b></p> <p>As per notification dated, March 26, 2014 issued by the Ministry of Corporate Affairs, Schedule II of the Companies Act 2013 comes into effect from April 1, 2014 which prescribes the useful life of depreciable assets. The Company has adopted the useful life prescribed under the Schedule II of the Companies Act 2013 and the tangible assets are depreciated over the same.</p> <p><b>(b) Intangible Assets</b></p>                                                                 |

|            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

|            | <p>Toll collection rights in respect of road projects are amortized over the period of concession using the revenue based amortization method in the manner prescribed under Schedule II to the companies Act, 2013. Under the revenue based method, amortization is provided based on the proportion of actual revenue earned till the end of the year to the total projected revenue from the intangible asset expected to be earned over the concession period. Total projected revenue is reviewed at the end of each financial year and is adjusted to reflect the changes in earlier estimate vis-à-vis the actual revenue earned till the end of the year so that the whole of the cost of the intangible assets is amortized over the concession period.</p> <p>Specialized software is amortized over a period of three years on straight line basis from the month in which the addition is made.</p> <p>Amortization on impaired assets is provided by adjusting the amortization charges in the remaining periods so as to allocate the assets revised carrying amount over its remaining useful life.</p>                                                                                                                                    |

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

**(i) Post-Employment Benefits**

a) Defined Contribution Plans: The Company's obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service.

b) Defined Benefit Plans: The Company's obligation towards gratuity is a defined benefit plan

The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.

Actuarial gains and losses are recognized in the Statement of Profit and loss.

**(i) Long Term Employee Benefits**

The obligation for long term employee benefits such as long term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned in (ii) (b) above.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.

**2.10 Current/Non-Current Assets and Liabilities:**

An asset is classified as 'current' when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- b) it is held primarily for the purpose of being traded; or
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as 'non-current'.

A liability is classified as 'current' when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycles; or
- b) it is held primarily for the purpose of being traded; or
- c) it is due to be settled within twelve months after the reporting date; or
- d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as 'non-current'.

|             | Current tax is the amount of tax payable on the taxable income for the year determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. The deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. |

|             | Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|          | <b>Terms of Unsecured Loan from Others:</b><br>*The Unsecured loan is for a period of 11years from the date of initial disbursement as may be extended by a further period of five (5) years at the discretion of the Lender in terms of the rupee loan agreement . Interest yield from the loan will be 16.00% at the time of prepayment / repayment in part or full, and will be payable quarterly on availability of free available cash flow i.e. cash flow available after payment of all expenses, statutory dues and servicing of debt obligation to senior lenders, etc. as mentioned under escrow agreement. If free available cash flow is insufficient, interest will be paid when sufficient free available cash flow will be available.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                      |                      |

| 25 | <b>Segment Information</b><br>The Company is engaged in infrastructure business and is a Special Purpose Entity formed for the specific purpose detailed in note No.1 and thus operates in a single business segment. Also it operates in a single geographic segment. In the absence of separate reportable business or geographic segments the disclosures required under the Accounting Standard (AS) 17 – “Segment Reporting” have not been made.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                           |                                                |                                                |
| 26 | <b>Disclosures pursuant to Accounting Standard (AS) 15 (Revised) - Employee Benefits</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                           |                                                |                                                |
|    | <b>Defined Benefit Plans:</b><br>The Employees’ Gratuity scheme and Leave benefit scheme are the Company’s defined benefit plans.<br>All employees who have rendered service for specified period as per the Payment of Gratuity Act, 1972 are entitled for gratuity. The gratuity amount is determined based on the last drawn salary and period of service with the company.<br>The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date. Current service cost represents the cost associated with the benefit accrual for the current accounting period. Total employer expenses for the current financial year is inclusive of current service cost, actuarial gain/loss and net interest.<br>The defined benefit obligations are unfunded and thus the disclosure requirements of plan assets have not been made.<br>The following tables set out the details of amount recognised in the financial statements in respect of gratuity and leave benefits which is not funded: |                                           |                                                |                                                |

| 28 | <b>Deferred Tax</b><br>Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years in accordance with Accounting Standard 22, "Taxes on Income" notified under Section 211(3C) of the Companies Act 1956. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. The carry forward of Unabsorbed Depreciation & Business Loss resulted into Net Deferred Tax Assets. Considering the concept of prudence deferred tax assets is not recognized by the company during the current financial year as well as previous financial years. |                                       |                       |
| 29 | <b>Earnings &amp; Expenditures in Foreign currency</b><br>There is no earnings and expenditures in foreign currency during the year (Previous year Nil).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                       |                       |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                        |

## **INDEPENDENT AUDITOR'S REPORT**

**To**  
**The Members,**  
**Mahakaleshwar Tollways Private Limited**

1. We have audited the accompanying standalone financial statements of **Mahakaleshwar Tollways Private Limited ("the Company")** which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **2. Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **3. Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **4. Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its losses and its cash flows for the year ended on that date.

### **5. Report on Emphasis of Matter**

Without qualifying our opinion, attention is invited to Note No.20 for non -recognition of Premium amount payable to Madhya Pradesh Road Development Corporation Limited (MPRDC) for the financial year 2013-14, 2014-15 & 2015-16.

## 6. Report on Other Legal and Regulatory Requirements

- (a) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (b) As required by section 143 (3) of the Act, we report that:
- i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - ii. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - iii. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account.
  - iv. In our opinion, the aforesaid standalone statement comply with the Accounting Standards specified under section 133 of the Act, as applicable.
  - v. On the basis of written representations received from the directors as on March 31, 2016 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial control over financial reporting.
  - vii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
    - a) The company has disclosed the impact of pending litigations on its financial position in its financial statements.
    - b) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
    - c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2016.

## **“Annexure A” to the Independent Auditors’ Report**

(Referred to in paragraph 6(a) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date.)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets are physically verified during the year by the management in accordance with a regular programme of verification which in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties recorded as fixed assets in the books of account of the company are held in the name of the company.
- (ii) (a) As company does not hold any inventory, so physical verification of inventory is not required. Therefore, the clause is not applicable on the company.
- (iii) The Company has not granted loans, secured or unsecured to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013. Therefore, clause (a) and (b) of para (iii) of the order is not applicable on the company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has not grants loans, making investments and providing guarantees and securities. Therefore provisions of Section 185 and 186 of the Companies Act 2013 not applicable to company.
- (v) According to the information and explanations provided to us, the Company has not accepted any deposits from the public.
- (vi) According to the information and explanations provided to us the maintenance of cost record has not prescribed by the Central Government under section 148(1) of the companies Act, 2013 to the company.
- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues of including, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities *though there has been slight delay in few cases.*  
(b) According to the information and explanations given to us, there is no disputed / undisputed dues as at 31<sup>st</sup> March, 2016 of income tax & sales tax which have not been deposited.
- (viii) *Based on our audit procedure and on the basis of information and explanations given to us by the management, we are of the opinion that the Company has made delayed in repayment of dues and interest to bank during the year.*
- (ix) The company has not raised money during the year by way of initial public offer or further public offer (including debt instruments). Based on our audit procedures and as per the information and explanations given to us by the management, the term loans taken by the Company have been applied for the purpose for which they were obtained
- (x) As per the information and explanations given to us by the management, we report that we have neither come across any instances of fraud by the company or on the company by its officers or employees, noticed or reported during the year nor have we been informed of any such case by the management.
- (xi) Based on our audit procedures and as per the information and explanations given to us by the management, no managerial remuneration has been paid or provided in the book of accounts.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the order is not applicable.
- (xiii) In our opinion and according to the information and explanation given to us the company is in compliance with section 177 and 188 of the Companies Act, 2013 where applicable for all transaction

with the related parties and the details of related party transaction have been disclosed in the Financial Statements as required by the applicable accounting standards.

- (xiv) As per the information provided to us, during the year the company has not made preferential allotment optionally convertible participative interest bearing debentures to one body corporate of Rs. 271.81 Lacs.
- (xv) In our opinion and according to the information and explanation given to us, during the year the company has not entered into any non-cash transactions during with the directors or persons connected with them and hence provisions of Section 192 of the companies Act, 2013 are not applicable.
- (xvi) The company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934.

## **“Annexure B” to the Independent Auditor’s Report**

(Referred to in paragraph 6 (b) (vi) of our report to the members of **Mahakaleshwar Tollways Private Limited** for the year ended March 31, 2016)

### **1. Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Mahakaleshwar Tollways Private Limited** (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **2. Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **3. Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **4. Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **5. Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become

inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## 6. **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to the financial statements for the year ended 31st March, 2016

### 1 Nature of Operations

The Company has been awarded the works of “Design, engineering, construction, development, finance, operation and maintenance for four laning from Indore Ujjain section on SH-27 from Ch KM 5/2 at Indore to Ch KM 53 at Ujjain in the state of M.P on Build-Operate-Transfer (BOT) basis” as per the concession agreement dated September 17, 2008 from the MPRDC. The Concession Agreement is for a period of 25 years from the appointed date 26-May-2009. The Commercial operation date for the Toll Project is 17-Feb-2011.

### 2 Significant Accounting Policies

#### 2.1 Basis of preparation

a) The financial statements are prepared in accordance with the historical cost convention and the accrual basis of accounting. The accounting policies applied by the Company are consistent with those applied in the previous year except as otherwise stated elsewhere.

b) These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). These Financial Statements have been prepared to comply in all material respects with the Accounting Standards (‘AS’) specified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, other pronouncements of the Institute of Chartered Accountants of India and relevant applicable provisions of the Companies Act, 1956, and Companies Act, 2013 to the extent applicable.

#### Operating Cycle

c) As per the Schedule III of Companies Act, 2013, "an operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents". For the company, there is generally no clearly identifiable normal operating cycle and hence the normal operating cycle for the company is assumed to have duration of 12 months.

#### Current and Non-Current Asset

An asset is classified as ‘current’ when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company’s normal operating cycle; or
- b) it is held primarily for the purpose of being traded; or
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as ‘non-current’.

#### Current and Non-Current Liability

A liability is classified as ‘current’ when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company’s normal operating cycles; or
- b) it is held primarily for the purpose of being traded; or
- c) it is due to be settled within twelve months after the reporting date; or
- d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as ‘non-current’.

#### 2.2 Use of estimates

The preparation of financial statements requires the management to make estimates and assumptions which are considered to arrive at the reported amounts of assets and liabilities and disclosure of contingent liabilities as on the date of the financial statements and the reported income and expenses during the reporting year. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to the accounting estimates are recognised prospectively in the current and future years.

## 2.3 Fixed Assets

(a) Expenditure Incurred on Construction of Assets under Concession Agreement

(b ) Other Fixed Assets

Land is Valued at Cost. Other fixed assets are stated at the cost of acquisition less accumulated depreciation. The cost of fixed assets comprises purchase price and other attributable expenses included for the purpose of acquisition and installation of fixed assets.

Intangible assets represents Toll Collection Rights are recognized in accordance with the criteria specified in Accounting Standard (AS) 26 "Intangible Assets" issued by Institute of Chartered Accountants of India(ICAI). They are carried at cost less accumulated amortization and impairment losses, if any. Cost comprises construction cost including finance costs etc incurred during the implementation phase.

## 2.4 Depreciation / Amortisation

(a) Tangible Assets

Depreciation on fixed assets is provided on straight line method on the basis of useful life specified in Schedule II of Companies Act 2013. The residual value of all assets for depreciation purpose is considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the period of addition / disposal. Fixed Assets costing up to Rs. 5,000/- are fully depreciated in the year of purchase.

The Company has adopted the useful lives of assets to compute depreciation as per Schedule II of the Companies Act, 2013. In accordance with requirements of said schedule II, the details of estimated useful life for each category of assets are as under:

| Category              | Useful Life in (yrs) |
|-----------------------|----------------------|
| Office Equipments     | 5                    |
| Toll Equipments       | 15                   |
| Furniture and Fixture | 10                   |
| Computers             | 3                    |

(b) Intangible Assets

In case of Intangible assets, the useful life method of amortization has been changed to revenue based method of amortization as specially prescribed for "Toll Roads" in Schedule II to Companies Act 2013. Since the change in method of amortization is a change in accounting policy, retrospective recomputation of amortization has been calculated and the surplus amortization generated has been credited to General Reserve because the change has been made due to change in statute.

## 2.5 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## 2.6 Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and revenue can be reliably measured. Interest on fixed deposits is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

Revenue from toll is accounted for on the basis of usage charges recovered from the users of the toll . Toll Revenue in the form of periodic pass(es) are accounted for as income in the period in which the same are received. Claims are

recognized as revenue on receipt basis.

## **2.7 Employee benefits**

- a) Employee Benefit in the form of Provident Fund is defined contribution plan and the Company's contribution, paid or payable during the reporting period is charged to the Statement of Profit and Loss.
- b) Gratuity liability is a defined benefit plan and is provided for based on actuarial valuation on projected unit credit method at the Balance Sheet date.
- c) Long-Term compensated absences are defined benefit plan and are provided for based on actuarial valuation on projected unit credit method at the Balance Sheet date.
- d) Actuarial gains/ losses are charged to the Statement of Profit and Loss and are not deferred.

## **2.8 Earnings Per Share (EPS)**

Basic earnings per share are computed by dividing the net profit / loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by considering the diluted equity.

## **2.9 Accounting for Taxes on Income**

Current tax is the amount of tax payable on the taxable income for the year determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. The deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

## **2.10 Provisions, Contingent Liabilities and Contingent Assets:**

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

## **2.11 Contingencies and Events Occurring After The Balance Sheet Date**

All contingencies and events occurring after the Balance Sheet date, which have a material effect on the financial position of the company, are considered for preparing the financial statements.

| 20 | As per the Concession Agreement for the Project executed with MPRDC, the available balance in the Escrow Account needs to be withdrawn every month as per the order specified in the Escrow Agreement dated 23rd February 2010. During the year, the revenue of the Company was insufficient for payment of Premium to MPRDC as per the said specified order of withdrawal under Escrow Agreement. The Concession Agreement does not provide for accrual of Premium if the Project revenue is insufficient for its payment. Hence no provision has been made in the books of account towards Premium amounting to Rs.69.26 million for the financial year 2015-16. |                                           |                                          |

|    | The Employees' Gratuity scheme and Leave benefit scheme are the Company's defined benefit plans.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                           |                                          |
|    | All employees who have rendered service for specified period as per the Payment of Gratuity Act, 1972 are entitled for gratuity. The gratuity amount is determined based on the last drawn salary and period of service with the company.                                                                                                                                                                                                                                                                                                                                                                                                                          |                                           |                                          |
|    | The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date. Current service cost represents the cost associated with the benefit accrual for the current accounting period. Total employer expenses for the current financial year are inclusive of current service cost, actuarial gain/loss and net interest.                                                                                                                                                                                                                         |                                           |                                          |
|    | The defined benefit obligations are unfunded and thus the disclosure requirements of plan assets have not been made.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                           |                                          |
|    | The following tables set out the details of amount recognised in the financial statements in respect of gratuity and leave benefits which is not funded:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                           |                                          |

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. The carry forward of Unabsorbed Depreciation & Business Loss resulted into Net Deferred Tax Assets. Considering the concept of prudence deferred tax assets is not recognized by the company during the current financial year as well as previous financial years. |        |        |

## **INDEPENDENT AUDITORS' REPORT**

To,

The Members

**Mahakaleshwar Tollways Private Limited**

Indore

1. We have audited the accompanying financial statements of **Mahakaleshwar Tollways Private Limited** ('the Company') which comprise the Balance Sheet as at 31<sup>st</sup> March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the period then ended, and the Notes to Financial Statements comprising of a summary of significant accounting policies and other explanatory information.

### **2. Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **3. Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of the material misstatement of the financial statements, whether due to error or fraud. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **4. Opinion:**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2015, and its losses and its cash flows for the period ended on that date.

## 5. Report on Emphasis of Matter

*Without qualifying our opinion, attention is invited to Note No.20 for non -recognition of Premium amount payable to Madhya Pradesh Road Development Corporation Limited (MPRDC) for the financial year 2013-14 & 2014-15.*

## 6. Report on Other Legal and Regulatory Requirements

- (a) As required by the Companies (Auditors' Report) Order, 2015 ('the Order') issued by the Central Government of India in terms of sub section 11 of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- (b) As required under provisions of section 143(3) of the Act, we report that:
  - i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - ii. In our opinion, proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books;
  - iii. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
  - iv. In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in section 133 of the Act read with Rule 7 Company (Accounts) Rules, 2014.
  - v. On the basis of written representations received from the directors, as on 31<sup>st</sup> March, 2015 and taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2015, from being appointed as a director in terms of Section 164 (2) of the Act.
  - vi. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of the information and according to the explanation given to us:
    - (a) The Company does not have any pending litigations as on the date of Financial Statements.
    - (b) The Company has made provisions, as required under the applicable law or accounting standard for material forceable losses, if any.
    - (c) There has been no delay in transferring amounts required to be transfer, to the Investor Education and Protection Fund by the company.

## ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(As referred to in paragraph 5(a) of our report to the members of **Mahakaleshwar Tollways Private Limited** on the accounts as at and for the period ended 31<sup>st</sup> March, 2015)

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets are physically verified by the management according to a phased programme designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the management during the year and no material discrepancies were noticed on such verification.
- (ii) (a) As company does not hold any inventory, so physical verification of inventory is not required. Therefore, the clause is not applicable on the company.
- (iii) As per the information given to us, the Company has not granted advances /loans to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ("The Act"). Therefore, clause (a) and (b) of para (iii) of the order is not applicable on the company.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business with regard to purchase of inventory, fixed assets and with regard to the sale of goods and services. Further, on the basis of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across nor have been informed of any continuing failure to correct major weaknesses in the aforesaid internal control system.
- (v) As per the information and explanations provided to us, the Company has not accepted any deposits and therefore provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act and rules there under are not applicable to the Company.
- (vi) To the best of our knowledge and according to the explanations given to us, the central government has not prescribed maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the company..
- (vii) According to the information and explanations given to us, and the records of the Company examined by us, in our opinion,
  - (a) The Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, customs duty, excise duty, cess and other material statutory dues as applicable with the appropriate authorities, though there has been a slight delay in a few cases.
  - (b) According to the information and explanations given to us, there are following dues of income tax/sales tax, there is no undisputed statutory dues or outstanding liabilities as at 31<sup>st</sup> March 2015. have not been deposited by the Company on account of any disputes: -
  - (c) According to the information and explanations given to us, there is no amounts required to be transferred to Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made there under has been transferred to such fund within time.
- (viii) The company has been registered for a period not less than five years; the company net worth of the company is fully eroded as on 31<sup>st</sup> March 2015. Further the company has incurred cash losses both in the current year and immediately preceding financial.
- (ix) Based on our audit procedure and on the basis of information and explanations given to us by the management, we are of the opinion that the Company has made delayed in repayment of dues and interest to bank during the year.
- (x) As per the information given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (xi) According to the records of the Company examined by us and the information and explanations given to us, in our opinion, the term loans taken by the Company have been applied for the purpose for which they were obtained.

- (xii) Based upon the audit procedures performed and information and explanation given by the management, we report that no fraud on or by the Company has been noticed or reported during the course of our audit for the year ended 31<sup>st</sup> March, 2015.

# MAHAKALESHWAR TOLLWAYS PRIVATE LIMITED

## Notes to the financial statements for the year ended 31st March, 2015

### 1 Nature of Operations

The Company has been awarded the works of "Design, engineering, construction, development, finance, operation and maintenance for four laning from Indore Ujjain section on SH-27 from Ch KM 5/2 at Indore to Ch KM 53 at Ujjain in the state of M.P on Build-Operate-Transfer (BOT) basis" as per the concession agreement dated September 17, 2008 from the MPRDC. The Concession Agreement is for a period of 25 years.

### 2 Significant Accounting Policies

#### 2.1 Basis of preparation

a) The financial statements are prepared in accordance with the historical cost convention and the accrual basis of accounting. The accounting policies applied by the Company are consistent with those applied in the previous year except as otherwise stated elsewhere.

b) These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). These Financial Statements have been prepared to comply in all material respects with the Accounting Standards ('AS') specified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, other pronouncements of the Institute of Chartered Accountants of India and relevant applicable provisions of the Companies Act, 1956, and Companies Act, 2013 to the extent applicable.

#### Operating Cycle

c) As per the Schedule III of Companies Act, 2013, "an operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents". For the company, there is generally no clearly identifiable normal operating cycle and hence the normal operating cycle for the company is assumed to have duration of 12 months.

#### Current and Non-Current Asset

An asset is classified as 'current' when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- b) it is held primarily for the purpose of being traded; or
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as 'non-current'.

#### Current and Non-Current Liability

A liability is classified as 'current' when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycles; or
- b) it is held primarily for the purpose of being traded; or
- c) it is due to be settled within twelve months after the reporting date; or
- d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as 'non-current'.

#### 2.2 Use of estimates

The preparation of financial statements requires the management to make estimates and assumptions which are considered to arrive at the reported amounts of assets and liabilities and disclosure of contingent liabilities as on the date of the financial statements and the reported income and expenses during the reporting year. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to the accounting estimates are recognised prospectively in the current and future years.

## **2.3 Fixed Assets**

### **(a) Expenditure Incurred on Construction of Assets under Concession Agreement**

### **(b) Other Fixed Assets**

Land is Valued at Cost. Other fixed assets are stated at the cost of acquisition less accumulated depreciation. The cost of fixed assets comprises purchase price and other attributable expenses included for the purpose of acquisition and installation of fixed assets.

Intangible assets represents Toll Collection Rights are recognized in accordance with the criteria specified in Accounting Standard (AS) 26 "Intangible Assets" issued by Institute of Chartered Accountants of India(ICAI). They are carried at cost less accumulated amortization and impairment losses, if any. Cost comprises construction cost including finance costs etc incurred during the implementation phase.

## **2.4 Depreciation / Amortisation**

### **(a) Tangible Assets**

Depreciation on fixed assets is provided on straight line method on the basis of useful life specified in Schedule II of Companies Act 2013. The residual value of all assets for depreciation purpose is considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the period of addition / disposal. Fixed Assets costing up to Rs. 5,000/- are fully depreciated in the year of purchase.

During the current reporting year, the Company has adopted the revised useful lives of assets to compute depreciation as per Schedule II of the Companies Act, 2013. In accordance with requirements of said schedule II, the details of estimated useful life for each category of assets are as under:

| Category              | Useful Life in (yrs) |
|-----------------------|----------------------|
| Office Equipment's    | 5                    |
| Toll Equipment's      | 15                   |
| Furniture and Fixture | 10                   |
| Computers             | 3                    |

### **(b) Intangible Assets**

In the Case of Intangible assets, the useful life method of amortisation has been changed to Revenue based method of Amortisation as specifically prescribed for "Toll Roads" in Schedule II to Companies act 2013. Since the change in method of amortisation is a change on accounting policy, retrospective recomputation of Amortisation has been calculated and the surplus amortisation generated has been credited to General Reserves because the change has been made due to change in statute

## **2.5 Borrowing Costs**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## **2.6 Revenue Recognition**

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and revenue can be reliably measured. Interest on fixed deposits is recognized on time proportion basis taking into account the amount outstanding and the rate applicable. Revenue from toll is accounted for on the basis of usage charges recovered from the users of the toll .

## **2.7 Employee benefits**

Employee Benefit in the form of Provident Fund is defined contribution plan and the Company's contribution, paid or payable during the reporting period is charged to the Statement of Profit and Loss.

Gratuity liability is a defined benefit plan and is provided for based on actuarial valuation on projected unit credit method at the Balance Sheet date.

Long-Term compensated absences are defined benefit plan and are provided for based on actuarial valuation on projected unit credit method at the Balance Sheet date.

Actuarial gains/ losses are charged to the Statement of Profit and Loss and are not deferred.

## **2.8 Earnings Per Share (EPS)**

Basic and Diluted earnings per share are computed by dividing the net profit / loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

## **2.9 Accounting for Taxes on Income**

Current tax is the amount of tax payable on the taxable income for the year determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. The deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

## **2.10 Provisions, Contingent Liabilities and Contingent Assets:**

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

## **2.11 Contingencies and Events Occurring After the Balance Sheet Date**

All contingencies and events occurring after the Balance Sheet date, which have a material effect on the financial position of the company, are considered for preparing the financial statements.

| <b>20</b> | As per the Concession Agreement for the Project executed with MPRDC, the available balance in the Escrow Account needs to be withdrawn every month as per the order specified in the Escrow Agreement dated 23rd February 2010. During the year, the revenue of the Company was insufficient for payment of Premium to MPRDC as per the said specified order of withdrawal under Escrow Agreement. The Concession Agreement does not provide for accrual of Premium if the Project revenue is insufficient for its payment. Hence no provision has been made in the books of account towards Premium amounting to Rs 57.72 mn for the financial year 2013-14 and Rs.64.85 mn for the year 2014-15. |                                              |                                              |

|           | The Employees’ Gratuity scheme and Leave benefit scheme are the Company’s defined benefit plans.                                                                                                                                                                                                                                                                                                                                          |                                           |                                          |
|           | All employees who have rendered service for specified period as per the Payment of Gratuity Act, 1972 are entitled for gratuity. The gratuity amount is determined based on the last drawn salary and period of service with the company.                                                                                                                                                                                                 |                                           |                                          |
|           | The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date. Current service cost represents the cost associated with the benefit accrual for the current accounting period. Total employer expenses for the current financial year is inclusive of current service cost, actuarial gain/loss and net interest. |                                           |                                          |
|           | The defined benefit obligations are unfunded and thus the disclosure requirements of plan assets have not been made.                                                                                                                                                                                                                                                                                                                      |                                           |                                          |
|           | The following tables set out the details of amount recognised in the financial statements in respect of gratuity and leave benefits which is not funded:                                                                                                                                                                                                                                                                                  |                                           |                                          |

|                                                         | Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years in accordance with Accounting Standard 22, “Taxes on Income” notified under Section 211(3C) of the Companies Act 1956. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. The carry forward of Unabsorbed Depreciation & Business Loss resulted into Net Deferred Tax Assets. Considering the concept of prudence deferred tax assets is not recognized by the company during the current financial year as well as previous financial years. |

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF GHAZIABAD ALIGARH EXPRESSWAY PRIVATE LIMITED**

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Ghaziabad Aligarh Expressway Private limited which comprise the Balance Sheet as at 31<sup>st</sup> March, 2017, the Statement of Profit and Loss, Cash Flow Statement for the period ended, and a summary of significant accounting policies and other explanatory information. **This financial statements audited by us, are prepared as per Indian GAAPs, which is required for the sole purpose of consolidation in Bharat Road Network Limited.**

#### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have considered the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017, and its Profit & Loss and its Cash Flow for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    - iv. The company has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016.

## **“Annexure A” to the Independent Auditors’ Report**

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended 31st March, 2017:

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;  
  
(b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.  
  
(c) The title deeds of immovable properties are held in the name of the company.
- 2) There is no Inventory in the company, hence clause 2(a) and 2(b) is not applicable.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (c) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has not given any loans, investments, guarantees, and security in the provisions of section 185 and 186 of the Companies Act, 2013.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2030 with regard to the deposits accepted from the public are not applicable.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities and there are no arrears of outstanding statutory dues.  
  
(b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of term loans to banks. However, there is delay in repayment of term loans to banks, and delay is reported in Note no. 28.1

- 9) In our opinion and according to the information and explanations given to us, the Company has utilized the money raised by way of disbursement of existing term loans during the year for the purposes for which they were raised.
- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- 11) The provisions of section 197 of the Companies Act 2013 are applicable on public limited company; hence clause 11 is not applicable to the company.
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards
- 14) Based upon the audit procedures performed and the information and explanations given by the management, the company has issued the warrants on preferential basis as per section 62(1)(c) read with rule 13(1) of The Companies (Share capital and Debentures) Rules, 2014 also comply the condition laid down in section 42 of The Companies Act, 2013, during the period under the review.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

**“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements Of Ghaziabad Aligarh Expressway Private Limited**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Ghaziabad Aligarh Expressway Private Limited as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on our audit procedures.

The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in preparation of the financial statements are consistent with those followed in the previous year.<br>The preparation of financial statements in conformity with Indian GAAP requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known. |

Where Government Grants are in the nature of promoters contribution i.e. they are given with reference to the total investment in an undertaking or by way of contribution towards its total capital outlay (for example, Central investment subsidy scheme) and no repayment is ordinarily expected in respect thereof, such Grants are treated as Capital Reserve as part of Shareholder's Funds which can neither be distributed as dividend nor considered as deferred income. Government grants available to the enterprise are recognized- i) where there is reasonable assurance that the enterprise will comply with the conditions attached to them; and ii) where such benefits have been earned by the enterprise and it is reasonably certain that the ultimate collection will be made.                                                                                                                                                                                                                                                                                                                                                                                    |

| 2.3.1 | <b>Tangible Assets</b><br>(i) Land is stated at cost.<br>(ii) Other Tangible Fixed Assets are stated at original cost and includes freight, installation cost, duties, taxes and other incidental expenses relating to their acquisition and bringing the asset to condition of ready for intended use less accumulated depreciation thereon.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 2.3.2 | <b>Intangible Assets</b><br>Intangible assets are recognized as per the criteria specified in Accounting Standard (AS) 26, i.e., "Intangible Assets" as specified in the Companies (Accounting Standards) Rule, 2006:<br><br>Toll Collection Rights are obtained in consideration for rendering construction, operation and maintenance services in relation to building and maintenance of the project on Design, Build, Finance, Operate and Transfer (DBFOT) basis. The cost of such Toll Collection Rights comprises construction cost of four laning of the existing carriageway and service roads, preoperative expenses and finance costs, Road Side Furniture, Street Lighting, TMS system, Toll Plaza Building, DG Sets, Electricals, Drainage, Culverts, VUP, Fly Overs, etc. incurred during the implementation phase; such costs, on completion of the project or part thereof are capitalized as Intangible Assets. |
| 2.3.3 | <b>Intangible Assets Under Development</b><br>Intangible Assets under development includes direct and indirect expenditure incurred for the Highway Project and costs incidental and related thereto.<br><br>Expenses incurred relating to the development of Highway Project prior to commencement of commercial operations are included under Intangible Assets under development and after completion are transferred to Intangible Assets<br><br>All expenses which are capital in nature and directly relatable to development of Highway Project incurred upto the commencement of commercial operations are included under Intangible assets under development. These expenses will be transferred to Intangible Assets upon completion and receipt of completion certificate from NHAI (COD).                                                                                                                            |
| 2.4   | <b>Depreciation / Amortisation</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| 2.4.1 | <b>Depreciation</b><br>Depreciation on assets has been provided on Straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/ deductions is calculated pro-rata from/ to the period of additions/ deductions.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 2.4.2 | <b>Amortisation</b><br>Toll collection rights in respect of road projects are amortized over the period of concession using the revenue based amortization method in the manner prescribed under Schedule II to the Companies Act, 2013. Under the revenue based method, amortization is provided based on the proportion of actual revenue earned till the end of the year to the total projected revenue from the intangible asset expected to be earned over the concession period. Total projected revenue is reviewed at the end of each financial year and is adjusted to reflect the changes in earlier estimate vis-à-vis the actual revenue earned till the end of the year so that the whole of the cost of the intangible assets is amortized over the concession period.<br>Leasehold assests and their improvements are amortized over the period of Lease.                                                         |
|       | Amortization on impaired assets is provided by adjusting the amortization charges in the remaining periods so as to allocate the revised carrying amount over the remaining useful life.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| 2.5   | <b>Borrowing Costs</b><br>Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other cost that an entity incurs in connection with the borrowing of funds.<br><br>In compliance of Accounting Standard (AS) 16, i.e., "Borrowing Cost", any income earned on temporary investments till commercial operation date, out of funds borrowed, which is inextricably linked with the project is deducted from the related borrowing costs incurred.                                                                                                                                                                  |
| 2.6   | <b>Investments</b><br>Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as Long term investments. Current investments are carried at lower of cost or and fair value determined on individual investment basis. Long term investments are carried at cost less provision for permanent diminution, if any, in the value of such investments.                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2.7  | <p><b>Foreign Exchange Transactions</b></p> <p>Transactions in foreign currency are recorded on initial recognition at the exchange rate prevailing at the time of the transaction.</p> <p>Monetary items (i.e. receivables, payables, loans etc.) denominated in foreign currency are reported using the closing exchange rate on each balance sheet date as per Accounting Standard (AS) 11, i.e., "The Effects of Changes in Foreign Exchange Rates". The exchange difference arising on the settlement of monetary items or on reporting of these items at rates different from the rates at which these were initially recorded / reported in previous financial statements are recognized as income / expense in the period in which they arise. Exchange differences arising on reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded during the period or reported in the previous financial statements in so far as they relate to the acquisition of depreciable capital assets by addition to / deduction from the cost of the assets. Non-monetary items are carried at cost.</p>                                                            |
| 2.8  | <p><b>Revenue Recognition</b></p> <p>Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.</p> <p>Fee Collection from the Users of the carriageway is accounted for as and when the amount is due and recovery is certain. Revenue from sale of smart card (local and monthly passes) is recognised as and when the cards are issued to the Users.</p> <p>Interest income is accounted for on time proportion basis.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| 2.9  | <p><b>Employee Benefits</b></p> <p>(i) <b>Short Term Employee Benefits</b></p> <p>All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.</p> <p>(ii) <b>Post-Employment Benefits</b></p> <p>a) <b>Defined Contribution Plans:</b> The obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service.</p> <p>b) <b>Defined Benefit Plans:</b> The obligation towards gratuity is a defined benefit plan</p> <p>The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation as per Accounting Standard (AS) 15, i.e., "Employee Benefits".</p> |
|      | <p>The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.</p> <p>(i) <b>Long Term Employee Benefits</b></p> <p>The obligation for long term employee benefits such as long term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned in (ii) (b) above.</p> <p>The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.</p>                                                                                                                                                                                                                                   |
| 2.10 | <p><b>Accounting for Taxes on Income</b></p> <p>Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961, and based on expected outcome of assessments / appeals.</p> <p>Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.</p> <p>Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

|                   |             | Terms of warrants are as follows:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                    |                  |                                        |                                        |   |
|                   |             | Warrants entitle the Warrant-holder to subscribe to one equity share of Rs.10/- (Face Value of Rs 10 per share) in the Company for each warrant held by the Warrant-Holder, subject to a re-characterisation event not having taken place on the maturity of the Warrants, that is, at the end of the Tenure (60 months). If the Warrant-holder opts not to subscribe to equity shares in the Company, the amount paid on the Warrants will be fully forfeited, and thereupon, the Warrant will be deemed to have expired. |                    |                  |                                        |                                        |   |
|                   |             | In case of re-characterisation event taking place as per terms of the issue, the warrant shall be deemed to have been converted into Unsecured debenture. The tenure of debenture shall be 17 years from the date of issue. The debenture shall carry interest @ 14% p.a. payable only when the company has distributable cash profits.                                                                                                                                                                                    |                    |                  |                                        |                                        |   |
