Bumper Offers from Stock Market Guide

I am now proposing a wonderful money making opportunity for Stock Market experts and those who have access to inside news.

We all know that "Big people" in Mumbai and Kolkata have more access to inside news than ordinary retail investors. If you have access to inside news, you can make more money than your salary. Just mail or call me with your idea, if It helps my subscribers to make money, you will get very good income.

What is the procedure?

1. For Experts: If you spot an investment opportunity in a stock, please mail me (dr.nykrishna@gmail.com) with clear explanation i.e. What is the opportunity, what is the target price and what are the risks etc.

If I publish it in my paid blog, I will give money, according to the opportunity (kind of returns).

2. Insiders: If people who have access to inside news like stake sale, mergers, acquisitions or any significant news or events, can mail me (dr.krishna@gmail.com) with proper description.

Note: Your news or opportunity should help my subscribers to make money within 1-2 months.

Please do not send me Day Trading Tips, Trading Ideas or Long term opportunities.

Recent Examples:

1. Larsen and Toubro - Satyam stake buy
2. RIL-RPL merger
3. GMR Industries stake news
4. Satyam scam

Please do not send me vague ideas and trading ideas.

How much money will I pay?

You will get money according to the returns my subscribers will get. I will pay the money only after seeing the returns as payment is directly proportional to returns. Time duration is according to your description.

1. **Rs 10,000:** Ideas or inside news which will give just 10-20% returns.
2. **Rs 25,000:** Investment ideas which will give 20-30% returns.
3. **Rs 40,000:** Inside news or investment opportunities which will help my subscribers to get 30-50% returns.
4. **Rs 60,000:** If any one sends me inside news or investment idea which will help my subscribers to make 50-70% returns.
5. **Rs 1 lakh:** If your investment idea or inside news will help my subscribers to make **more than 70% returns**.

Maximum Investment duration is 1 month. I will extend time limit in case of clear investment opportunities. Don't forget that I will increase payment if the opportunity is in a large cap. I will gradually increase payment as I get more subscribers. I will even pay you Rs 5 lakh if you provide me 100% sure inside news about a major company. We can not beat "Big People" as individuals but we can do it as a community.

I will give these returns irrespective of whether my subscribers will utilise your investment idea or not.

Note: Please mail me (dr.nvkrishna@gmail.com) or call me (09848490934) whenever you got an idea.

Note: One can make money by helping my subscribers to make more money. This is a mutually beneficial one. If we get quick returns (less than 1 week), I will pay the money immediately.

Please mail me or call me if you need any clarifications on my offers. **We hate day trading tips and trading ideas.**

Share knowledge and make more money. Please do not spam. Please send me information about sound opportunities only but not mails with vague descriptions.
