RISK FACTORS

Risk factors relating to the transaction

- The acquisition of the Sale Shares (as defined hereinbelow) is subject to (a) the satisfaction or waiver (at the discretion of the Acquirer or the Seller, as the case may be) of various conditions under the SPA (as defined hereinbelow), and/or (b) the occurrence of a Termination Event (as defined hereinbelow) under the SPA. Highlights of each of these conditions and Termination Events have been outlined in Part II of Section B (*Details of the Offer*).

Risk factors relating to the Offer

- The Acquirer may withdraw the Offer in accordance with the conditions specified in Part II Section B of this Draft Letter of Offer. In the event of a withdrawal of the Offer, the Acquirer (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make a public announcement of such withdrawal, in the same newspapers in which the Detailed Public Statement had appeared, stating the grounds for the withdrawal in accordance with regulation 23(2) of the SEBI (SAST) Regulations.
- In the event of any litigation leading to a stay on the Offer by a court of competent jurisdiction, or SEBI instructing that the Offer should not proceed, the Offer may be withdrawn or the Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer. Consequently, in the event of any delay, the payment of consideration to the Public Shareholders of the Target Company, whose Equity Shares are accepted under this Offer, as well as the return of Equity Shares not accepted under this Open Offer by the Acquirer may be delayed.
- The Equity Shares tendered in the Offer will be held in trust by the Registrar to the Offer / Clearing Corporation until the completion of the Offer formalities, and the Public Shareholders who have tendered their Equity Shares will not be able to trade such Equity Shares held in trust by the Registrar to the Offer / Clearing Corporation during such period. During such period, there may be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.
- In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares, the Acquirer shall accept those Equity Shares which are validly tendered by the Public Shareholders on a proportionate basis as detailed in paragraph 11 of Section A of Part V (*Justification of Offer Price*) below. Therefore, there is no certainty that all the Equity Shares tendered in the Offer will be accepted. The unaccepted Equity Shares will be returned to the respective Public Shareholders in accordance with the schedule of activities for the Offer.
- Further, Public Shareholders should note that, under the SEBI (SAST) Regulations, once Public Shareholders have tendered their Equity Shares in the Offer, they will not be able to withdraw their Equity Shares from the Offer even in the event of a delay in the acceptance of Equity Shares under the Offer and/or the dispatch of consideration.
- The acquisition of Shares tendered by NRIs and OCBs are subject to approval/exemption, if applicable, from the RBI. NRI and OCB holders of Shares, if any, must obtain all requisite approvals required to tender the Shares held by them pursuant to this Offer (including without limitation, the approval from the RBI or FIPB) and submit such approvals, along with other documents required in terms of the Draft Letter of Offer. Further, if holders of the Shares who are not persons resident in India (including NRIs, OCBs, QFIs and FIIs) had required any approvals (including from the RBI or FIPB) in respect of the Shares held by them, they will be required to submit the previous approvals that they would have obtained for holding the Shares, to tender the Shares held by them pursuant to this Offer, along with the other

documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Shares tendered in this Offer.

- In case of delay in receipt of any statutory approval, SEBI may, if satisfied that such delay in receipt of the requisite statutory approval(s) was not attributable to any willful default, failure or neglect on the part of the Acquirer to diligently pursue such approval, and subject to such terms and conditions as specified by SEBI, including payment of interest in accordance with regulation 18(11) of the SEBI (SAST) Regulations, grant an extension of time to the Acquirer pending receipt of such statutory approval(s) to make the payment of the consideration to the Public Shareholders whose Equity Shares have been accepted in the Offer.
- The Acquirer and the Manager accept no responsibility for the statements made otherwise than in the Draft Letter of Offer, the DPS (as defined below) and/or the PA (as defined below) and/or in the Offer Opening Public Announcement (as defined below) or in any corrigendum to the DPS and the PA (if issued) and anyone placing reliance on any other source of information (not released by the Acquirer or the Manager) would be doing so at his, her or their own risk.
- Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability, pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the Manager do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Draft Letter of Offer.

Probable risks involved in associating with the Acquirer

- Neither the Acquirer nor the Manager makes any assurance with respect to the continuation of past trends in the financial performance of the Target Company.
