RISK FACTORS RELATING TO THE PROPOSED OFFER AND THE PROBABLE RISK INVOLVED IN ASSOCIATING WITH THE ACQUIRER AND THE PACS

For capitalized terms used herein, please refer to the section on Definitions set out below.

A. Relating to the Offer

- a. This Offer is a voluntary offer to acquire up to 651,000,000 (Six Hundred and Fifty One Million) Equity Shares representing 17.51% of the Voting Share Capital. In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares agreed to be acquired in this Offer, the Acquirer and/or any one or more PACs shall accept the Equity Shares received from the Public Shareholders on a proportionate basis. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Public Shareholders in accordance with the schedule of activities for the Open Offer.
- b. As on the date of this LOF, to the best of the knowledge of the Acquirer and the PACs, there are no statutory approvals required to acquire the Equity Shares that are validly tendered pursuant to the Open Offer or to complete the Open Offer, save and except as set out in paragraph 7.4 (Statutory and other Approvals) of this LOF and those which become applicable prior to completion of the Open Offer. However, in case any statutory or other approval becomes applicable prior to the completion of the Open Offer, the Open Offer would also be subject to such statutory or other approval(s) being obtained. In the event of delay of any such statutory approvals, this Offer process may be delayed beyond the schedule of activities indicated in this LOF. Consequently, the payment of consideration to the Public Shareholders whose Equity Shares are validly tendered and accepted in this Offer, as well as the return of Equity Shares not validly tendered and accepted in this Offer, may be delayed. As per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the non-receipt of approvals was not on account of any wilful default or negligence on the part of the Acquirer and/or the PACs, grant extension for the purpose of completion of this Open Offer subject to the Acquirer and the PACs agreeing to pay interest to the Public Shareholders, as may be specified by SEBI. Where any statutory or other approval extends to some but not all of the Public Shareholders, the Acquirer and/ or the PACs shall have the option to make payment to such Public Shareholders in respect of whom no statutory or other approvals are required in order to complete this Open Offer. In terms of Regulation 23(1) of the SEBI (SAST) Regulations, in the event that the approvals specified in paragraph 7.4 of this LOF or those which become applicable prior to completion of the Open Offer are not received, for reasons outside the reasonable control of the Acquirer and the PACs, then the Acquirer and the PACs shall have the right to withdraw the Open Offer. In the event of such a withdrawal of the Open Offer, the Acquirer and the PACs (through the Manager) shall, within 2 Working Days of such withdrawal, make an announcement of such withdrawal, in the same newspapers in which the DPS had appeared, stating the grounds for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations and such announcement will also be sent to SEBI, Stock Exchanges and the Target Company at its registered office. The approval set out in paragraph 7.4.1 of this LOF has been obtained by the Acquirer and PACs. Further, pursuant to an email dated March 02, 2021, on account of time taken for the process to receive certain exemptions and no action relief from U.S. Securities and Exchange Commission, SEBI granted an extension to the Acquirer and PACs permitting them to dispatch the LOF within 7 Working Days from the receipt of such exemptions and no action relief and commence the tendering period within 12 Working Days from the receipt of such exemptions and no action relief subject to them paying interest for any delay at 10% per annum.
- c. If, (i) there is any litigation, that leads to a stay on the Open Offer or restricts the Acquirer and/or the PACs from performing its obligations hereunder; or (ii) SEBI instructs the Acquirer and/or the PACs not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this LOF. Consequently, the payment of consideration to the Public Shareholders whose Equity Shares have been accepted in this Open Offer as well as return of the Equity Shares not accepted by the Acquirer and/or the PAC(s) may be delayed.
- d. Equity Shares once tendered in the Open Offer cannot be withdrawn by the Public Shareholders, even in the event of a delay in the acceptance of Equity Shares under the Open Offer and/ or the payment of consideration. The tendered Equity Shares and documents will be held in trust for the benefit of the Public Shareholders, who have tendered Equity Shares in the Open Offer, by the Clearing Corporation/ Registrar to the Offer until such time the process of acceptance of tenders of Equity Shares under the Open Offer and the payment of consideration is completed. Once tendered, the Public Shareholders will not be able to trade in such Equity Shares. During such period, there may be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Open Offer. The Public Shareholders will be solely responsible for their decisions regarding participation in this Open Offer.
- e. NRIs and OCB holders of the Equity Shares, if any, must obtain all requisite approvals required to tender the Equity Shares held by them in this Offer (including, without limitation, the approval from the RBI since the Equity Shares in this Offer may be acquired by a non-resident entity along with the resident entity) and submit such approvals along with the Form of Acceptance and other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer and/or the PACs reserve the right to reject such Equity Shares tendered in this Offer. Further, if Public Shareholders who are not persons resident in India (including NRIs, OCBs, FIIs and FPIs) had required any approvals (including from the RBI or any other regulatory body) at the time of their original investment in respect of the Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for acquiring/ holding the Equity Shares, along with the other documents required to be tendered to accept this Offer. If such previous approvals and/or the relevant documents are not submitted, the Acquirer and/or the PACs reserve the right

to reject such Equity Shares tendered in this Offer. If the Equity Shares are held under the general permission of the RBI, the non-resident Public Shareholders should state that the Equity Shares are held under such general permission. Further, NRIs, OCBs, and entities incorporated outside India and which are owned and controlled by NRIs should clarify whether the Equity Shares are held on a repatriable basis or non-repatriable basis.

- f. This LOF, together with the DPS, Corrigendum to DPS and DLOF, PA and Corrigendum to the PA in connection with the Offer have been prepared for the purposes of compliance with the applicable laws and regulations of India, including the SEBI Act and the SEBI (SAST) Regulations, and has not been filed, registered or approved in any jurisdiction outside India. Recipients of this LOF who are resident in jurisdictions outside India should inform themselves of and comply with any applicable legal requirements. This Open Offer is not directed towards any person or entity in any jurisdiction where the same would be contrary to the applicable laws or regulations or would subject the Acquirer, the PACs or the Manager to the Offer to any new or additional registration requirements.
- g. Public Shareholders are advised to consult their respective stockbroker, legal, financial, investment or other advisors and consultants of their choosing, if any, for assessing further risks with respect to their participation in this Open Offer, and related transfer of Equity Shares to the Acquirer and/ or PAC(s). The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Open Offer, or in respect of any other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer, the PACs and the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in the LOF.
- h. The Acquirer, the PACs and the Manager to the Offer accept no responsibility for statements made otherwise than in the PA, Corrigendum to PA, DPS, Corrigendum to DPS and DLOF, LOF, or in the advertisements or any corrigenda or any materials issued by or at the instance of the Acquirer, the PACs or the Manager to the Offer in relation to the Open Offer. 6. OFFER PRICE AND FINANCIAL ARRANGEMENTS

6.1. Justification of Offer Price

- 6.1.2. The annualized trading turnover of the Equity Shares on the Stock Exchanges from January 01, 2020 to December 31, 2020 (i.e., 12 calendar months preceding the calendar month in which the PA is made) is as set out below:

Stock Exchange	Number of Equity Shares traded ("A")	Total number of Equity Shares ("B")	Trading turnover (as % of total equity shares) (A/B)
BSE	50,46,92,019	3,71,71,96,639	13.6%

- 6.1.4. The Offer Price of INR 235 (Indian Rupees Two Hundred and Thirty Five only) per Equity Share is justified in terms of Regulation 8(2) of the SEBI (SAST) Regulations, being higher than the highest of:

SL. No.	Particulars	INR
A	The highest negotiated price per Equity Share of the Target Company for any acquisition under the agreements attracting the obligation to make a public announcement of this Open Offer.	Not applicable

- 6.1.5. The Offer Price is higher than the highest of the amounts specified in the table in paragraph 6.1.4 above. In terms of Regulations 18(4) and 18(5) of the SEBI (SAST) Regulations, the Acquirer and PACs have decided to increase the offer price from INR 160 (Indian Rupees One Hundred and Sixty only) per Equity Share to INR 235 (Indian Rupees Two Hundred and Thirty Five only) per Equity Share consisting of INR 233.71 (Indian Rupees Two Hundred and Thirty Three and Seventy One Paise only) plus

interest of INR 1.29 (Indian Rupee One and Twenty Nine Paise only) per Equity Share computed at 10% per annum calculated for a period of delay of 20 days from April 6, 2021 (being the last date for payment of consideration to the Public Shareholders whose Equity Shares would have been validly tendered and accepted in the Open Offer given SEBI's observations on the DLOF were received on February 16, 2021) till April 26, 2021 (being the last date by which the actual payment of consideration is required to be made to Public Shareholders whose Equity Shares are validly tendered and accepted in the Open Offer). The amount deposited in the Escrow Account is in compliance with the requirements specified in Regulation 18(5) of the SEBI (SAST) Regulations and Regulation 17 of the SEBI (SAST) Regulations i.e., 25% of the first INR 5,000,000,000 (Rupees Five Billion only) of the Maximum Open Offer Consideration and 10% of the remainder of the Maximum Open Offer Consideration. 9.1. General:

- 9.1.1. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31 of the following year.
- 9.1.2. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
- 9.1.3. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India (including income deemed to be received in India).
- 9.1.4. Since the Target Company is incorporated in India, the Equity Shares are deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares is taxable in India under the IT Act.
- 9.1.5. Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said shareholder is a tax resident subject to satisfying the relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the MLI as ratified by India with the respective country of which the said shareholder is tax resident; (b) non-applicability of General Anti-Avoidance Rule ("GAAR"); and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- 9.1.6. Under the IT Act also taxability of the gains arising from the tendering of Equity Shares under the Open Offer depends on factors such as period of holding of the Equity Shares, residential status and category of the shareholder, nature of the income earned, etc.
- 9.1.7. The shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.
- 9.1.8. In addition to income tax, as the tendering of Equity Shares is being undertaken on the stock exchange, such transaction will be chargeable to Securities Transaction Tax ("STT"). STT is payable in India on the value of securities on every purchase or sale of

securities that are listed on the Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.

9.1.9. All references to equity shares in this paragraph 9 (Note on Taxation) refer to listed equity shares unless stated otherwise.

9.2. **Classification of Shareholders**

Shareholders can be classified under the following categories:

9.2.1. Resident Shareholders being:

- (i) Individuals, Hindu Undivided Family (“**HUF**”), Association of Persons (“**AOP**”) and Body of Individuals (“**BOI**”)
- (ii) Others
 - a. Company
 - b. Other than company

9.2.2. Non-Resident Shareholders being:

- (i) Non-Resident Indians (“**NRI**s”)
- (ii) Foreign Institution Investors (**FI**s) / Foreign Portfolio Investors (**FPI**s)
- (iii) Others:
 - a. Company
 - b. Other than company

9.3. **Classification of Shares**

The characterization of gains/losses, arising from sale of shares, as Capital Gains or Business Income would depend on the nature of holding in the hands of the shareholder and various other factors. Shareholders are also required to refer to Circular No.6/2016 dated February 29, 2016 issued by the Central Board of Direct Taxes (“**CBDT**”). The nature of gains/loss in the foregoing cases will be as under:

9.3.1. Shares held as ‘investment’: Income arising from transfer of shares taxable under the head “Capital Gains”

9.3.2. Shares held as ‘stock-in-trade’: Income arising from transfer taxable under the head “Profits and Gains from Business or Profession”.

9.4. **Taxability of equity shares held as investment:**

9.4.1. Capital gains in the hands of shareholders would be computed as per the provisions of Section 48 of the IT Act and the rate of income-tax would depend on the period of holding.

9.4.2. Period of Holding: Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long-term capital gain’. Such classification would be determined as under:

Short-term Capital Asset (“**STCA**”): Equity shares held for less than or equal to 12 months

Long-term Capital Asset (“**LTCA**”): Equity share held for more than 12 months

9.4.3. Accordingly, gains arising from transfer of a STCA are taxable as ‘Short-term Capital Gains’ (“**STCG**”). Gains arising from transfer of a LTCA are taxable as ‘Long-term Capital Gains’ (“**LTCG**”).

9.4.4. As per Section 112A of the IT Act, LTCG arising on sale of listed equity shares will be subject to tax at the rate of 10% if STT has been paid on both, on purchase and sale of shares (except in certain cases notified by CBDT *vide* Notification No. 60/2018 dated October 1, 2018) and if the aggregate LTCG during the financial year exceeds INR 1 lakh. The said rate will be increased by applicable surcharge and cess. Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under Section 112A of the IT Act.

9.4.5. As per Section 112A of the IT Act, LTCG will be computed without considering the indexation benefit. The cost of acquisition will be computed in accordance with the provisions of Section 55 read with Section 112A of the IT Act. In terms of Section 55 read with Section 112A of the IT Act, if investments were made on or before January 31, 2018, a method of determining the cost of acquisition of such investments has been specifically laid down such that gains up to January 31, 2018 are grandfathered. To clarify, if the equity shares on which STT is paid were acquired prior to January 31, 2018, the cost of acquisition of such shares should be higher of (a) actual cost of acquisition and (b) lower of (i) fair market value as on January 31, 2018 (highest quoted price on January 31, 2018 or immediately prior trading day if shares were not traded on January 31, 2018) and (ii) actual sale consideration.

9.4.6. If STT is not paid at the time of acquisition of the shares being acquired under the Open Offer and they do not fall within the exceptions identified under Notification No. 60/2018 dated October 1, 2018, then the entire LTCG arising to the shareholder shall be subject to tax @ 10% (plus applicable surcharge and cess) under Section 112 of the IT Act (or 20% (plus applicable surcharge

and cess) after claiming indexation benefit which is relevant in case of resident shareholders).

9.4.7. STCG realized on sale of listed equity shares (STT paid) will be subject to tax at the rate of 15% under Section 111A of the IT Act. The said rate will be increased by applicable surcharge and cess. Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.

9.4.8. As per Section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains.

9.4.9. Further the provisions of Minimum Alternate Tax on the book profits as contained in Section 115JB of the IT Act or Alternate Minimum Tax contained in Section 115JC of the IT Act, as the case may be, also need to be considered by the shareholders.

The provisions of Section 115JB of the IT Act do not apply to a foreign company if it is a resident of a country with which India has entered into a DTAA under Section 90/90A of the IT Act and the assessee does not have a permanent establishment in India or such company is a resident of a country with which India does not have such agreement and the assessee is not required to seek registration under any law for the time being in force, relating to companies.

9.4.10. As per Section 70 of the IT Act, Short Term Capital Loss computed for the given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off against subsequent years' STCG as well as LTCG, in terms of Section 74 of the IT Act.

9.4.11. Long Term Capital Loss computed for a given year is allowed to be set off only against LTCG computed for the said year, in terms of Section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of Section 74 of the IT Act.

9.4.12. Additional information in case of Foreign Institutional Investors (“**FIIs**”):

(i) As per Section 2(14) of the IT Act, any securities held by a FII which has invested in such securities in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992, will be treated as capital assets. Accordingly, any gains arising from transfer of such securities will be chargeable to tax in the hands of FIIs as capital gains.

(ii) Under Section 115AD(1)(ii) of the IT Act, STCG arising to a FII on transfer of shares (STT paid) will be chargeable at the rate of 15%,

(iii) Under Section 115AD(1)(iii) of the IT Act, income by way of LTCG arising from transfer of shares will be chargeable to tax at the rate of 10%. Provided that in case of income arising from the transfer of a LTCA referred to in Section 112A, income-tax at the rate of 10% will be calculated on such income exceeding Rs. 1 lakh.

Such capital gains would be computed without giving effect to the first and second proviso to Section 48. In other words, adjustment in respect of foreign exchange fluctuation and benefit of indexation would not be allowed while computing the capital gains.

(iv) The above rates are to be increased by applicable surcharge and cess.

(v) Further, no deduction under Chapter VI-A would be allowed in computing STCG and as well as LTCG.

(vi) The CBDT has *vide* Notification No. 9/2014 dated January 22, 2014 notified Foreign Portfolio Investors registered under the Securities and Exchange Board of India (FPI) Regulations, 2014 as FII for the purpose of Section 115AD of the IT Act.

(i) Under Section 115E of the IT Act, the LTCG arising to an NRI will be taxable at the rate of 10 % (plus applicable surcharge and cess). While computing the LTCG, the benefit of indexation of cost would not be available.

(ii) Under Section 115F of the IT Act, LTCG arising to an NRI from the transfer of the shares acquired or purchased in convertible foreign exchange shall be exempt from income-tax, if the net consideration is reinvested in specified assets, within six months of the date of transfer. If only part of the net consideration is so reinvested, the exemption shall be proportionately reduced. The amount so exempted shall be chargeable to tax subsequently, if the specified assets are transferred or converted into money within 3 (three) years from the date of their acquisition.

(iii) Under Section 115G of the IT Act, it will not be necessary for an NRI to furnish his return of income under Section 139(1) of the IT Act if his income chargeable under the IT Act consists of only investment income or LTCG or both; arising out of assets acquired, purchased or subscribed to in convertible foreign exchange and tax deductible at source has been deducted there from as per the provisions of Chapter XVII-B of the IT Act.

(iv) As per provisions of Section 115-I of the IT Act, an NRI may elect not to be governed by provisions of Chapter

XII-A and compute his total income as per other provisions of the IT Act.

9.4.14. Section 90(2) of the IT Act, provides relief to a non-resident, where there is a DTAA between India and the country of residence of the non-resident shareholder and the provisions of the DTAA are more favorable to the taxpayer, subject to satisfying relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the MLI as ratified by India with the respective country of which the said shareholder is tax resident; (b) non-applicability of General Anti-Avoidance Rule (“GAAR”); and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.

9.6.1. Remittance/Payment of Consideration

(i) Resident shareholders:

In the absence of any provisions under the IT Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirer and/or the PACs are not required to withhold tax on the consideration payable to eligible shareholders pursuant to tendering of shares under the Open Offer.

(ii) Non-resident shareholders – FIIs:

Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

(iii) Non-resident shareholders (other than FIIs):

Each non-resident shareholder will confirm its status by selecting the appropriate box in the Form of Acceptance-cum-Acknowledgement.

Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force.

However, the Acquirer and/or the PACs will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer and/or the PACs to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer and/or the PACs to the non-resident shareholders.

Since the tendering of Equity Shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to

withhold taxes and the Acquirer and/or PACs believe that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians/ authorized dealers/ agents/ non-resident shareholders – with no recourse to the Acquirer/promoters or the PACs. It is therefore recommended that the non-resident shareholders consult their custodians/ authorized dealers/ agents/ tax advisors appropriately. In the event the Acquirer and/or the PACs are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer and/ or the PACs should be indemnified.

The non-resident shareholders must file their tax return in India *inter alia* considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc. For additional income tax considerations applicable to persons who become shareholders of the Company upon conversion of ADS into Equity Shares, refer to paragraph 10 of this LOF.

9.6.2. Remittance/ Payment of Interest

In case of interest, if any, paid by the Acquirer and/or the PACs to resident and non-resident shareholder as per Regulations 18(11) and 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer and/or the PAC(s) depending on the settlement mechanism for such interest payments. In the event, the Acquirer and/or the PAC(s) decide(s) to withhold tax, the same shall be basis the documents submitted along with the Form of Acceptance or such additional documents as may be called for by the Acquirer and/or the PAC(s). It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income). In the event the Acquirer and/or the PACs are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer and/ or the PACs should be indemnified.

The shareholders must file their tax return in India *inter alia* considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The shareholders also undertake to provide the Acquirer and/ or PACs, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

9.7. Documents to be provided along with the Form of Acceptance:

Shareholders who wish to tender their Equity Shares must submit the information all at once as given in the Form of Acceptance and those that may be additionally requested for by the Acquirer/ PAC(s). The documents submitted by the shareholders along with the Form of Acceptance will be considered as final. Any further/ delayed submission of additional documents, unless specifically requested by the Acquirer/ PAC(s) will be accepted at the sole discretion of the Acquirer/ PAC(s).

The final decision to deduct tax or not, or the quantum of taxes to be deducted rests solely with Acquirer/ PAC(s).

- 9.10.3. The Acquirer and/or the PAC(s) will deduct tax (if required) as per the information provided and representation made by the shareholders. For further details, please see paragraph 8 of this LOF (Procedure for Acceptance and Settlement of the Offer) and paragraph 9.6 of this LOF (Withholding tax implications).

10.1.11. Market Value of the Equity Shares or ADS as of recent date

Equity Shares are listed on the BSE (Security ID: VEDL, Security Code: 500295) and NSE (Symbol: VEDL). The ISIN of Equity Shares is INE205A01025. The ADSs issued by the Target Company are listed on New York Stock Exchange (Symbol: VEDL).

10.2. Forward looking statements

Certain statements in this Letter of Offer are not historical and may constitute forward-looking statements reflecting financial performance. When used in this Letter of Offer, words such as “estimate”, “intend”, “expect”, “will”, “may”, “anticipate” and similar expressions are intended to identify forward-looking statements. Forward-looking statements are, by their very nature, not guarantees of future operational or financial performance and are subject to risks and uncertainties. Forward-looking statements are based on management’s estimates, beliefs and opinions on the date the statements are made. Actual results may differ from these estimates, beliefs and opinions.

10.3. Participation by ADS Holders

10.3.1. The holders of ADSs (and ADRs evidencing the ADSs, if applicable) will not be entitled to participate in the Open Offer, unless they convert their ADSs into Equity Shares and then tender such Equity Shares in the Open Offer. There may be certain circumstances wherein an ADS holder would be required to procure prior approval for acquisition of Equity Shares pursuant to conversion of ADSs. For instance, if a beneficial holder of an ADS is situated in or is a citizen of any country which shares a land border with India, then such ADS holder would be required to seek prior approval for conversion of such ADSs into Equity Shares. Accordingly, ADS holders are advised to consult their advisors prior to acquisition of Equity Shares pursuant to conversion of ADSs.

10.3.2. ADS holders who present their ADSs (or ADRs, if applicable) for cancellation to the Depository will be able to take possession of the corresponding Equity Shares in book-entry form only and, as a result, they must have, or must establish, a custodian or brokerage (demat) account in India to receive such Equity Shares prior to presenting their ADSs to the Depository for cancellation. Establishing such custodian or brokerage (demat) account may be subject to delay as a result of operational procedures and as the opening of such account may be subject to regulatory approvals in India. In addition, the conversion of ADSs into Equity Shares arguably should not be subject to Indian tax. However, the law is unclear on this aspect and hence Indian tax, if any, potentially

may be withheld or directly discharged by the converting ADS holder at a rate which may extend up to 43.68%. ADS holders should consult their custodians, authorized dealers, and/or tax advisors, as appropriate, regarding any such taxes or withholding.

- 10.3.3. If the ADS holder converts its ADS into Equity Shares, but decides not to participate in the Open Offer for any reason or any Equity Shares are not accepted on account of the aggregate number of Equity Shares tendered being more than the Offer Size in accordance with paragraph 7.1.9 of this LOF, such ADS holder will be able to re-deposit any such Equity Shares that are not tendered in the Open Offer, or if tendered, are not accepted in the Open Offer, and receive in return the ADS representing such re-deposited Equity Shares. The ADS holders are advised to consult the Depository prior to converting their ADSs into Equity Shares to understand the process and documents required for the purpose of conversion of ADS into Equity Shares, and re-conversion of Equity Shares into ADS (if required). For more information on this process, please visit the Target Company's website at www.vedantalimited.com. The conversion of Equity Shares back into ADSs may be subject to Indian tax, and hence Indian tax, if any, potentially may be withheld or directly discharged by the converting holder at a rate which may extend up to 43.68%. ADS holders should consult their custodians, authorized dealers, and/or tax advisors, as appropriate, regarding any such taxes or withholding.
- 10.3.4. The ADS holder will not be charged any fees payable to the Depository or to any custodian of Equity Shares for (a) the cancellation of ADSs by ADS holders and the delivery of Equity Shares to such custodian who, during the period starting from the date of this LOF till Offer Closing Date, present their ADS for cancellation to the ADS Depository for the purpose of effecting a valid tender into the Offer, (b) in the event the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the Offer Size and the Offer Shares validly tendered by the Public Shareholders are accepted on a proportionate basis in accordance with paragraph 7.1.9 of this LOF, the re-issuance of ADSs by the Depository during the 30 day period following the date the Equity Shares are available for re-deposit and (c) with respect to ADS holders who convert ADSs into Equity Shares during such period but who do not tender such Equity Shares in the event the Acquirers and the PACs withdraw the Open Offer in accordance with the condition specified in paragraph 7.4.8 of this LOF, re-issuance of ADSs by the ADS Depository during the 30-day period following the date the Equity Shares not accepted in Open Offer are available for re-deposit.

10.4. United States federal income tax consequences

The following discussion describes certain material United States federal income tax consequences to U.S. Holders (defined below) of a disposition of the Equity Shares pursuant to the Offer. This summary applies only to investors that hold the ADSs or Equity Shares as capital assets (generally, property held for investment) and that have the U.S. dollar as their functional currency. This discussion is based on the United States Internal Revenue Code of 1986, as amended (the "Code"), and United States Treasury regulations in effect or, in some cases, proposed, as well as judicial and administrative interpretations thereof available each as of the date hereof. All of the foregoing authorities are subject to change, which change could apply retroactively and could affect the tax consequences described below. The summary below does not discuss certain United States federal income tax consequences that may be relevant to a particular U.S. Holder's particular circumstances, such as Medicare contribution tax on net investment income. Furthermore, this summary does not address any estate or gift tax consequences, any state, local or non-U.S. tax consequences or any other tax consequences other than U.S. federal income tax consequences.

The following discussion is for general information only and does not describe all the tax consequences that may be relevant to any particular investor or to persons in special tax situations or subject to special rules

INVESTORS SHOULD CONSULT THEIR TAX ADVISORS ABOUT THE U.S. FEDERAL, STATE AND LOCAL CONSEQUENCES OF PARTICIPATING IN THE OFFER, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY OTHER TAXING JURISDICTION.

The discussion below of the United States federal income tax consequences to "U.S. Holders" will apply to you if you are a beneficial owner of ADSs or Equity Shares and you are, for United States federal income tax purposes;

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity taxable as a corporation for United States federal income tax purposes) created or organized in the United States or under the laws of the United States, any State thereof or the District of Columbia;
- an estate, the income of which is subject to United States federal income taxation regardless of its source; or
- a trust that (1) is subject to the primary supervision of a court within the United States and the control of one or more United States persons for all substantial decisions of the trust or (2) has a valid election in effect under the applicable United States Treasury regulations to be treated as a United States person.

If an entity or arrangement treated as a partnership for United States federal income tax purposes holds ADSs or Equity Shares, the tax treatment of a partner will generally depend upon the status and the activities of the partnership. A U.S. Holder that is a partner in a partnership holding ADSs or Equity Shares is urged to consult its tax advisor.

The discussion below assumes that the representations contained in the Deposit Agreement are true and that the obligations in the Deposit Agreement and any related agreement will be complied with in accordance with their terms. If you hold ADSs, you should be treated as the holder of the underlying Equity Shares represented by those ADSs for United States federal income tax purposes.

The following discussion assumes that the Target Company is not treated as a passive foreign investment company (a “PFIC”) for U.S. federal income tax purposes. However, there is no assurance that the Target Company is not treated as a PFIC with respect to a U.S. Holder of ADSs or Equity Shares due to its status as a PFIC during the current year or any prior years. If the Target Company were to be a PFIC in any year a U.S. Holder held ADSs or Equity Shares tendered pursuant to this Offer, certain material adverse U.S. federal income tax consequences could apply to the U.S. Holder.

Withdrawal or Deposit of Equity Shares from or into the ADS Facility

A withdrawal or deposit of Equity Shares from or into the ADS facility, and resulting conversion of ADSs into or from Equity Shares, should generally not be a taxable event for U.S. federal income tax purposes. Assuming such treatment is respected, a U.S. Holder should not recognize gain or loss on such conversion, such holder’s tax basis in its Equity Shares or ADSs received in such conversion should equal its tax basis in its ADSs or Equity Shares immediately prior to such conversion, and such holder’s holding period in Equity Shares or ADSs received should include its holding period in the ADSs or Equity Shares converted.

Taxation of a Disposition Pursuant to the Offer

Upon the disposition of Equity Shares for cash pursuant to the Offer, a U.S. Holder generally will recognize a capital gain or loss for United States federal income tax purposes in an amount equal to the difference between the amount realized for the Equity Shares and the U.S. Holder’s tax basis in the Equity Shares. Any such gain or loss will be treated as long-term capital gain or loss if the U.S. Holder’s holding period in the Equity Shares at the time of the disposition exceeds one year. Long-term capital gain of individual U.S. Holders generally will be subject to United States federal income tax at reduced tax rates. The deductibility of capital losses is subject to limitations. Any such gain or loss that you recognize generally will be treated as United States source income or loss for foreign tax credit limitation purposes.

The amount realized (including Indian tax, if any, withheld from the gross proceeds of such sale) by a cash-basis U.S. Holder and an accrual-basis U.S. Holder that has made a special election that disposes of Equity Shares pursuant to the Offer will be the U.S. Dollar value of the Indian Rupees received in exchange therefor, translated at the spot rate of exchange on the settlement date of the disposition, which generally will be the date the Indian Rupees are received (or deemed received) by the U.S. Holder (or any agent acting on behalf of the U.S. Holder, if applicable). An accrual-basis U.S. Holder that does not make the special election will recognize exchange gain or loss to the extent attributable to the difference between the exchange rates on the payments date and the settlement date, and such gain or loss generally will be treated as ordinary income or loss and as U.S.-source income or loss. The special election must be applied consistently from year to year and cannot be changed without the consent of the U.S. Internal Revenue Service (the “IRS”). A U.S. Holder’s tax basis in its Equity Shares will generally be the U.S. Dollar cost of their purchase.

Because gains generally will be treated as United States source gain, as a result of the United States foreign tax credit limitation, any Indian income tax imposed upon capital gains in respect of the disposition of Equity Shares may not be currently creditable unless a U.S. Holder has other foreign source income for the year in the appropriate United States foreign tax credit limitation basket. U.S. Holders should consult their tax advisors regarding the application of Indian taxes to a disposition of Equity Shares pursuant to the Offer and their ability to credit an Indian tax against their United States federal income tax liability.

Information Reporting and Backup Withholding

Proceeds from the disposition of Equity Shares pursuant to the Offer may be subject to information reporting to the IRS and possible United States backup withholding. Backup withholding will not apply, however, to a U.S. Holder who furnishes a correct taxpayer identification number and makes any other required certification or who is otherwise exempt from backup withholding. U.S. Holders who are required to establish their exempt status generally must provide such certification on IRS Form W-9. U.S. Holders should consult their tax advisors regarding the application of the United States information reporting and backup withholding rules.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against your United States federal income tax liability, and you may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the IRS and furnishing any required information.

10.6. Information regarding Specified Persons

Applicable U.S. securities laws require disclosure of certain information regarding the Acquirer and the PACs, each executive officer and director of the Acquirer and the PACs, each person controlling the Acquirer and the PACs, and each executive officer and director of any person ultimately in control of the Acquirer and the PACs. We refer to these persons, other than the Acquirer and the PACs, as the “specified persons”.

Relevant information regarding the Acquirer and the PACs, as well as each director of the Acquirer and the PACs, is set forth under section “Background of the Acquirer and the PACs” of this Letter of Offer.
