7. AUTHORITY FOR THE BUYBACK

The Buyback is being undertaken by the Company in accordance with Article 13 of the Articles of Association of the Company, the provisions of section 68, 69, 70, 179 and other applicable provisions of the Companies Act, the Rules thereunder and the SEBI Buyback Regulations. The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable law.

The Board at its meeting dated August 09, 2023, passed a resolution approving the Buyback of Equity Shares of the Company. Since the Buyback Size is less than 10% (ten percent) of the paid-up capital and free reserves (including securities premium account) of the Company under the board of directors approval route, as provided under the proviso to Section 68(2)(b) of the Act the approval of the Equity Shareholders of the Company is not required.

8. NECESSITY OF THE BUYBACK

Buyback is the purchase of its own Equity Shares by the Company. The objective is to maximize returns to investors, to reduce total number of shares and enhance overall shareholders value by returning cash to shareholders in an efficient and investor friendly manner. The Board of Directors of the Company at its meeting held on August 09, 2023 considered the accumulated Free Reserves as well as cash liquidity reflected in the audited standalone and consolidated financial statements for the Financial Year ended March 31, 2023 and benefits to the members holding Equity Shares of the Company and decided to allocate a sum of Rs. 155,00,00,000 (Rupees One Hundred and Fifty Five Crores only) (which is 7.87% and 7.87% of the total paid-up equity capital and free reserves, as per the standalone and consolidated financial statements, respectively, of the Company for the year ended March 31, 2023), excluding expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, merchant banker fees, stock exchange fee for usage of their platform for Buyback, transaction costs viz. brokerage, applicable taxes inter- alia including tax on distributed income to shareholders, Securities Transaction Tax, Goods and Services Tax, Stamp duty, etc., public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, which is within the maximum amount as aforesaid, for returning to the members holding Equity shares through Buyback.

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

- (a) The Buyback will result in reduction in the overall capital employed in the business, which will, in turn lead to higher earnings per share and enhanced return on equity and return on capital employed, return on net worth, return on assets, etc and long term increase in shareholders' value;
- (b) The Buyback will help the Company to distribute surplus cash to its Members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- (c) The Buyback, which is being implemented through the Tender Offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of 15% of the outlay to Small Shareholders. The Company believes that this reservation of 15% for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder"; and
- (d) The Buyback gives an option to the Members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

9. MANAGEMENT DISCUSSION AND ANALYSIS AND THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

- 9.1 The Buyback is not likely to cause any material impact on the earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. The Buyback will optimize returns to the shareholders and enhance overall shareholders value. The Buyback is not expected to impact growth opportunities for the Company.

9.2 In terms of the SEBI Buyback Regulations, under Tender Offer route, the Promoter Group has the option to participate in the Buyback. In this regard, all the Promoters and the Promoter Group entities vide their individual letters dated August 09, 2023 have informed the Company regarding their intention to participate in the Buyback and offer to tender their pro rata entitlement against the shares held by them as on the Record Date and may also tender such additional number of shares, as they may decide subsequently depending upon publicly available information at the time of such decision making, in compliance with the SEBI Buyback Regulations. The Company proposes to Buyback up to 31,00,000 Equity Shares, representing 1.87% of the total issued and Paid-up equity capital of the Company, at a price of Rs. 500 per Equity Share payable in cash for an amount aggregating not exceeding Rs. 155,00,00,000 (Rupees One Hundred and Fifty Five Crores only) excluding expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, merchant banker fees, stock exchange fee for usage of their platform for Buyback, transaction costs viz. brokerage, applicable taxes inter-alia including tax on distributed income to shareholders, Securities Transaction Tax, Goods and Services Tax, Stamp duty, etc., public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses being up to 7.87% and 7.87% of the fully paid-up equity capital and free reserves, as per the audited standalone and consolidated financial statements, of the Company for the year ended March 31, 2023, from the Eligible Shareholders on a proportionate basis through Tender Offer in accordance with the provisions of the Act, the Rules thereunder and the SEBI Regulations. The Buyback is subject to receipt of any approvals of statutory, regulatory or governmental authorities as may be required under applicable laws, including SEBI and the Stock Exchanges.

The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buyback and, accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buyback.

The aggregate shareholding of the Promoter Group is 11,52,99,422 Equity Shares which represents 69.50% of the existing equity share capital of the Company. In terms of the SEBI Buyback Regulations, under the Tender Offer, the Promoters of the Company have the option to participate in the Buyback. The Promoter and the Promoter Group entities vide their individual letters dated August 09, 2023 have informed the Company regarding their intention to participate in the Buyback and offer to tender at least such number of Equity Shares which would be equal to the proportionate entitlement of the Promoter Group out of the Equity Shares held by them as on the Record Date under the Buyback. In addition, the Promoter Group may also tender additional number of shares, as Promoter Group may decide subsequently, depending upon the publicly available information at the time of such decision making, in compliance with the SEBI Buyback Regulations. However, the Promoter and Promoter Group shall not tender more than 11,52,99,422 Equity Shares under the Buyback, being the total number of Equity Shares held by them collectively.

Assuming response to Buyback is to the extent of 100% (full acceptance) from all Shareholders up to their Buyback Entitlement, the aggregate Shareholding of the promoters, post Buyback may increase to 69.66% from 69.50%. Also, if none of the public shareholders participate and only Promoter and Promoter group participate to the extent

of the Buyback entitlement, their shareholding may reduce from 69.50% to 69.14% of the total paid up share capital of the Company.

Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:

The Board had fixed August 25, 2023 as the Record Date for the purpose of determining the Buyback Entitlement and the names of the Shareholders, who are eligible to participate in the Buyback Offer.

The Equity Shares proposed to be bought back by the Company shall be divided in two categories:

- (i) Reserved category for Small Shareholders (“Reserved Category”); and
- (ii) General Category for other Eligible Shareholders (“General Category”).

As defined in the SEBI Buyback Regulations, a “Small Shareholder” is a Shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the recognized stock exchange in which the highest trading volume in respect of such shares, as on Record Date is not more than Rs. 200,000/- (Rupees Two Lakhs Only).

The closing price of the equity shares of the Company on the Record Date, i.e. August 25, 2023) on NSE, being the stock exchange having the highest trading volume, was Rs. 382.30 per Equity Share. Accordingly the Shareholders holding not more than 523 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.

Based on the above definition, there are 71,485 Small Shareholders with aggregate shareholding of 50,76,274 Shares, as on the Record Date, which constitutes 3.1% of the outstanding Paid up equity share capital of the Company and 163.75% of the number of Equity Shares which are proposed to be bought back under this Buyback.

In compliance with Regulation 6 of the SEBI Buyback Regulations, the reservation for the Small Shareholders, will be 4,65,000 Equity Shares (“**Reserved Portion**”) which is higher of:

- i. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback, being 4,65,000 Equity Shares; or
- ii. The number of Equity Shares entitled as per their shareholding as on Record Date, being 94,849 Equity Shares.

All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders since the Promoter also intends to offer Equity Shares held by them in the Buyback.

The Reserved Portion for Small Shareholders will be 4,65,000 Equity Shares (higher of (i) and (ii) above). Accordingly, General Category for all other Equity Shareholders shall consist of 26,35,000 Equity Shares (the “**General Portion**”).

Based on the above, the Buyback Entitlement ratio for both categories is decided as below:

Category of Shareholders	Ratio of Buyback *
Reserved category for Small Shareholders	12 Equity Share for every 131 Equity Shares held on the Record Date
General category for all other Eligible Shareholders	1 Equity Share for every 61 Equity Shares held on the Record Date

* The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is 9.1603% and General category for all other Eligible Shareholders is 1.6393%.

Fractional Entitlements

If the Buyback Entitlement under the Buyback, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 11 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to

tender Additional Equity Shares as part of the Buyback and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.
- b) Post the Acceptance as described above, in case there are any Equity Shares left to be bought back from Small Shareholders in Reserved Category, the Small Shareholders who were entitled to tender Zero Equity Shares (on account of ignoring the fractional entitlement) and have tendered Additional Equity Shares as a part of the Buyback shall be given preference and one Equity Share each from the Additional Equity Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the Acceptance as described above, in case, there are Equity Shares left to be bought back in the Reserved category and there are any validly tendered unaccepted Equity Shares in the Reserved Category (“**Reserved Category Additional Shares**”), the Reserved Category Additional Shares shall be accepted in a proportionate manner and the Acceptance shall be made in accordance with the SEBI Buyback Regulations, i.e. valid Acceptance per Shareholder shall be equal to the Reserved Category Additional Shares by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Equity Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with the clause above, shall be reduced by one.

Adjustment for fractional results in case of proportionate Acceptance, as described above:

- i. For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares validly tendered in the General Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Shareholders in the General Category in the following order of priority:

- a. Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b. Post the Acceptance as described above, in case there are any Equity Shares left to be bought back in the General Category, and there are validly tendered Additional Shares in the General Category (“the **General Category Additional Shares**”), the General Category Additional Shares shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per shareholder shall be made in accordance with the SEBI Buyback Regulations, i.e. valid Acceptance per shareholder shall be equal to the General Category Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total General Category Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares remaining to be Accepted in General Category.

Adjustment for fractional results in case of proportionate acceptance as described above:

- i. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares between Categories

- a) In the event the Equity Shares tendered by the Small Shareholders in accordance with the process set out under the section entitled “*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*” is less than the Reserved Portion, Additional Equity Shares tendered by the Eligible Shareholders in the General Category over and above their Buyback Entitlement shall, in accordance with the Regulations, be accepted in proportion of the Additional Equity Shares tendered by them i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by an Eligible Shareholder in the General Category divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the Additional Equity Shares that can be accepted due to shortfall in the Reserved Portion.
- b) In the event the Equity Shares tendered by the Eligible Shareholders in the General Category in accordance with the process set out under the section entitled “*Basis of Acceptance of Equity Shares validly tendered in the General Category*” is less than the General Portion, Additional Equity Shares tendered by the Eligible Shareholders in the Reserved Category over and above their Buyback Entitlement shall, in accordance with the Regulations, be Accepted in proportion of the Additional Equity Shares tendered by them i.e. valid Acceptance per shareholder shall be equal to the Additional Equity Shares validly tendered by an Eligible Shareholder in the Reserved Category divided by the total Additional Equity Shares validly tendered in the Reserved Category and multiplied by the Additional Equity Shares that can be accepted due to shortfall in the General Portion.
- c) In case there is any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before Acceptance as mentioned above in this paragraph, out of the Shares left to be bought back in the General Category, provided no Acceptance could take place from such Shareholder in accordance with the section entitled “Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders”.

Adjustment for fractional results in case of proportionate acceptance as described above:

- i. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Miscellaneous

For avoidance of doubt, it is clarified that, in accordance with the clauses above:

- (a) **Equity Shares accepted under the Buyback from each Eligible Shareholder, shall be lower of the following:**
 - the number of Equity Shares tendered by the respective Shareholder or
 - the number of Equity Shares held by the respective Shareholder, as on the Record Date
- (b) **Equity Shares tendered by any Shareholder over and above the number of Equity Shares held by such Shareholder as on the Record Date shall not be considered for the purpose of Acceptance.**

In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares

held under the category of “clearing members” or “corporate body margin account” or “corporate body - broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

Clubbing of Entitlement

- (a) In accordance with Regulation 9(ix) of Buy-back Regulations, in order to ensure that the same Eligible Shareholders with multiple demat accounts / folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General Category) and the Buy-back Entitlement. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form as on Record Date, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical.
- (b) The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buy-back as per the shareholder records received from the Depositories. THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUYBACK OF EQUITY SHARES LISTED ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

I. GENERAL

The Indian tax year runs from 1st April to 31st March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act, 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his / her Indian sourced income or income received by such person in India. In case of shares of a company, the source of income from shares would depend on the 'situs' of the shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the

relevant Double Taxation Avoidance Agreement (“DTAA”) subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule (“GAAR”) and providing and maintaining necessary information and documents as prescribed under the ITA.

The summary tax implications on buy-back of equity shares listed on the stock exchange in India is set out below. All references to equity shares in this note refer to equity shares listed on the stock exchange in India unless stated otherwise.
