12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the SEBI Buyback Regulations, the Company has fixed a) Friday, December 23, 2022 as the record date ("Record Date") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- As per the SEBI Buyback Regulations and such other circulars or notifications, b) as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback
- The Equity Shares proposed to be bought back by the Company shall be c) divided into two categories; (i) reserved category for Small Shareholders (defined below) and (ii) the general category for all other Eligible Shareholders.
- As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small d) Shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of closing price of shares on the Stock Exchanges having the highest trading volume in respect of the Equity Shares on the Record Date, is not more than ₹2,00,000 (Rupees two lakh only). For the purpose of classification of a shareholder as a "small shareholder", in case of securities held in the demat form, multiple demat accounts having the same permanent account number ("PAN"), are to be clubbed together.
- In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% of e) the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- f) Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.
- In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order g) to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients
- h) After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- The participation of the Eligible Shareholders in the Buyback is voluntary. i) Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- The maximum number of Equity Shares that can be tendered under the j) Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as k) well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the mechanism notified by SEBI Circulars.
- Income arising to the shareholders under the Buyback is exempt from income 1) tax in India. However, the participation in the Buyback by non-resident shareholders may be taxable in their country of residence according to tax aws of their respective countries The Buyba chargeable to securities transaction tax in India.
