## RISK FACTORS

Given below are the risks related to the transaction, proposed Offer and those associated with the Acquirers along with PACs:

### 1) Relating to transaction

- a) Pursuant to the acquisition of Equity Shares, the Acquirers along with PACs (i) will appoint its directors on the Board of Directors of the Target Company; and (ii) shall acquire control of the Target Company, which will result in a change in ownership, control and management of the Target Company, which may have a significant effect on the business, financial condition and the results of operations of the Target Company.

### 2) Relating to the Offer

- a) To the best of the knowledge of the Acquirers along with PACs, no statutory approvals apart from those mentioned in Point No. 7.4 of this Letter of Offer, are required by the Acquirers along with PACs to complete this Offer. However, in case any other statutory approvals are required by the Acquirers along with PACs at a later date, this Offer shall be subject to such approvals. While the Acquirers along with PACs shall make the necessary applications for such approvals, in case of delay in receipt of any such statutory approvals, as per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that non-receipt of such approvals was not attributable to any willful default, failure or neglect on the part of the Acquirers along with PACs to diligently pursue such approvals, grant an extension of time for the purpose of completion of this Offer, subject to the Acquirers along with PACs agreeing to pay interest to the Public Shareholders for delay beyond 10 (Ten) Working Days from the date of closure of the Tendering Period, at such rate as may be specified by SEBI. The Acquirers along with PACs will also have the right, under Regulation 23(1) of the SEBI (SAST) Regulations to withdraw this Offer in the event any statutory approval or other conditions precedent as mentioned in paragraph 7.4 below, as may be required, are not granted or satisfied.
- b) In the event of over-subscription to the Offer, the acceptance will be on a proportionate basis and hence there is no certainty that all the shares tendered by the shareholders in the Offer will be accepted.
- c) Shareholders shall note that the Shareholders who tender the Equity Shares in acceptance of the Offer shall not be entitled to withdraw such acceptances during the tendering period even if the acceptance of Equity Shares under the Offer and dispatch of consideration gets delayed. The tendered shares and documents would be held in trust by the Registrar to the Offer / Custodian to the Offer, till such time as the process of acceptance of tenders and the payment of consideration is completed. During such period, there may be fluctuations in the market price of the Equity Shares and the Public Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer / Custodian to the Offer, thereby restricting the ability of such Public Shareholders to take advantage of any favorable price movements.
- d) The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take.
