2. NECESSITY FOR THE BUYBACK

Buyback is the purchase of its own Equity Shares by the Company. The objective is to maximize returns to investors, to reduce total number of shares and enhance overall shareholders' value by returning cash to shareholders in an efficient and investor friendly manner. The Board of Directors of the Company at its meeting held on May 19, 2026 considered the accumulated Free Reserves as well as cash liquidity reflected in the audited financial statements as at and for the period ended March 31, 2026 and benefits to the members holding Equity Shares of the Company and decided

to allocate a sum of ₹ 70.00 crores (Rupees Seventy Crore only) (representing 4.20% of the aggregate of the Company's paid up equity share capital and free reserves (including securities premium) as per the latest Audited Financial Statement of the Company, as at and for the period ended March 31, 2026), excluding Transaction Costs, which is within the maximum amount as aforesaid, for returning to the members holding Equity shares through Buyback.

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

1. The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby enhancing the overall return to shareholders;
2. The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve the allocation of the number of shares as per their entitlement or 15% of the number of shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
3. The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
4. The Buyback gives an option to the Shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.
