**RISK FACTORS:****Relating to the Underlying Transaction:**

1. As of the date of this Letter of Offer, to the best of knowledge and belief of the Acquirers, no statutory approvals are required by the Acquirers to acquire Equity Shares of the Target Company that are validly tendered pursuant to the Offer or to complete the Offer or to acquire Equity Shares from the Sellers in terms of the Agreement. However, in case of any other statutory or regulatory approvals being required by the Acquirers at a later date before the closing of the Tendering Period, then this Offer would be subject to the receipt of such approvals and the Acquirers will make the necessary applications for such approvals.
2. The information contained in this Letter of Offer is as of date of this Letter of Offer unless specified otherwise. The Acquirers and the Manager are under no obligation to update the information contained herein at any time after the date of this Letter of Offer.

**Relating to the proposed Offer:**

1. In the event that either: (a) regulatory or statutory approvals, as required, are not received in time; or (b) there is any order, of a governmental authority, or in a litigation, leading to a stay / injunction on the Open Offer or that restricts / restrains the Acquirers from performing their obligations hereunder; or (c) SEBI instructs the Acquirers not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. In case the delay is due to non-receipt of statutory approval(s), then in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, 2011, SEBI may, if satisfied that non-receipt of approvals was not due to any wilful default or failure or neglect on the part of the Acquirers, grant an extension

for the purpose of completion of the Open Offer subject to the Acquirers agreeing to pay interest to the validly tendering shareholders at such rate as may be specified by SEBI. Where the statutory approvals extend to some but not all the shareholders, the Acquirers will have the option to make payment of the consideration to such shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.

2. The acquisition of Shares tendered by NRIs and OCBs is subject to approval from the RBI. Non-resident Indian (“**NRI**”) and overseas corporate body (“**OCB**”) holders of the shares, if any, must obtain all requisite approvals required to tender the shares held by them in this Offer (including, without limitation, approval from the RBI) and submit copies of such approvals, along with the Form of Acceptance-cum-Acknowledgement and other documents required to be tendered to accept this Offer. Further, if holders of the shares who are not persons resident in India (including NRIs, OCBs, Foreign Portfolio Investors (“**FPIs**”) and Foreign Institutional Investors (“**FIIs**”)), willing to tender their Shares in this Offer, had required any approvals (including from the RBI, the Foreign Investment Promotion Board (“**FIPB**”) or any other regulatory / statutory authority) in respect of the shares held by them, they will be required to submit copies of such previous approvals, along with the other documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirers reserve the right to reject such shares tendered in this Offer. If the shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the shares are held under general permission and clarify whether the shares are held on a repatriable or a non-repatriable basis.
  3. The Acquirers may withdraw the Offer in accordance with the SEBI (SAST) Regulations, 2011. In the event of a withdrawal of the Offer, the Acquirers (through the Manager to the Offer) shall, within 2 (two) Working Days of such withdrawal, make a public announcement, in the same newspapers in which the Detailed Public Statement was published, stating the grounds for withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations, 2011.
  4. In the event that the number of shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares, the Acquirers shall accept those shares validly tendered by the Public Shareholders on a proportionate basis. Therefore, there is no certainty that all the shares tendered in the Offer will be accepted. The unaccepted shares will be returned to the respective Public Shareholders in accordance with the schedule of activities for the Offer.
  5. From the tendering of shares by the Shareholders to the settlement of the Open Offer, there may be fluctuations in the market price of the shares and the shareholders will not be able to trade in such shares held in the pool account of the broker / in trust by the Clearing Corporation of the Stock Exchange/Registrar to the Offer that may adversely impact the Public Shareholders who have tendered their Shares in this Open Offer.
  6. Public Shareholders who have lodged their acceptance to this Open Offer shall not be entitled to withdraw such acceptance during the Tendering Period, even if the acceptance of the shares in this Open Offer and dispatch of consideration are delayed. During such period, there may be fluctuations in the market price of the shares and the shareholders will not be able to trade in such shares, thereby restricting the ability of such Shareholders to take advantage of any favourable price movements. It is understood that the shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.
  7. Public Shareholders are advised to consult their respective stockbroker, legal, financial, tax, investment or other advisors and consultants of their choosing, if any, for assessing further risks with respect to their participation in the Open Offer, and related transfer of Shares of the Target Company to the Acquirers. The basis of charge of Indian income-tax depends upon the residential status of the person subject to tax (“**Taxpayer**”) during a Financial Year and the taxpayer has to pay their taxes in the following year (Assessment Year). The Financial Year for Indian Residents starts from April 01 and ends on March 31. A person who is a resident in terms of Indian Income Tax Act, 1961, (“**IT Act**”) is liable to pay income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act itself.

A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India sourced income (i.e. income which accrues or arises or deemed to be accrued or arise in India) or income received or deemed to be received by such persons in India. In case of shares of a company, the source of income from shares would depend on the “Situs” of such shares. “Situs” of the shares is generally where a company is “incorporated”.

Accordingly, since the Target Company is incorporated in India, the Target Company’s shares should be deemed to be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under IT Act.

A Taxpayer who is non-resident for tax purpose under Indian IT Act can avail benefits of the Double Taxation Avoidance Agreement (“**DTAA**”), between India and the respective country of which the Taxpayer is a resident for tax purpose subject to satisfying relevant conditions including: (a) those set out in limitation of benefits provisions present in the said DTAA (if any); (b) the non-applicability of General Anti-Avoidance Rules, and (c) providing and maintaining necessary information and documents as prescribed under the Income Tax Act.

The summary of income-tax implications on tendering of listed equity shares on the recognized stock exchange in India is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, depending upon whether such shares were held as a capital asset or business asset (i.e. stock-in-trade).

The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of Equity Shares under the Open Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.

As per the current provisions of the IT Act, in addition to the basic tax rate, surcharge and health and education cess are also leviable. The applicable rate of surcharge is dependent on the category of the shareholder and for individual shareholders, income slab rates is applicable. The health and education cess is levied at the rate of 4% of the income tax and surcharge,

Based on the provisions of the IT Act, the shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the relevant year. The summary of income-tax implications on tendering of Equity Shares on the recognized stock exchange and chargeable to STT is set out below:

### **Taxability of Capital Gain in the hands of the Public Shareholders:**

The Finance Act, 2018, vide Section 112A, has imposed an income tax on long-term capital gains at the rate of 10% (Ten percent only) on transfer of equity shares that are listed on a recognized stock exchange, which have been held for more than 1 (one) year and have been subject to Securities Transaction Tax (“**STT**”) upon both acquisition and sale (subject to certain transactions, yet to be notified, to which the provisions of applicability of payment of STT upon acquisition shall not be applicable). Under this provision the capital gains tax would be calculated on gains exceeding ₹1,00,000/- (Rupees One Lakh only) (without any indexation and foreign exchange fluctuation benefits). It may also be noted that any capital gains arising up to January 31, 2018 are grandfathered under this provision. The cost of acquisition for the long-term capital asset acquired on or before January 31, 2018 will be the actual cost. However, if the actual cost is less than the fair market value of such asset (lower of consideration on transfer) as on January 31, 2018, the fair market value will be deemed to be the cost of acquisition.

As per section 111A of the IT Act, short-term capital gains arising from transfer of listed shares on which STT is paid would be subject to tax at the rate of 15% (Fifteen percent only) for Public Shareholders (except certain specific categories).

Any applicable surcharge and education cess would be in addition to above applicable rates;

In case of resident Public Shareholders, in absence of any specific provision under the IT Act, the Acquirers shall not deduct tax on the consideration payable to resident Public Shareholders pursuant to the Offer. However, in case of non-resident Public Shareholders, since the Offer is through the recognized stock exchange, the responsibility to discharge the tax due on the gains (if any) is on the non-resident Public Shareholders. It is therefore recommended that the non-resident Public Shareholder may consult their custodians/authorized dealer's/ tax advisors appropriately;

The tax implications are based on provisions of the IT Act as applicable as on date of this Letter of Offer. In case of any amendment made effective prior to the date of closure of this Offer, then the provisions of the IT Act as amended would apply;

Notwithstanding the details given above, all payments will be made to the Public Shareholders subject to compliance with prevailing tax laws. The final tax liability of the Public Shareholder shall remain of such Public Shareholder and the said Public Shareholder will appropriately disclose the amounts received by it, pursuant to this Offer, before the Indian income tax authorities.

**INFORMATION ON TAXATION MENTIONED HEREIN IS ON THE BASIS THAT THE OPEN OFFER SHALL BE COMPLETED THROUGH THE STOCK EXCHANGE SETTLEMENT MECHANISM MADE AVAILABLE BY STOCK EXCHANGES, AS PROVIDED UNDER THE SEBI (SAST) REGULATIONS AND SEBI CIRCULARS CIR/CFD/POLICYCELL/1/2015 DATED APRIL 13, 2015 AND CFD/DCR2/CIR/P/2016/131 DATED DECEMBER 9, 2016. NOTWITHSTANDING THE DETAILS GIVEN ABOVE, ALL PAYMENTS WILL BE MADE TO THE PUBLIC SHAREHOLDERS SUBJECT TO COMPLIANCE WITH PREVAILING TAX LAWS.
