13 NOTE ON TAXATION

- 13.1 The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) or income received or deemed to be received by such persons in India. In case of shares of a company, the source of income from shares would depend on the 'Situs' of such shares. The 'Situs' of the shares is generally where a company is 'incorporated'. Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be considered to be 'situated' in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.

Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said Equity Public Shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument (MLI) as ratified by India with the respective country of which the said Equity Public Shareholder is a tax resident and (b) non-applicability of General Anti-Avoidance Rule ('GAAR') and (c) maintaining necessary information and documents as prescribed under the IT Act.

- 13.2 Gains arising from the transfer of shares may be treated either as 'capital gains' or as 'business income' for income-tax purposes, depending upon whether such shares were held as a capital asset or business asset (i.e. stock-in-trade). The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of Equity Shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc. Any applicable surcharge and education cess would be in addition to such applicable tax rates.
- 13.3 Based on the provisions of the IT Act, the shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the relevant year. The summary of income-tax implications on tendering of Equity Shares on the recognized stock exchange and chargeable to STT is set out below.

In addition to income tax, as the tendering of Equity Shares is being undertaken on the stock exchange, such transaction will be chargeable to STT. STT is payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.

13.4 Taxability of capital gain in the hands of the Equity Public Shareholders:

- 13.4.1 The Finance Act, 2018, vide Section 112A of IT Act, has imposed an income tax on long-term capital gains at the rate of 10% (Ten percent only) on transfer of equity shares that are listed on a recognized stock exchange, which have been held for more than 1 (one) year and have been subject to STT upon both acquisition and sale (subject to certain transactions, to which the provisions of applicability of payment of STT upon acquisition shall not be applicable). Under this provision the capital gains tax would be calculated on gains exceeding INR1,00,000/- (Indian Rupees One Lakh only) (without any indexation and foreign exchange fluctuation benefits). It may also be noted that any capital gains arising up to January 31, 2018 are grandfathered under this provision. The cost of acquisition for the long-term capital asset acquired on or before January 31, 2018 will be the actual cost. However, if the actual cost is less than the fair market value of such asset (lower of consideration on transfer) as on January 31, 2018, the fair market value will be deemed to be the cost of acquisition.
- 13.4.2 As per section 111A of the IT Act, short-term capital gains arising from transfer of listed shares on which STT is paid would be subject to tax at the rate of 15% (Fifteen percent only) for Equity Public Shareholders (except certain specific categories).
- 13.4.3 Any applicable surcharge and education cess would be in addition to above applicable rates.
- 13.4.4 In case of resident Equity Public Shareholders, in absence of any specific provision under the IT Act, the Acquirer shall not deduct tax on the consideration payable to resident Equity Public Shareholders pursuant to the Offer. However, in case of non-resident Equity Public Shareholders, since the Offer is through the recognized stock exchange, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such non-resident Equity Public Shareholders as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer to the non-resident Equity Public Shareholders. The responsibility to discharge the tax due on the gains (if any) is on the non-resident Equity Public Shareholders. It is therefore recommended that the non-resident Equity Public Shareholder may consult their custodians/authorized dealer's/ tax advisors appropriately.

In the event the Acquirer is held liable for the tax liability of the Equity Public Shareholder, the same shall be to the account of the Equity Public Shareholder and to that extent the Acquirer is entitled to be indemnified. The non-resident Equity Public Shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Offer, copy of tax return filed in India, evidence of the tax paid etc.

Remittance/Payment of Interest:

In case of interest, if any, paid by the Acquirer to resident and non-resident Equity Public Shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer depending on the settlement mechanism for such interest payments. In the event, the Acquirer decide to withhold tax, the same shall be basis the documents submitted along with the form of acceptance or such additional documents as may be called for by the Acquirer. It is recommended that the Equity Public Shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income). In the event the Acquirer is held liable for the tax liability of the Equity Public Shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be indemnified.

The Equity Public Shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Offer. The Equity Public Shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Offer, copy of tax return filed in India, evidence of the tax paid etc.

- 13.4.5 The tax implications are based on provisions of the IT Act as applicable as on date of this DLoF. In case of any amendment made effective prior to the date of closure of this Offer, then the provisions of the IT Act as amended would apply.

13.4.6 Notwithstanding the details given above, all payments will be made to the Equity Public Shareholders subject to compliance with prevailing tax laws. The final tax liability of the Equity Public Shareholder shall remain of such Equity Public Shareholder and the said Equity Public Shareholder will appropriately disclose the amounts received by it, pursuant to this Offer, before the Indian income tax authorities.

13.5 **THE ABOVE DISCLOSURE ON TAXATION SETS OUT THE PROVISIONS OF LAW IN A SUMMARY MANNER ONLY AND IS NOT A COMPLETE ANALYSIS OR LISTING OF ALL POTENTIAL TAX CONSEQUENCES OF THE DISPOSAL OF THE EQUITY SHARES. THIS DISCLOSURE IS NEITHER BINDING ON ANY REGULATORS NOR CAN THERE BE ANY ASSURANCE THAT THEY WILL NOT TAKE A POSITION CONTRARY TO THE COMMENTS MENTIONED HEREIN. HENCE, THE EQUITY PUBLIC SHAREHOLDERS ARE ADVISED TO CONSULT THEIR TAX ADVISORS FOR TAX TREATMENT ARISING OUT OF THE PROPOSED OFFER THROUGH TENDER OFFER AND APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE. THE ACQUIRER AND THE MANAGER DO NOT ACCEPT NOR HOLD ANY RESPONSIBILITY FOR ANY TAX LIABILITY ARISING TO ANY PUBLIC SHAREHOLDER AS A REASON OF THIS OFFER.**
